HONORABLE MAYOR and CITY COUNCIL

**INVESTMENT REPORT FOR THE QUARTER ENDED MARCH 31, 2024**

The report presents information in the following major categories: Portfolio Statistics, Portfolio Performance, Compliance Reporting Requirements, Investment Trading Activity, and Investment Strategy.

The information presented in the table below highlights the investment activity for the quarter ended March 31, 2024, and provides a comparison to the quarters ended December 31, 2023, and March 31, 2023.

<sup>2</sup> Total excludes bond proceeds held by trustees for the City of San José (\$336,295,433).

## **PORTFOLIO STATISTICS**

Detailed information can be found in the attachments while summaries are provided below.

### **Portfolio Composition**

Within this section are snapshots of the City's total investment portfolio as of March 31, 2024.

The first graph shows the portfolio composition by investment type.

The graph below reflects the reconciliation of total balances reported by the investment program's record-keeping system to the City's Financial Management System (FMS).

Portfolio Balance	\$2,625,523,109
General Banking Balance	4,943,781
Deposit-in-Transit, Outstanding Checks <sup>2</sup>	<u>58,409,468</u>
Total Balances per FMS	\$2,688,876,358

<sup>1</sup> General Fund includes \$528,642,316 of General Fund (Fund 001) as well as \$69,356,180 of other General Fund funds which are separately tracked including the Depositor Fund, Developer Fees, and other smaller funds and reserves.

<sup>2</sup> Reflects timing difference between when deposits are made and accounted for in FMS or when checks are written and not yet cashed by the receiving party.

### **General Fund Balances**

The General Fund balances increased by \$140 million with the receipt of property tax in January and ended with a balance of \$598 million as of March 31, 2024. General Fund cash balances usually peak during the months of January and June, when the bulk of property taxes are received, and decline in the summer months due to retirement prefunding, debt service payments and operational expenditures.

The following graph compares monthly balances of the five largest City funds as reported by FMS.

### **Prefunding of Annual Retirement Contributions**

The City opted to prefund Police and Fire Retirement Plan Tier 1 annual employer retirement contributions along with Other Post-Employment Benefit (OPEB) contributions for Fiscal Year 2023-24 with cash and matured investments on July 3, 2023. The total prefunding amount was \$211 million.

### **Successