### Section 3.2 Payments.

(a) For each MWh of Assigned Product delivered to Purchaser, Purchaser shall pay Issuer the applicable Contract Price, provided that (x) Issuer shall owe a payment to Purchaser to the extent that the Contract Price for Energy delivered is negative and (y) Purchaser's payment of the Retained Payment Amount (as defined in the Participant Custodial Agreement) to the Participant Custodian consistent with the terms of the Participant Custodial Agreement shall satisfy Purchaser's obligations hereunder with respect to Monthly Excess Quantities and Assigned Paygo Quantities, as applicable.

(b) During the term of this Agreement, promptly following completion of the annual audit of Issuer's financial statements at the end of each fiscal year (currently the twelve-month period ending December 31), Issuer shall compare its revenues (as determined in accordance with the Bond Indenture) and expenses under the Clean Energy Project for that fiscal year. If this annual comparison demonstrates that such revenues exceeded such expenses during the applicable fiscal year and there are amounts on deposit in the fund established by the Bond Indenture available for such purpose, then Issuer shall make refunds to Purchaser in the amount available after making allowances for any necessary and appropriate reserves and contingencies (including but not limited to amounts deemed reasonably necessary by Issuer to fund any working capital reserve and to reserve or account for unfunded liabilities, including future sinking fund or other principal amortization of the Bonds. As of the Execution Date, the projected Annual Refund for the Initial Reset Period is \$[ ] per MWh.

Section 3.3 No Obligation to Take Base Energy. Notwithstanding anything to the contrary in this Agreement, Purchaser shall not be required to purchase and receive any Base Energy hereunder, and Issuer shall cause MSES to remarket any portion of the Contract Quantity that is Base Energy pursuant to the provisions of Exhibit C to the Prepaid Agreement.

### Section 3.4 Reset Period Remarketing.

(a) Reset Period Notice. For each Reset Period, Issuer shall provide to Purchaser, at least ten (10) days prior to the Remarketing Election Deadline, formal written notice setting forth (i) the duration of such Reset Period, (ii) the Estimated Available Discount (as defined in the Re-Pricing Agreement) for such Reset Period, and (iii) the applicable Remarketing Election Deadline (a "Reset Period Notice"). Issuer may thereafter update such notice at any time prior to the Remarketing Election Deadline and may extend the Remarketing Election Deadline in its sole discretion in any such update.

(b) Remarketing Election. If the Reset Period Notice (or any update thereto) indicates that the Available Discount in such notice is not at least equal to the Minimum Discount for that Reset Period, then: (i) a "Potential Remarketing Event" shall be deemed to exist, and (ii) Purchaser may, not later than the Remarketing Election Deadline, issue a written notice in the form

attached hereto as Exhibit C (a “Remarketing Election Notice”) to Issuer, MSES and the Trustee electing for all of Purchaser’s Energy that would otherwise be delivered hereunder to be remarketed during the applicable Reset Period; *provided*, however, if the actual Available Discount, as finally determined under the Re-Pricing Agreement, is equal to or greater than the Minimum Discount, then Issuer may, in its sole discretion, elect by written notice to Purchaser to treat such Remarketing Election Notice as void (a “Voided Remarketing Election Notice”). For the avoidance of doubt, in the event that Purchaser issues a Remarketing Election Notice (other than a Voided Remarketing Notice), any rights and obligations assigned to MSCG under the Initial Assigned PPA or to MSCG or MSES under a subsequent Assignment Agreement including, without limitation, the right to receive Assigned Energy, shall revert to Purchaser as of the end of the Initial Reset Period or the then-current Reset Period, as applicable.

(c) Final Determination of Available Discount. The Parties acknowledge and agree that the final Available Discount for any Reset Period following the Initial Reset Period will be determined on the applicable Re-Pricing Date (as defined in the Re-Pricing Agreement), and that such Available Discount may differ from the estimate or estimates of such Available Discount provided to Purchaser prior to the applicable Remarketing Election Deadline. Accordingly, the Parties agree that:

(i) the Available Discount for any Reset Period will not be less than the Minimum Discount applicable to such Reset Period, unless Issuer has provided notice of a Potential Remarketing Event to Purchaser in accordance with Section 3.4(b); and

(ii) if Purchaser receives notice of a Potential Remarketing Event and has not provided a Remarketing Election Notice prior to the applicable Remarketing Election Deadline, Purchaser shall be deemed to have elected to continue to purchase and receive its Contract Quantity at a Contract Price that reflects the Monthly Discount portion of the Available Discount as finally determined on the applicable Re-Pricing Date, plus Purchaser’s right to its share of Annual Refunds, if any, and all delivery and purchase obligations under this Agreement shall continue in full force and effect for the applicable Reset Period.

(d) Resumption of Deliveries. Notwithstanding the issuance of any Remarketing Election Notice for a Reset Period, Purchaser will (i) remain obligated to purchase the Contract Quantities hereunder for each subsequent Reset Period, unless Purchaser issues a new valid Remarketing Election Notice (other than a Voided Remarketing Election Notice) for any such Reset Period in accordance with Section 3.4(b) and (ii) not make any new commitment to purchase Priority Energy during such Reset Period to the extent any such commitment could reasonably be expected to cause, during any portion of the Delivery Period after such Reset Period, Purchaser’s aggregate obligations to purchase Priority Energy (including its obligation to purchase Priority Energy hereunder) to exceed Purchaser’s expected aggregate requirements for Energy that will be used (A) for a “qualifying use” as defined in U.S. Treas. Reg. § 1.148-1(e)(2)(iii) and (B) in a manner that will not result in any “private business use” within the meaning of Section 141 of the Code.

(e) Reduction of Contract Quantity. The Parties recognize and agree that the Contract Quantity may be reduced in a Reset Period pursuant to the re-pricing methodology

described in the Re-Pricing Agreement if necessary to achieve a successful remarketing of the Bonds. The Parties agree further that if, pursuant to the Re-Pricing Agreement, Issuer and the Calculation Agent determine in connection with the establishment of any new Reset Period that: (i) such Reset Period will be the final Reset Period and (ii) such Reset Period will end prior to the end of the original Delivery Period, then (A) Issuer will notify Purchaser, (B) the Delivery Period will be deemed to be modified so that it ends at the end of such Reset Period, and (C) the Contract Quantity for the last Month in such Reset Period may be reduced as provided in the Re-Pricing Agreement.

#### **ARTICLE IV FAILURE TO DELIVER OR TAKE ENERGY**

Notwithstanding anything herein to the contrary, neither Purchaser nor Issuer shall have any liability or other obligation to one another for any failure to Schedule, take, or deliver Assigned Product.

#### **ARTICLE V TRANSMISSION AND DELIVERY; COMMUNICATIONS**

Section 5.1 Delivery of Energy. All Assigned Energy delivered under this Agreement shall be Scheduled at the applicable Assigned Delivery Point and in accordance with the terms of the applicable Assignment Agreement. All other Assigned Product shall be delivered consistent with the terms of the applicable Assignment Agreement.

Section 5.2 Scheduling. Scheduling of Assigned Energy shall be in accordance with the applicable Assignment Agreement.

Section 5.3 Title and Risk of Loss. Title to the Energy delivered under this Agreement and risk of loss shall pass from Issuer to Purchaser at the Assigned Delivery Point. The transfer of title and risk of loss for all Assigned Product other than Assigned Energy shall be in accordance with the applicable Assignment Agreement; provided that all Assignment Agreements shall provide for the transfer of Renewable Energy Credits in accordance with WREGIS.

Section 5.4 PCC1 Product and Long-Term PCC1 Product. To the extent that any Assigned Product is PCC1 Product or Long-Term PCC1 Product, the following provisions apply:

(a) Eligibility. Issuer, and, if applicable, its successors, represents and warrants that throughout the Delivery Term of this Agreement that: (i) the Project qualifies and is certified by the CEC as an Eligible Renewable Energy Resource (“ERR”) as such term is defined in Public Utilities Code Section 399.12 or Section 399.16; and (ii) the Project’s output delivered to Purchaser qualifies under the requirements of the California Renewables Portfolio Standard. To the extent a change in law occurs after execution of this Agreement that causes this representation and warranty to be materially false or misleading, it shall not be an Event of Default if Issuer has used commercially reasonable efforts to comply with such change in law. **[STC 6, Non-Modifiable. (Source: D.07-11-025, Attachment A.) D.08-04-009]**. As used above, capitalized terms not otherwise defined herein shall have the meaning specified in the Assigned Agreement.

(b) Transfer of Renewable Energy Credits. Issuer and, if applicable, its successors, represents and warrants that throughout the Delivery Term of this Agreement the Renewable Energy Credits transferred to Purchaser conform to the definition and attributes required for compliance with the California Renewables Portfolio Standard, as set forth in California Public Utilities Commission Decision 08-08-028, and as may be modified by subsequent decision of the California Public Utilities Commission or by subsequent legislation. To the extent a change in law occurs after execution of this Agreement that causes this representation and warranty to be materially false or misleading, it shall not be an Event of Default if Issuer has used commercially reasonable efforts to comply with such change in law. **[STC REC-1, Non-modifiable. D.11-01-025]**. As used above, capitalized terms not otherwise defined herein shall have the meaning specified in the Assigned Agreement.

(c) Tracking of RECs in WREGIS. Issuer warrants that all necessary steps to allow the Renewable Energy Credits transferred to Purchaser to be tracked in the Western Renewable Energy Generation Information System will be taken prior to the first delivery under the contract. **[STC REC-2, Non-modifiable. D.11-01-025]**. As used above, capitalized terms not otherwise defined herein shall have the meaning specified in the Assigned Agreement.

(d) Governing Law. This Agreement and the rights and duties of the Parties hereunder shall be governed by and construed, enforced and performed in accordance with the laws of the state of California, without regard to principles of conflicts of law. To the extent enforceable at such time, each Party waives its respective right to any jury trial with respect to any litigation arising under or in connection with this Agreement. **[STC 17, Non-Modifiable. (Source: D.07-11-025, Attachment A) D.08-04-009]**

(e) Issuer Representations and Warranties.

Issuer represents and warrants:

- (i) Issuer has the right to sell the Assigned Product from the Applicable Project;
- (ii) Issuer has not sold the Assigned Product or any REC or other attributes of the Assigned Product to be transferred to Purchaser to any other person or entity;
- (iii) the Energy component of the Assigned Product produced by the Applicable Project and purchased by Issuer for resale to Purchaser hereunder is not being sold by Issuer back to the Applicable Project or PPA Supplier;
- (iv) Assigned Energy and Assigned RECs to be purchased and sold pursuant to this Agreement are not committed to another party;
- (v) the Assigned Product is free and clear of all liens or other encumbrances;
- (vi) Issuer will deliver to Purchaser all Assigned Energy and associated RECs generated by the Applicable Project for Long-Term PCC1

Product in compliance with the California Long-Term Contracting Requirements, if applicable;

- (vii) the Assigned Product supplied to Purchaser under this Agreement that is Long-Term PCC1 Product will be sourced solely from Applicable Projects that have an Assignment Period of ten years or more in length, or otherwise in compliance with the California Long Term Contracting Requirements; and
- (viii) Issuer will cooperate and work with Purchaser, the CEC, and/or the CPUC to provide any documentation required by the CPUC or CEC to support the Product's classification as a Portfolio Content Category 1 Product as set forth in California Public Utilities Code Section 399.16(b)(1) or, if applicable, or compliance with the California Long-Term Contracting Requirements.

Issuer further represents and warrants to Purchaser that, to the extent that the Product sold by Issuer is a resale of part or all of a contract between Issuer and one or more third parties, Issuer represents, warrants and covenants that the resale complies with the following conditions in (i) through (iv) below during the Assignment Period and throughout the generation period:

- (i) the original upstream third-party contract(s) meets the criteria of California Public Utilities Code Section 399.16(b)(1);
- (ii) this Agreement transfers only electricity and RECs that have not yet been generated prior to the Assignment Period;
- (iii) the electricity transferred by this Agreement is transferred to Purchaser in real time; and
- (iv) if the Applicable Project has an agreement to dynamically transfer electricity to a California balancing authority, the transactions implemented under this Agreement are not contrary to any condition imposed by a balancing authority participating in the dynamic transfer arrangement.

(f) Subsequent Changes in Law. In the event that the qualifications or requirements of the RPS program, PCC1 Product or the California Long-Term Contracting Requirements change, Issuer shall take commercially reasonable actions to meet the amended qualifications or requirements of the RPS Law, PCC1 Product or the California Long-Term Contracting Requirements but will not be required to incur any unreimbursed costs to comply with the RPS Law, PCC1 or the California Long-Term Contracting Requirements, collectively.

(g) Limitations. Notwithstanding anything to the contrary in this Agreement, the Parties acknowledge and agree as follows:

- (i) Issuer has relied exclusively upon the representations and warranties of each respective seller set forth in the Assigned Agreements in making the representations and warranties set forth in this Section

5.4 and has not performed any independent investigation with respect thereto;

- (ii) Purchaser is entitled under the Assignment Letter Agreement to terminate the applicable Assignment Period in the event that any representation or warranty in this Section 5.4 proves to be incorrect in any respect, and Purchaser agrees that it shall exercise such termination right for the applicable Assignment Period in the event that any representation or warranty in this Section 5.4 proves to be incorrect in any respect; and
- (iii) Purchaser agrees that its sole recourse for any breach of the provisions of this Section 5.4 shall be the termination of the applicable Assignment Period and Purchaser shall have no other recourse against Issuer or remedies under this Agreement.

Section 5.5 Deliveries within CAISO or Another Balancing Authority. The Parties acknowledge that Energy delivered by Issuer at a Delivery Point within CAISO or another Balancing Authority will be delivered in accordance with the CAISO Tariff and rules of the Balancing Authority as applicable. Scheduling such Energy in accordance with the requirements of the applicable Energy into the applicable Balancing Authority shall constitute delivery of such Energy to Purchaser hereunder.

Section 5.6 Assigned Products. Subject to the terms of Section 5.4, the Parties shall have no liability under this Article V with respect to any Assigned Products.

## **ARTICLE VI PARTIAL ASSIGNMENTS OF PPAS**

Section 6.1 Future PPA Assignments. In connection with the expiration or termination of an EPS Energy Period, each of the Parties agrees to satisfy its obligations under the Assignment Letter Agreement, including but not limited to (a) Purchaser's obligation to exercise Commercially Reasonable Efforts to assign a portion of Purchaser's rights and obligations under a power purchase agreement under which Project Participant is purchasing EPS Compliant Energy to MSCG or MSES pursuant to an Assignment Agreement and (b) the Parties' obligations to cooperate in good faith with MSCG and MSES with respect to any proposed assignments.

Section 6.2 Updates to Exhibits A-1 and A-2.

(a) To the extent that an EPS Energy Period terminates early, the Parties shall update (i) Exhibit A-1 to reflect an increase in the Hourly Quantities and (ii) Exhibit A-2 to reflect a decrease in the Monthly Projected Quantities associated with the relevant Assigned PPA, in each case, in an amount equal to the Assigned Energy associated with the EPS Energy Period that terminated or expired. For the avoidance of doubt, any updates to Exhibits A-1 and A-2 due to an early termination of an EPS Energy Period shall be effective as of the earlier of (A) the commencement of an Assignment Period under a replacement Assignment Agreement or (B) the start of the third Month following the Month in which such early termination occurs.

(b) In connection with the execution of any subsequent Assignment Agreement, the Parties shall update Exhibits A-1 and A-2 to reflect any changes in the Hourly Quantities of Base Energy and Monthly Projected Quantities of Assigned Energy and any other changes in connection therewith.

## **ARTICLE VII USE OF ENERGY**

Section 7.1 Tax Exempt Status of the Bonds. Purchaser acknowledges that the Bonds will be issued with the intention that the interest thereon will be exempt from federal taxes under Section 103 of the Code. Accordingly, Purchaser agrees that it will (a) provide such information with respect to its CCA Program as may be requested by Issuer in order to establish the tax-exempt status of the Bonds, and (b) act in accordance with such written instructions as Issuer may provide from time to time in order to maintain the tax-exempt status of the Bonds. Purchaser further agrees that it will not at any time take any action, or fail to take any action, that would adversely affect the tax-exempt status of the Bonds.

Section 7.2 Priority Energy. Subject to Section 7.5(a), Purchaser agrees to take the Contract Quantities to be delivered under this Agreement (a) in priority over and in preference to all Non-Priority Energy; and (b) on at least a *pari passu* and non-discriminatory basis with other Priority Energy.

### Section 7.3 Remarketing Sales.

(a) Remarketing of Assigned Product. If notwithstanding Purchaser's compliance with Section 7.1, a quantity of Assigned Product less than the Annual Quantity is delivered hereunder in any Contract Year for any reason other than Force Majeure, then MSCG shall be deemed to remarket such undelivered quantity of Assigned Product consistent with Section 5(a) of Exhibit C to the Prepaid Agreement. For the avoidance of doubt, Purchaser will not have any payment obligation with respect to Assigned Energy that is remarketed pursuant to the foregoing sentence.

(b) Remarketing of Base Energy. Consistent with Section 3.3, to the extent any portion of the Contract Quantity is Base Energy, Issuer shall cause MSES to remarket or purchase such Energy for the account of MSES under the remarketing provisions of the Prepaid Agreement, and Issuer shall credit against the amount owed by Purchaser for such Contract Quantities the amounts received from MSES for such remarketing services, less all directly incurred costs or expenses, including but not limited to remarketing administrative charges paid to MSES under the Prepaid Agreement, but in no event shall the amount of such credit be more than the Contract Price. For the avoidance of doubt, Purchaser will not have any payment obligation with respect to Base Energy that is remarketed pursuant to the foregoing sentence.

(c) MSES Remarketing Fees. Purchaser shall not in any case have an obligation to make a payment to Issuer with respect to any Remarketing Fee (as defined in the Prepaid Agreement) charged by MSES under the Prepaid Agreement

Section 7.4 Qualifying Use. Subject to Section 7.5, Purchaser agrees that, without limiting Purchaser's other obligations under this Article VII, it will use all of the Energy purchased under this Agreement in compliance with the Qualifying Use Requirements. Purchaser agrees that it will provide such additional information, records and certificates as Issuer may reasonably request to confirm Purchaser's compliance with this Section 7.4.

Section 7.5 Remediation. To the extent that (a) all or a portion of the Contract Quantity is remarketed under Section 7.3(a) or Section 7.3(b) and (b) Purchaser is not otherwise in default under this Agreement, then:

(a) MSES shall be obligated under the remarketing provisions of the Prepaid Agreement to purchase the remarketed Energy for its own account at (i) the Day-Ahead Average Price in the case of Assigned Energy and (ii) the Day-Ahead Market Price in the case of Base Energy (the proceeds of any such purchases, "Disqualified Remarketing Proceeds"), which Disqualified Remarketing Proceeds are for the benefit of Purchaser in that such proceeds reduce its payment obligations hereunder;

(b) Purchaser shall (i) exercise Commercially Reasonable Efforts to use an amount equivalent to such Disqualified Remarketing Proceeds to purchase Non-Priority Energy and use such Non-Priority Energy in compliance with the Qualifying Use Requirements in order to remediate such Disqualified Remarketing Proceeds and (ii) apply its purchases of Non-Priority Energy to remediate Disqualified Remarketing Proceeds under this Agreement prior to remediating such proceeds under any other contract that provides for the purchase of Priority Energy;

(c) in order to track compliance with Purchaser's obligations under Section 7.5(b) above, Purchaser shall deliver a Remediation Certificate in the form of Exhibit H hereto to Issuer and MSES by the tenth day of the Month subsequent to any relevant Non-Priority Energy purchases (which may include purchases of Energy from CAISO to the extent such Energy is used in compliance with the Qualifying Use Requirements);

(d) for Disqualified Remarketing Proceeds remediated under this Section 7.5, Issuer shall pay Purchaser any portion of the Monthly Discount associated with such Disqualified Remarketing Proceeds and available for distribution under the Bond Indenture on the last Business Day of the Month following the Month in which Purchaser provides a certificate under clause (c) evidencing such remediation; and

(e) to the extent any Disqualified Remarketing Proceeds are not remediated within twelve Months of the date on which such proceeds were received by Issuer, then MSES shall be obligated under the Prepaid Agreement to exercise Commercially Reasonable Efforts to remediate such Disqualified Remarketing Proceeds under the Prepaid Agreement and Purchaser's ability to remediate such remarketing proceeds shall be subject to MSES's successful remediation of such proceeds through sales to other purchaser(s);

provided that, for the avoidance of doubt, to the extent Special Tax Counsel (as defined in the Bond Indenture) determines at any time that Purchaser has failed to exercise Commercially Reasonable Efforts to obtain EPS Compliant Energy for delivery hereunder consistent with the

Assignment Letter Agreement, then Purchaser shall not be entitled to remediate any Disqualified Remarketing Proceeds related to the resulting remarketing of Base Energy by MSES.

## **ARTICLE VIII REPRESENTATIONS AND WARRANTIES; ADDITIONAL COVENANTS**

Section 8.1 Representations and Warranties of the Parties. As a material inducement to entering into this Agreement, each Party, with respect to itself, hereby represents and warrants to the other Party as of the Execution Date as follows:

(a) for Issuer as the representing Party, Issuer is a joint powers authority organized pursuant to the provisions of Title 1, Division 7, Chapter 5, Article 1 (Section 6500 *et seq.*) of the California Government Code;

(b) for Purchaser as the representing Party, Purchaser is a municipal corporation organized and existing under and by virtue of its charter and the Constitution of the State of California and a community choice aggregator pursuant to the provisions of Section 366.2 of the California Public Utilities Code;

(c) it has all requisite power and authority to conduct its business, to own its properties and to execute, deliver and perform its obligations under this Agreement;

(d) there is no litigation, action, suit, proceeding or investigation pending or, to the best of such Party's knowledge, threatened, before or by any Government Agency, which could reasonably be expected to materially and adversely affect the performance by such Party of its obligations under this Agreement or that questions the validity, binding effect or enforceability hereof, any action taken or to be taken by such Party pursuant hereto, or any of the transactions contemplated hereby;

(e) the execution, delivery and performance of this Agreement by such Party has been duly authorized by all necessary action on the part of such Party and does not require any approval or consent of any security holder of such Party or any holder (or any trustee for any holder) of any indebtedness or other obligation of such Party;

(f) this Agreement has been duly executed and delivered on behalf of such Party by an appropriate officer or authorized Person of such Party and constitutes the legal, valid and binding obligation of such Party, enforceable against it in accordance with its terms, as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and similar Laws affecting creditors' rights generally and by general principles of equity;

(g) the execution, delivery and performance of this Agreement by such Party shall not violate any provision of any Law, decree or other legal or regulatory determination applicable to it;

(h) the execution, delivery and performance by such Party of this Agreement, and the consummation of the transactions contemplated hereby, including the incurrence by such Party of its financial obligations under this Agreement, shall not result in any violation of any term of any material contract or agreement applicable to it, or any of its charter or bylaws or of any

license, permit, franchise, judgment, writ, injunction or regulation, decree, order, charter, Law or ordinance applicable to it or any of its properties or to any obligations incurred by it or by which it or any of its properties or obligations are bound or affected, or of any determination or award of any arbitrator applicable to it, and shall not conflict with, or cause a breach of, or default under, any such term or result in the creation of any lien upon any of its properties or assets, except with respect to Issuer, the lien of the Bond Indenture;

(i) for Issuer as the representing Party, Issuer will promptly alert Purchaser of any notice received by Issuer alleging a breach under the Bond Indenture or of any covenant of Issuer in the agreements entered into by Issuer in connection with the Clean Energy Project;

(j) to the best of the knowledge and belief of such Party, no consent, approval, order or authorization of, or registration, declaration or filing with, or giving of notice to, obtaining of any license or permit from, or taking of any other action with respect to, any Government Agency is required in connection with the valid authorization, execution, delivery and performance by such Party of this Agreement or the consummation of any of the transactions contemplated hereby other than those that have been obtained; and

(k) it enters this Agreement as a bona-fide, arm's-length transaction involving the mutual exchange of consideration and, once executed by both Parties, considers this Agreement a legally enforceable contract.

Section 8.2 Warranty of Title. Issuer warrants that it will have the right to convey and will transfer good and merchantable title to all Energy sold under this Agreement and delivered by it to Purchaser, free and clear of all liens, encumbrances, and claims.

Section 8.3 Disclaimer of Warranties. EXCEPT FOR THE WARRANTIES EXPRESSLY MADE BY ISSUER IN THIS ARTICLE VIII, ISSUER HEREBY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Section 8.4 Continuing Disclosure. Purchaser agrees to provide to Issuer: (a) such financial and operating information as may be requested by Issuer including its most recent audited financial statements for use in Issuer's offering documents for the Bonds; and (b) annual updates to such information and statements to enable Issuer to comply with its continuing disclosure undertakings under Rule 15(c)2-12 of the United States Securities and Exchange Commission. Failure by Purchaser to comply with its agreement to provide such annual updates shall not be a default under this Agreement, but any such failure shall entitle Issuer or an owner of the Bonds to take such actions and to initiate such proceedings as may be necessary and appropriate to cause Purchaser to comply with such agreement, including without limitation the remedies of mandamus and specific performance.

## ARTICLE IX TAXES

Issuer shall (i) be responsible for all ad valorem, excise and other taxes assessed with respect to Energy delivered pursuant to this Agreement upstream of the Delivery Point, and

(ii) indemnify Purchaser and its Affiliates for any such taxes paid by Purchaser or its Affiliates. Purchaser shall (i) be responsible for all such taxes assessed at or downstream of the Delivery Point, and (ii) indemnify Issuer and its Affiliates for any such taxes paid by Issuer or its Affiliates.

## **ARTICLE X DISPUTE RESOLUTION**

### **Section 10.1 Judicial Reference.**

(a) Judicial Reference. Any dispute or claim between the Parties arising out of or in connection with this Agreement or its performance, breach, or termination (including the existence, validity and interpretation of this Agreement and the applicability of any statute of limitation period) (each, a “Dispute”) shall be resolved by a reference proceeding in California in accordance with the provisions of Sections 638 et seq. of the California Code of Civil Procedure (“CCP”), or their successor sections (a “Reference Proceeding”), which shall constitute the exclusive remedy for the resolution of any Dispute. As a condition precedent to initiating a Reference Proceeding with respect to any Dispute, the Parties shall comply with the provisions of Section 10.1(b).

(b) Notice of Dispute. Prior to initiating the Reference Proceeding, a Party (the “Disputing Party”) shall provide the other Party (the “Responding Party”) with a written notice of each issue in dispute, a proposed means for resolving each such issue, and support for such position (the “Notice of Dispute”). Within 10 days after receiving the Notice of Dispute, the Responding Party shall provide the Disputing Party with a written Notice of each additional issue (if any) with respect to the dispute raised by the Notice of Dispute, a proposed means for resolving every issue in dispute, and support for such position (the “Dispute Response”). Thereafter, the Parties shall meet to discuss the matter and attempt in good faith to reach a negotiated resolution of the dispute. If the Parties do not resolve the dispute by mutual agreement within 15 days after receipt of the Dispute Response, (the “Negotiation Period”), then either Party may provide to the other Party written notice of intent for judicial reference (the “Impasse Notice”) in accordance with the further provisions of this Section 10.1.

### **(c) Applicability; Selection of Referees.**

(i) The Party that provides the Impasse Notice shall nominate one (1) referee at the same time it provides the Impasse Notice. The other Party shall nominate one referee within 10 days of receiving the Impasse Notice. The two (2) referees (the “Party-Appointed Referees”) shall appoint a third referee (the “Third Referee”, together with the Party-Appointed Referees, the “Referees”). The Party-Appointed Referees shall be competent and experienced in matters involving the electric energy business in the United States, with at least 10 years of electric industry experience as a practicing attorney. The Third Referee shall be an active or retired California state or federal judge. Each of the Party-Appointed Referees and the Third Referee shall be impartial and independent of either Party and of the other referees and not employed by any of the Parties in any prior matter.

(ii) If the Party-Appointed Referees are unable to agree on the Third Referee within 45 days from delivery of the Impasse Notice, then the Third Referee shall be appointed pursuant to CCP Section 640(b) in an action filed in the Superior Court of California, County of San Francisco (the “Court”), and with due regard given to the selection criteria above. A request for appointment of a referee may be heard on an ex parte or expedited basis, and the Parties agree that irreparable harm would result if ex parte relief is not granted. Pursuant to CCP Section 170.6, each Party shall have one (1) peremptory challenge to the referee selected by the Court.

(d) Discovery; Proceedings.

(i) The Parties agree that time is of the essence in conducting the Reference Proceeding. Accordingly, the referees shall be requested, subject to change in the time periods specified herein for good cause shown, to (i) set the matter for a status and trial-setting conference within 20 days after the date of selection of the Third Referee, (ii) if practicable, try all issues of law or fact within 180 days after the date of the conference, and (iii) report a statement of decision within 20 days after the matter has been submitted for decision.

(ii) Discovery and other pre-hearing procedures shall be conducted as agreed to by the Parties, or if they cannot agree, as determined by the Third Referee after discussion with the Parties regarding the need for discovery and other pre-hearing procedures.

(iii) Any matter before the Referees shall be governed by the substantive law of California, its Code of Civil Procedure, Rules of Court, and Evidence Code, except as otherwise specifically agreed by the Parties and approved by the Referees. Except as expressly set forth herein, the Third Referee shall determine the manner in which the Reference Proceeding is conducted, including the time and place of hearings, the order of presentation of evidence, and all other questions that arise with respect to the course of the Reference Proceeding. The Reference Proceeding, including the trial, shall be conducted at a neutral location selected by the Parties, or if not agreed by the Parties, by the Third Referee, in San Francisco, California.

(iv) All proceedings and hearings conducted before the referees, except for trial, shall be conducted without a court reporter, except that when any Party so requests, a court reporter will be used at any hearing conducted before the referees, and the referees will be provided a courtesy copy of the transcript. The Party making such a request shall have the obligation to arrange for and pay the court reporter.

(e) Decision. The Referees shall render a written statement of decision setting forth findings of fact and conclusions of law. The Referees shall have no authority to award consequential, treble, exemplary, or punitive damages of any type or kind regardless of whether such damages may be available under any law or right, with the Parties hereby affirmatively waiving their rights, if any, to recover or claim such damages. The decision shall be entered as a judgment in the court in accordance with the provisions of CCP Sections 644 and 645. The decision shall be appealable to the same extent and in the same manner that such decision would

be appealable if rendered by a judge of the Court. The Parties intend this general reference agreement to be specifically enforceable in accordance with the CCP.

(f) Expenses. Each Party shall bear the compensation and expenses of its respective Party-Appointed Referee, own counsel, witnesses, consultants and employees. All other expenses of judicial reference shall be split equally between the Parties.

## **ARTICLE XI FORCE MAJEURE**

Section 11.1 Applicability of Force Majeure. To the extent either Party is prevented by Force Majeure from carrying out, in whole or part, its obligations under this Agreement and such Party (the “Claiming Party”) gives notice and details of the Force Majeure to the other Party as soon as practicable, then the Claiming Party shall be excused from the performance of its obligations with respect to this Agreement (other than the obligation to make payments then due or becoming due with respect to performance prior to the Force Majeure). The Claiming Party shall mitigate the Force Majeure with all reasonable dispatch. For the duration of the Claiming Party’s non-performance (and only for such period), the non-Claiming Party shall not be required to perform or resume performance of its obligations to the Claiming Party corresponding to the obligations of the Claiming Party excused by Force Majeure.

Section 11.2 Settlement of Labor Disputes. Notwithstanding anything to the contrary herein, the Parties agree that the settlement of strikes, lockouts or other industrial disturbances shall be within the sole discretion of the Party experiencing such disturbance, and the failure of a Party to settle such strikes, lockouts or other industrial disturbances shall not prevent the existence of Force Majeure or of reasonable dispatch to remedy the same.

## **ARTICLE XII GOVERNMENTAL RULES AND REGULATIONS**

Section 12.1 Compliance with Laws. This Agreement shall be subject to all present and future Laws of any Government Agency having jurisdiction, and neither Party has knowingly undertaken or will knowingly undertake or knowingly cause to be undertaken any activity that would conflict with such Laws; *provided*, however, that nothing herein shall be construed to restrict or limit either Party’s right to object to or contest any such Law, or its application to this Agreement or the transactions undertaken hereunder, and neither acquiescence therein or compliance therewith for any period of time shall be construed as a waiver of such right.

Section 12.2 Contests. Excluding all matters involving a contractual dispute between the Parties, no Party shall contest, cause to be contested or in any way actively support the contest of the equity, fairness, reasonableness or lawfulness of any terms or conditions set forth or established pursuant to this Agreement, as those terms or conditions may be at issue before any Government Agency in any proceeding, if the successful result of such contest would be to preclude or excuse the performance of this Agreement by either Party.

Section 12.3 Defense of Agreement. Excluding all matters involving a contractual dispute between the Parties, each Party shall hereafter defend and support this Agreement before

any Government Agency in any proceeding, if the substance, validity or enforceability of all or any part of this Agreement is hereafter directly challenged or if any proposed changes in regulatory practices or procedures would have the effect of making this Agreement invalid or unenforceable or would otherwise materially affect the rights or obligations of the Parties under this Agreement.

### **ARTICLE XIII ASSIGNMENT**

The terms and provisions of this Agreement shall extend to and be binding upon the Parties and their respective successors, assigns, and legal representatives; *provided*, however, that, subject to Section 18.14, neither Party may assign this Agreement or its rights and interests, in whole or in part, under this Agreement without the prior written consent of the other Party; *provided* furthermore that Purchaser shall exercise its right to terminate any applicable Assignment Agreement concurrently with the assignment of this Agreement. Prior to assigning this Agreement, Purchaser shall deliver to Issuer (i) written confirmation from each of the Applicable Rating Agencies, *provided* that such agency has rated and continues to rate the Bonds, that the assignment will not result in a reduction, qualification, or withdrawal of the then-current ratings assigned by the Applicable Rating Agencies to the Bonds; or (ii) written confirmation from each of the Applicable Rating Agencies, that the assignee has an outstanding long-term senior, unsecured, unenhanced debt rating equivalent to or higher than the ratings assigned by the Applicable Rating Agencies to the Bonds. Whenever an assignment or a transfer of a Party's interest in this Agreement is requested to be made with the written consent of the other Party, the assigning or transferring Party's assignee or transferee shall expressly agree to assume, in writing, the duties and obligations under this Agreement of the assigning or transferring Party. Upon the agreement of a Party to any such assignment or transfer, the assigning or transferring Party shall furnish or cause to be furnished to the other Party a true and correct copy of such assignment or transfer and assumption of duties and obligations.

### **ARTICLE XIV PAYMENTS**

#### **Section 14.1 Monthly Statements.**

(a) No later than the 10<sup>th</sup> day of each Month during the Delivery Period (excluding the first Month of the Delivery Period) and the first Month following the end of the Delivery Period, Purchaser shall deliver to Issuer a statement (a "Purchaser's Statement") listing any other amounts due to Purchaser in connection with this Agreement with respect to the prior Month(s).

(b) No later than the 15<sup>th</sup> day of each Month during the Delivery Period (excluding the first Month of the Delivery Period) and the first Month following the end of the Delivery Period (the "Billing Date"), Issuer shall deliver a statement (a "Billing Statement") to Purchaser indicating (i) the total amount due to Issuer for Energy delivered in the prior Month, (ii) any other amounts due to Issuer or Purchaser in connection with this Agreement with respect to the prior Month(s), and (iii) the net amount due to Issuer or Purchaser; provided that invoicing for Monthly Excess Quantities and Assigned Paygo Quantities shall occur under the Participant

Custodial Agreement. Additionally, if a Participant Monthly Statement (as defined in the Participant Custodial Agreement) for an Assigned PPA (as defined in the Participant Custodial Agreement) has not been delivered by the 10<sup>th</sup> day of the Month following deliveries, and absent any mutual agreement by the Parties (and mutual agreement of the parties under the Prepaid Agreement) to settle based upon preliminary meter data, Issuer shall provisionally prepare or cause to be prepared a Billing Statement for this Agreement that assumes all of the Monthly Projected Quantities were delivered under the applicable Assigned PPA for such Month, and any subsequent resettlements required with respect thereto shall occur under the Participant Custodial Agreement.

(c) Upon request by either Party, the other Party shall deliver such supporting documentation of the foregoing as such requesting Party may reasonably request.

#### Section 14.2 Payment.

(a) If the Billing Statement indicates an amount due from Purchaser, then Purchaser shall remit such amount to the Trustee for the benefit of the Issuer by wire transfer (pursuant to the Trustee's instructions for amounts due under this Agreement, provided that amounts due from Purchaser with respect to Monthly Excess Quantities and Assigned Paygo Quantities, as applicable, shall be paid pursuant to the terms of the Participant Custodial Agreement), in immediately available funds, on or before the later of (i) the 22<sup>nd</sup> day of the Month following the most recent Month to which such Billing Statement relates, or (ii) the 7<sup>th</sup> day following Purchaser's receipt of Issuer's Billing Statement, or if either such day is not a Business Day, the preceding Business Day. If the Billing Statement indicates an amount due from Issuer, then Issuer shall remit such amount to Purchaser by wire transfer (pursuant to Purchaser's instructions), in immediately available funds, on or before the later of (i) the 25<sup>th</sup> day of the Month following the most recent Month to which such Billing Statement relates, or (ii) the 10<sup>th</sup> day following Purchaser's receipt of Issuer's Billing Statement, or if either such day is not a Business Day, the following Business Day.

(b) If Purchaser fails to issue a Purchaser's Statement with respect to any Month, Issuer shall not be required to estimate any amounts due to Purchaser for such Month, provided that Purchaser may include any such amount on subsequent Purchaser's Statements issued within the next sixty (60) days. The sixty (60) day deadline in this subsection (b) replaces the two (2) year deadline in Section 14.5(b) with respect to any claim by any non-delivering Party of inaccuracy in any estimated invoice issued or payment made pursuant to this subsection (b).

#### Section 14.3 Payment of Disputed Amounts; Correction of Index Price.

(a) If Purchaser disputes any amounts included in the Issuer's Billing Statement, Purchaser shall (except in the case of manifest error) nonetheless pay any amount required by the Billing Statement in accordance with Section 14.2 without regard to any right of set-off, counterclaim, recoupment or other defenses to payment that Purchaser may have; *provided*, however, that Purchaser shall have the right, after payment, to dispute any amounts included in a Billing Statement or otherwise used to calculate payments due under this Agreement pursuant to Section 14.5. If Issuer disputes any amounts included in the Purchaser's Statement, Issuer may withhold payment to the extent of the disputed amount; *provided*, however, that interest shall be due at the Default Rate for any withheld amount later found to have been properly due.

(b) If a value published for any rate or index used or to be used in this Agreement is subsequently corrected and the correction is published or announced by the Person responsible for that publication or announcement within 30 days after the original publication or announcement, either Party may notify the other Party of (i) that correction and (ii) the amount (if any) that is payable as a result of that correction. If, not later than 30 days after publication or announcement of that correction, a Party gives notice that an amount is so payable, the Party that originally either received or retained such amount shall, not later than three Business Days after the effectiveness of that notice, pay, subject to any other applicable provisions of this Agreement, to the other Party that amount.

Section 14.4 Late Payment. If either Party fails to remit the full amount payable within one Business Day of when due, interest on the unpaid portion shall accrue from the date due until the date of payment at the Default Rate.

Section 14.5 Audit; Adjustments.

(a) A Party shall have the right, at its own expense, upon reasonable notice to the other Party and at reasonable times, to examine and audit and to obtain copies of the relevant portion of the books, records, and telephone recordings of the other Party to the extent reasonably necessary, but only to such extent, to verify the accuracy of any statement, charge, payment, or computation made under this Agreement. This right to examine, audit, and obtain copies shall not be available with respect to proprietary information not directly relevant to transactions under this Agreement.

(b) Each Purchaser's Statement and each Billing Statement shall be conclusively presumed final and accurate and all associated claims for under- or overpayments shall be deemed waived unless such Purchaser's Statement or Billing Statement is objected to in writing, with adequate explanation and/or documentation, within two (2) years after the applicable Month of Energy delivery.

(c) All retroactive adjustments shall be paid in full by the Party owing payment within thirty (30) days of notice and substantiation of such inaccuracy. If the Parties are unable to agree upon any retroactive adjustments requested by either Party within the time period specified in Section 14.5(b), then either Party may pursue any remedies available with respect to such adjustments at law or in equity. Retroactive adjustments for payments made based on an incorrect Billing Statement shall bear interest at the Default Rate from the date such payment was made.

Section 14.6 Netting; No Set-Off. The Parties shall net all amounts due and owing, including any past due amounts (which, for the avoidance of doubt, shall include any accrued interest), arising under this Agreement such that the Party owing the greater amount shall make a single payment of the net amount to the other Party in accordance with this Article XIV. Notwithstanding the foregoing, payment for all amounts set forth in a Billing Statement provided to Purchaser shall be made without set-off or counterclaim of any kind.

Section 14.7 Source of Purchaser's Payments. Purchaser covenants and agrees to make payments due hereunder from CCA Revenues, and only such CCA Revenues, as an operating expense of its CCA Program and Purchaser shall not be required to advance any money derived

from any source of income other than the CCA Revenues for the payment of any amounts due hereunder or for the performance of any agreements or covenants required to be performed by it hereunder; *provided*, however, that Purchaser may apply any legally available monies to the payment of amounts due hereunder. Notwithstanding anything to the contrary herein, all obligations of Purchaser under this Agreement, including without limitation all obligations to make payments of any kind whatsoever, are special, limited obligations of Purchaser, payable solely from CCA Revenues and do not constitute a debt of Purchaser or the State of California or of any political subdivision thereof within the meaning of any constitutional or statutory debt limitation or restriction, and do not constitute obligations for which Purchaser is obligated to levy or pledge any form of taxation or for which Purchaser has levied or pledged any form of taxation.

Section 14.8 Rate Covenant. Purchaser hereby covenants and agrees that it will establish, fix, and prescribe rates, fees, and charges for its CCA Program in each fiscal year of the Purchaser that are reasonably estimated to yield CCA Revenues for such fiscal year of the Purchaser sufficient to enable Purchaser to pay all amounts legally payable from CCA Revenues in such fiscal year of the Purchaser. Purchaser may make adjustments from time to time in such rates, fees, and charges and may make such classifications thereof as it deems necessary but shall not reduce the rates, fees, and charges then in effect unless the CCA Revenues from such reduced rates, fees, and charges will at all times be sufficient to meet the requirements of this Section 14.8. Notwithstanding anything herein to the contrary, Purchaser shall not be obligated to make any payments hereunder except from CCA Revenues.

Section 14.9 Pledge of CCA Revenues. Purchaser shall not grant any lien on or security interest in, or otherwise pledge or encumber, the CCA Revenues if the terms or effect of such lien, pledge or other encumbrance results in such lien, pledge or other encumbrance having priority over the obligations of Purchaser to pay the Contract Price, which obligations constitute operating expenses of Purchaser's CCA Program.

Section 14.10 Financial Responsibility. In the event the Issuer receives notice from MSES pursuant to Section 2.12 of the Receivables Purchase Provisions that it requires adequate assurance of performance from the Issuer, Issuer shall provide notice thereof to Purchaser and Purchaser shall (a) notify the Issuer of its agreement to provide such adequate assurance within 48 Hours but at least one Business Day of Purchaser's receipt of such notice and (b) provide such adequate assurance to Issuer within 72 Hours but at least two Business Days of Purchaser's receipt of such notice. Adequate assurance shall mean sufficient security in the form and for a term reasonably specified by MSES pursuant to Section 2.12 of the Receivables Purchase Provisions, including but not limited to a standby irrevocable letter of credit, a prepayment, a deposit to an escrow account, or a performance bond or guaranty by a creditworthy entity. In the event Issuer is entitled to demand adequate assurance of performance under this Section 14.10, Issuer may demand a prepayment by Purchaser of an amount equal to (i) the amount owed by Purchaser with respect to all Energy delivered by Issuer to Purchaser as of the date of the demand for adequate assurance of performance, plus (ii) the amount, as determined and adjusted from time to time by Issuer (with the input of MSES pursuant to the Receivables Purchase Provisions (as defined in the Bond Indenture)) in a Commercially Reasonable manner, expected to be owed by Purchaser with respect to the Energy to be delivered by Issuer to Purchaser during the remainder of the then-current Month and the following Month. The Parties agree that in the event Purchaser fails to provide such adequate assurance as demanded, Issuer shall have the right to suspend its

performance under this Agreement, including the making of deliveries of Energy to Purchaser, immediately upon written notice and shall not be obligated to restore such performance until the later of (A) the first day of the Month after such demand has been satisfied, and (B) the completion of the term of deliveries to any replacement sales customer to which MSES has remarketed the Energy on behalf of Issuer.

## **ARTICLE XV [RESERVED]**

## **ARTICLE XVI NOTICES**

Any notice, demand, or request required or authorized by this Agreement to be given by one Party to the other Party (or to a third party) shall be in writing and shall either be sent by electronic means, courier, or personally delivered (including overnight delivery service) to each of the notice recipients and addresses specified in Exhibit B for the receiving Party. Any such notice, demand, or request shall be deemed to be given (i) on the date it is delivered by electronic means or (ii) when actually received if delivered by courier or personal delivery (including overnight delivery service). Each Party shall have the right, upon 10 days' prior written notice to the other Party, to change its list of notice recipients and addresses in Exhibit B. The Parties may mutually agree in writing at any time to deliver notices, demands or requests through alternate or additional methods. Notwithstanding the foregoing, a Party may at any time notify the other Party that any notice, demand, statement or request to it must be provided by email transmission for a specified period of time or until further notice, and any communications delivered by means other than email transmission during the specified period of time shall be ineffective.

## **ARTICLE XVII DEFAULT; REMEDIES; TERMINATION**

Section 17.1 Issuer Default. Each of the following events shall constitute an "Issuer Default" under this Agreement:

- (a) any representation or warranty made by Issuer in this Agreement proves to have been incorrect in any material respect when made; or
- (b) Issuer fails to perform, observe or comply with any covenant, agreement or term contained in this Agreement, and such failure continues for more than thirty (30) days following the earlier of (i) receipt by Issuer of notice thereof or (ii) an officer of Issuer obtaining actual knowledge of such default.

Section 17.2 Purchaser Default. Each of the following events shall constitute a "Purchaser Default" under this Agreement:

- (a) Purchaser fails to pay when due any amounts owed to Issuer pursuant to this Agreement and such failure continues for one (1) Business Day following the earlier of (i) receipt by Purchaser of notice thereof or (ii) an officer of Purchaser becoming aware of such default;

(b) Purchaser (i) is dissolved (other than pursuant to a consolidation, amalgamation or merger); (ii) becomes insolvent or is unable to pay its debts or fails or admits in writing its inability generally to pay its debts as they become due; (iii) makes a general assignment, arrangement or composition with or for the benefit of its creditors; (iv) institutes or has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency Law or other similar Law affecting creditors' rights, or a petition is presented for its winding-up or liquidation, and, in the case of any such proceeding or petition instituted or presented against it, such proceeding or petition (A) results in a judgment of insolvency or bankruptcy or the entry of an order for relief or the making of an order for its winding-up or liquidation or (B) is not dismissed, discharged, stayed or restrained, in each case within thirty (30) days of the institution or presentation thereof; (v) has a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger); (vi) seeks or becomes subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all of its assets; (vii) has a secured party take possession of all or substantially all of its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all its of assets and such secured party maintains possession, or any such process is not dismissed, discharged, stayed or restrained, in each case within thirty (30) days thereafter; (viii) causes or is subject to any event with respect to it which, under the applicable Laws of any jurisdiction, has an analogous effect to any of the events specified in clauses (i) through (vii); or (ix) takes any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the foregoing acts;

(c) any representation or warranty made by Purchaser in this Agreement proves to have been incorrect in any material respect when made; or

(d) Purchaser fails to perform, observe or comply with any covenant, agreement or term contained in this Agreement, and such failure continues for more than fifteen (15) days following the earlier of (i) receipt by Purchaser of notice thereof or (ii) an officer of Purchaser becoming aware of such default.

### Section 17.3 Remedies Upon Default.

(a) Termination. If at any time an Issuer Default or a Purchaser Default has occurred and is continuing, then the non-defaulting Party may do any or all of the following (i) by notice to the defaulting Party specifying the relevant Issuer Default or Purchaser Default, as applicable, terminate this Agreement effective as of a day not earlier than the day such notice is deemed given under Article XVI and/or (ii) declare all amounts due to the non-defaulting Party under this Agreement or any part thereof immediately due and payable, and the same shall thereupon become immediately due and payable, without notice, demand, presentment, notice of dishonor, notice of intent to demand, protest or other formalities of any kind, all of which are hereby expressly waived by the defaulting Party; *provided*, however, this Agreement shall automatically terminate and all amounts due to the non-defaulting Party hereunder shall immediately become due and payable as of the time immediately preceding the institution of the relevant proceeding or the presentation of the relevant petition that upon the occurrence of a Purchaser Default specified in Section 17.2(b)(iv) or, to the extent analogous thereto, Section 17.2(b)(viii). In addition, during the existence of an Issuer Default or a Purchaser Default, as

applicable, the non-defaulting Party may exercise all other rights and remedies available to it at Law or in equity, including without limitation mandamus, injunction and action for specific performance, to enforce any covenant, agreement or term of this Agreement.

(b) Additional Remedies. In addition to the remedies set forth in Section 17.3(a) (and without limiting any other provisions of this Agreement), during the existence of any Purchaser Default, Issuer may suspend its performance hereunder and discontinue the supply of all or any portion of the Energy otherwise to be delivered to Purchaser by it under this Agreement. If Issuer exercises its right to suspend performance under this Section 17.3(b), Purchaser shall remain fully liable for payment of all amounts in default and shall not be relieved of any of its payment obligations under this Agreement. Deliveries of Energy may only be reinstated, at a time to be determined by Issuer, upon (i) payment in full by Purchaser of all amounts then due and payable under this Agreement and (ii) payment in advance by Purchaser at the beginning of each Month of amounts estimated by Issuer to be due to Issuer for the future delivery of Energy under this Agreement for such Month. Issuer may continue to require payment in advance from Purchaser after the reinstatement of Issuer's supply services under this Agreement for such period of time as Issuer in its sole discretion may determine is appropriate. In addition, and without limiting any other provisions of or remedies available under this Agreement, if Purchaser fails to accept from Issuer any Energy tendered for delivery under this Agreement, Issuer shall have the right to sell such Energy to third parties on any terms that Issuer, in its sole discretion, determines are appropriate.

(c) Effect of Early Termination. As of the effectiveness of any termination date in accordance with clause (i) of Section 17.3(a), (i) the Delivery Period shall end, (ii) the obligation of Issuer to make any further deliveries of Energy to Purchaser under this Agreement shall terminate, and (iii) the obligation of Purchaser to receive deliveries of Energy from Issuer under this Agreement will terminate. Neither this Agreement nor the Delivery Period may be terminated for any reason except as specified in this Article XVII. Without prejudice to any payment obligation in respect of periods prior to termination, no payments will be due from either Party in respect of periods occurring after the effective termination date of this Agreement.

Section 17.4 Termination of Prepaid Agreement. Purchaser acknowledges and agrees that (i) in the event the Prepaid Agreement terminates for any reason prior to the end of the Delivery Period, this Agreement shall terminate on the effective date of early termination of the Prepaid Agreement (which date shall be the last date upon which deliveries are required thereunder, subject to all winding up arrangements) and (ii) Issuer's obligation to deliver Energy under this Agreement shall terminate upon the termination of deliveries of Energy to Issuer under the Prepaid Agreement. Issuer shall provide notice to Purchaser of any early termination date of the Prepaid Agreement. The Parties recognize and agree that, in the event that the Prepaid Agreement terminates because of a Failed Remarketing (as defined in the Bond Indenture) of the Bonds that occurs in the first Month of a Reset Period, Issuer shall deliver Energy under this Agreement for the remainder of such first Month, and, notwithstanding anything in this Agreement to the contrary, no Monthly Discount or Annual Refunds shall be associated with such deliveries and the Contract Price shall be adjusted accordingly.

Section 17.5 Limitation on Damages. THE PARTIES CONFIRM THAT THE EXPRESS REMEDIES AND MEASURES OF DAMAGES PROVIDED IN THIS

AGREEMENT SATISFY THE ESSENTIAL PURPOSES HEREOF. FOR BREACH OF ANY PROVISION FOR WHICH AN EXPRESS REMEDY OR MEASURE OF DAMAGES IS HEREIN PROVIDED, SUCH EXPRESS REMEDY OR MEASURE OF DAMAGES SHALL BE THE SOLE AND EXCLUSIVE REMEDY, THE OBLIGOR'S LIABILITY SHALL BE LIMITED AS SET FORTH IN SUCH PROVISION, AND ALL OTHER REMEDIES OR DAMAGES AT LAW OR IN EQUITY ARE WAIVED. NEITHER PARTY SHALL BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY, OR INDIRECT DAMAGES, LOST PROFITS OR OTHER BUSINESS INTERRUPTION DAMAGES, BY STATUTE, IN TORT OR CONTRACT, UNDER ANY INDEMNITY PROVISION, OR OTHERWISE. IT IS THE INTENT OF THE PARTIES THAT THE LIMITATIONS HEREIN IMPOSED ON REMEDIES AND THE MEASURE OF DAMAGES BE WITHOUT REGARD TO THE CAUSE OR CAUSES RELATED THERETO, INCLUDING WITHOUT LIMITATION THE NEGLIGENCE OF EITHER PARTY, WHETHER SUCH NEGLIGENCE BE SOLE, JOINT OR CONCURRENT, OR ACTIVE OR PASSIVE. TO THE EXTENT ANY DAMAGES REQUIRED TO BE PAID UNDER THIS AGREEMENT ARE LIQUIDATED, THE PARTIES ACKNOWLEDGE THAT THE DAMAGES ARE DIFFICULT OR IMPOSSIBLE TO DETERMINE, OTHERWISE OBTAINING AN ADEQUATE REMEDY IS INCONVENIENT, AND THE LIQUIDATED DAMAGES CONSTITUTE A REASONABLE APPROXIMATION OF THE HARM OR LOSS. IN DETERMINING THE APPROPRIATE MEASURE OF DAMAGES THAT WOULD MAKE THE PARTIES WHOLE, THE PARTIES HAVE THOROUGHLY CONSIDERED, INTER ALIA, THE UNCERTAINTY OF FLUCTUATIONS IN COMMODITY PRICES, THE ABILITY AND INTENTION OF THE PARTIES TO HEDGE SUCH FLUCTUATIONS, THE BARGAINED-FOR ALLOCATION OF RISK, THE KNOWLEDGE, SOPHISTICATION AND EQUAL BARGAINING POWER OF THE PARTIES, THE ARMS-LENGTH NATURE OF THE NEGOTIATIONS, THE SPECIAL CIRCUMSTANCES OF THIS TRANSACTION, THE ACCOUNTING AND TAX TREATMENT OF THE TRANSACTION BY THE PARTIES, AND THE ENTERING INTO OF OTHER TRANSACTIONS IN RELIANCE ON THE ENFORCEABILITY OF THE LIQUIDATED DAMAGES PROVISIONS CONTAINED HEREIN.

## **ARTICLE XVIII MISCELLANEOUS**

Section 18.1 Indemnification Procedure. With respect to each indemnification included in this Agreement, the indemnity is given to the fullest extent permitted by applicable Law and the following provisions shall be applicable. The indemnified Party shall promptly notify the indemnifying Party in writing of any Claim and the indemnifying Party shall have the right to assume its investigation and defense, including employment of counsel, and shall be obligated to pay related court costs, attorneys' fees and experts' fees and to post any appeals bonds; *provided*, however, that the indemnified Party shall have the right to employ at its expense separate counsel and participate in the defense of any Claim. The indemnifying Party shall not be liable for any settlement of a Claim without its express written consent thereto. In order to prevent double recovery, the indemnified Party shall reimburse the indemnifying Party for payments or costs incurred in respect of an indemnity with the proceeds of any judgment, insurance, bond, surety or other recovery made by the indemnified Party with respect to a covered event.

Section 18.2 Deliveries. Contemporaneously with this Agreement (unless otherwise specified): Each Party shall deliver to the other Party evidence reasonably satisfactory to it of (i) such Party's authority to execute, deliver and perform its obligations under this Agreement and (ii) the appropriate individuals who are authorized to sign this Agreement on behalf of such Party;

(a) on the Bond Closing Date, Purchaser shall deliver to Issuer a fully executed Federal Tax Certificate in the form attached hereto as Exhibit D;

(b) on the Bond Closing Date, Purchaser shall deliver to Issuer an opinion of counsel to Purchaser in the form attached hereto as Exhibit E;

(c) on the Bond Closing Date, Purchaser shall deliver to Issuer a Closing Certificate in substantially the form set forth hereto as Exhibit G.

Section 18.3 Entirety; Amendments. This Agreement, including the exhibits and attachments hereto, constitutes the entire agreement between the Parties and supersedes all prior discussions and agreements between the Parties with respect to the subject matter hereof. There are no prior or contemporaneous agreements or representations affecting the same subject matter other than those expressed herein. Except for any matters that, in accordance with the express provisions of this Agreement, may be resolved by oral agreement between the Parties, no amendment, modification, supplement or change hereto shall be enforceable unless reduced to writing and executed by both Parties.

Section 18.4 Governing Law. THIS AGREEMENT AND THE RIGHTS AND DUTIES OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED, ENFORCED AND PERFORMED IN ACCORDANCE WITH THE LAWS OF THE STATE OF CALIFORNIA, WITHOUT REGARD TO ANY CONFLICTS OF LAW PRINCIPLE THAT WOULD DIRECT THE APPLICATION OF ANOTHER JURISDICTION'S LAW.

Section 18.5 Non-Waiver. No waiver of any breach of any of the terms of this Agreement shall be effective unless such waiver is in writing and signed by the Party against whom such waiver is claimed. No waiver of any breach shall be deemed a waiver of any other subsequent breach.

Section 18.6 Severability. If any provision of this Agreement, or the application thereof, shall for any reason be invalid or unenforceable, then to the extent of such invalidity or unenforceability, the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected thereby, but rather shall be enforced to the maximum extent permissible under applicable Law, so long as the economic and legal substance of the transactions contemplated hereby is not affected in any materially adverse manner as to either Party.

Section 18.7 Exhibits. Any and all Exhibits referenced in this Agreement are hereby incorporated herein by reference and shall be deemed to be an integral part hereof.

Section 18.8 Winding Up Arrangements. All indemnity and confidentiality obligations, audit rights, and other provisions specifically providing for survival shall survive the expiration or termination of this Agreement. The expiration or termination of this Agreement shall not relieve either Party of (a) any unfulfilled obligation or undischarged liability of such Party on the date of such termination or (b) the consequences of any breach or default of any warranty or covenant contained in this Agreement. All obligations and liabilities described in the preceding sentence of this Section 18.8, and applicable provisions of this Agreement creating or relating to such obligations and liabilities, shall survive such expiration or termination.

Section 18.9 Relationships of Parties. The Parties shall not be deemed to be in a relationship of partners or joint venturers by virtue of this Agreement, nor shall either Party be an agent, representative, trustee or fiduciary of the other. Neither Party shall have any authority to bind the other to any agreement. This Agreement is intended to secure and provide for the services of each Party as an independent contractor.

Section 18.10 Immunity. Each Party represents and covenants to and agrees with the other Party that it is not entitled to and shall not assert the defense of sovereign immunity or governmental immunity with respect to its obligations or any Claims under this Agreement, and each hereby waives any such defense of sovereign or governmental immunity to the full extent permitted by Law.

Section 18.11 Rates and Indices. If the source of any publication used to determine the index or other price used in the Contract Price should cease to publish the relevant prices or should cease to be published entirely, an alternative index or other price will be used based on the determinations made by Issuer and MSES under Section 18.11 of the Prepaid Agreement. Issuer shall provide Purchaser the opportunity to provide its recommendations and other input to Issuer for Issuer's use in the process for selecting such alternative index or other price under Section 18.11 of the Prepaid Agreement.

Section 18.12 Limitation of Liability. Notwithstanding anything to the contrary herein, all obligations of Issuer under this Agreement, including without limitation all obligations to make payments of any kind whatsoever, are special, limited obligations of Issuer, payable solely from the Trust Estate (as such term is defined in the Bond Indenture) as and to the extent provided in the Bond Indenture, including with respect to Operating Expenses (as such term is defined in the Bond Indenture). Issuer shall not be required to advance any moneys derived from any source other than the Revenues (as such term is defined in the Bond Indenture) and other assets pledged under the Bond Indenture for any of the purposes in this Agreement mentioned. Neither the faith and credit of Issuer nor the taxing power of the State of California or any political subdivision thereof is pledged to payments pursuant to this Agreement. Issuer shall not be directly, indirectly, contingently or otherwise liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reasons of or in connection with this Agreement, except solely to the extent Revenues (as such term is defined in the Bond Indenture) are received for the payment thereof and may be applied therefor pursuant to the terms of the Bond Indenture.

Section 18.13 Counterparts. This Agreement may be executed and acknowledged in multiple counterparts and by the Parties in separate counterparts, each of which shall be an original and all of which shall be and constitute one and the same instrument.

Section 18.14 Third Party Beneficiaries; Rights of Trustee. Purchaser acknowledges and agrees that (a) Issuer will pledge and assign its rights, title and interest in this Agreement and the amounts payable by Purchaser under this Agreement to secure Issuer's obligations under the Bond Indenture, (b) the Trustee shall be a third-party beneficiary of this Agreement with the right to enforce Purchaser's obligations under this Agreement, (c) the Trustee or any receiver appointed under the Bond Indenture shall have the right to perform all obligations of Issuer under this Agreement, and (d) in the event of any Purchaser Defaults under Section 17.2(a), (i) MSES may, to the extent provided for in, and in accordance with, the Receivables Purchase Provisions (as defined in the Bond Indenture), take assignment from Issuer of receivables owed by Purchaser to Issuer under this Agreement, and shall thereafter have all rights of collection with respect to such receivables, and (ii) if such receivables are not so assigned, the Commodity Swap Counterparty (as defined in the Bond Indenture) shall have the right to pursue collection of such receivables to the extent of any non-payment by Issuer to the Commodity Swap Counterparty that was caused by Purchaser's payment default. Pursuant to the terms of the Bond Indenture, Issuer has irrevocably appointed the Trustee as its agent to issue notices and as directed under the Bond Indenture, to take any other actions that Issuer is required or permitted to take under this Agreement. Purchaser may rely on notices or other actions taken by Issuer or the Trustee and Purchaser has the right to exclusively rely on any notices delivered by the Trustee, regardless of any conflicting notices that it may receive from Issuer.

Section 18.15 Waiver of Defenses. Purchaser waives all rights to set-off, counterclaim, recoupment and any other defenses that might otherwise be available to Purchaser with regard to Purchaser's obligations pursuant to the terms of this Agreement.

IN WITNESS WHEREOF, the Parties have caused this Power Supply Contract to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first above written.

**FORM OF FEDERAL TAX CERTIFICATE<sup>2</sup>**

This Federal Tax Certificate is executed in connection with the Power Supply Contract dated as of [\_\_\_], 2024 (the “Supply Contract”), by and between California Community Choice Financing Authority (“Issuer”) and the City of San José (“Purchaser”). Capitalized terms used and not otherwise defined herein shall have the meanings given to them in the Supply Contract or in the Bond Indenture.

WHEREAS Purchaser acknowledges that Issuer is issuing the Bonds to fund the prepayment price under the Prepaid Agreement; and

WHEREAS the Bonds are intended to qualify for tax exemption under Section 103 of the Internal Revenue Code of 1986, as amended; and

WHEREAS Purchaser’s use of Energy acquired pursuant to the Supply Contract and certain funds and accounts of Purchaser will affect the Bonds’ qualification for such tax exemption.

NOW, THEREFORE, PURCHASER HEREBY CERTIFIES AS FOLLOWS:

1. Purchaser is a municipal corporation organized and existing under and by virtue of its charter and the Constitution of the State of California and a community choice aggregator pursuant to the provisions of Section 366.2 of the California Public Utilities Code with authority to sell electricity to retail electric consumers within its service area. As a community choice aggregator, the Purchaser is a load-serving entity providing electricity to customers within the Purchaser’s service area that have elected to participate in Purchaser’s community choice aggregation program. For purposes of this Certificate, the term “service area” of the Purchaser means the boundaries of the Purchaser’s community choice aggregation program, as well as any other area recognized as the service area of the Purchaser under state or federal law.
2. Purchaser will resell all of the Energy acquired pursuant to the Supply Contract to its retail Energy customers within its service area, with retail sales in all cases being made pursuant to regularly established and generally applicable tariffs or under authorized requirements contracts.
3. From [\_\_\_, \_\_] to [\_\_\_, 202\_] the annual average amount of Energy purchased (other than for resale) by customers of Purchaser who are located within the service area of Purchaser is [\_\_\_\_\_] MWh. Over the term of the Supply Contract, the Purchaser expects the annual average amount of Energy purchased (other than for resale) by customers of the Purchaser who are located within the service area of the Purchaser to be at least [\_\_\_\_\_] MWh. The maximum annual amount of Energy in any year being acquired pursuant to the Supply Contract is [\_\_\_\_\_] MWh. The annual average amount of Energy which Purchaser otherwise has a right to acquire as of the Closing Date (including rights to capacity to generate electricity, whether owned, leased or otherwise contracted for) is [\_\_\_\_\_] MWh. The sum of (a) the maximum amount of Energy in any year being acquired pursuant to the Supply Contract, and (b) the amount of Energy that

<sup>2</sup> NTD: Form subject to review by City.

Purchaser otherwise has a right to acquire (including rights to capacity to generate electricity, whether owned, leased or otherwise contracted for) in the year described in the foregoing clause (a), is [ ] MWh. Accordingly, the amount of Energy to be acquired under the Supply Contract by Purchaser, supplemented by the amount of Energy otherwise available to Purchaser as of the Closing Date, during any year does not exceed [ ]% of the expected annual average amount of Energy to be purchased (other than for resale) by customers of Purchaser who are located within the service area of Purchaser.

4. In the event of the expiration or termination of an EPS Energy Period, Purchaser agrees to comply with its obligations under the Assignment Letter Agreement, including but not limited to its obligations to (a) exercise Commercially Reasonable Efforts to assign a portion of Purchaser's rights and obligations under a power purchase agreement under which Purchaser is purchasing EPS Compliant Energy to MSCG or MSES pursuant to an Assignment Agreement and (b) cooperate in good faith with Issuer, MSCG and MSES with respect to any proposed assignments.

5. Purchaser expects to pay for Energy acquired pursuant to the Supply Contract solely from funds derived from its operations as a community choice aggregator. Purchaser expects to use current CCA Revenues of its CCA Program to pay for current Energy acquisitions. Neither the Purchaser nor any person who is a related party to the Purchaser will hold any funds or accounts in which monies are set aside and invested and which are reasonably expected to be used to pay for Energy more than one year after such monies are set aside. No portion of the proceeds of the Bonds will be used directly or indirectly to replace funds of Purchaser or any persons who are related Persons to Purchaser that are or were intended to be used for the purpose for which the Bonds were issued.

The Power Supply Contract, the Custodial Agreement, the Letter Agreement, the Limited Assignment Agreement, and the Project Administration Agreement are referred to in this opinion as the “Legal Documents.” Capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Bond Purchase Contract.

We have assumed the-genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by any parties other than the City. We have not undertaken to verify independently, and have assumed the accuracy of the factual matters represented, warranted or certified in the documents.

Based on the foregoing, in our opinion, under existing law:

1. The City is a charter city duly organized and existing under its charter and the laws of the State of California.
2. The Resolution was duly adopted at a meeting of the City Council of the City that was called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting throughout.
3. The Legal Documents have been duly authorized, executed and delivered by the City and, assuming due authorization, execution and delivery by the other parties thereto, the Legal Documents constitute legal, valid and binding agreements of the City enforceable in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other laws affecting the enforcement of creditors’ rights in general and to the application of equitable principles, whether or not equitable remedies are sought, and to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against public entities in the State, including the City.

4. The execution and delivery of the Legal Documents by the City and compliance by the City with the provisions thereof, under the circumstances contemplated thereby, do not and will not in any material respect conflict with or constitute on the part of the City a breach or default under (a) any agreement or other instrument to which the City is a party (and of which the undersigned is aware after reasonable investigation) or by which it is bound (and of which the undersigned is aware after reasonable investigation), which conflict, breach or default would have a materially adverse effect on the transactions contemplated by, or on the City's liabilities and obligations under, the Legal Documents (b) any existing law or regulation to which the City is subject, which conflict, breach or default would have a materially adverse effect on the transactions contemplated by, or on the City's liabilities and obligations under, the Legal Documents, or (c) any court order or consent decree to which the City is subject (and of which the undersigned is aware after reasonable investigation), which conflict, breach or default would have a materially adverse effect on the transactions contemplated by, or on the City's liabilities and obligations under, the Legal Documents.
5. No authorization, approval, consent, or other order of the State or any other governmental authority or agency within the State having jurisdiction over the City and that has not been obtained is required for the valid authorization, execution, delivery and performance by the City of the Legal Documents.
6. To the knowledge of the undersigned, after reasonable investigation, the statements contained in the Preliminary Official Statement and the Official Statement under the captions "INTRODUCTION – City of San José and San José Clean Energy" and "COMMUNITY CHOICE AGGREGATORS," in the second paragraph under the caption "LITIGATION" and in "APPENDIX A – THE PROJECT PARTICIPANT" thereto, are true and correct in all material respects.
7. Based on a review of the roster of litigation and claims maintained by the Office of the City Attorney, there is no action, suit, proceeding or investigation at law or in equity before or by any court, public board or body, that has been served on the City and that is now pending, or threatened in writing against the City, affecting the existence of the City or the titles of its officers to their respective offices, seeking to prohibit, restrain or enjoin the execution and delivery of the Legal Documents, contesting or affecting the validity or enforceability of the Legal Documents, or contesting the completeness or accuracy of the Preliminary Official Statement or the Official Statement.

The opinions set forth above are subject to the following qualifications and limitations:

1. The enforceability of the City's obligations under the Legal Documents and the Resolution may be subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) and public

policy, to the exercise of judicial discretion in appropriate cases and to the limitations on remedies against public entities in the State, including the City.

2. No opinion is rendered with respect to state blue sky laws; federal or state securities laws; or federal or state tax laws. Further, no opinion is rendered with respect to indemnification provisions, waiver of jury trial provisions or choice of law provisions.
3. I am a member of the Bar of the State of California and accordingly do not purport to be an expert on, or to be qualified to express any opinion herein concerning, nor do I express any opinion herein concerning any law other than the federal laws of the United States of America and the laws of California, excluding however, federal and state securities laws; state blue sky laws; and federal and state tax laws.
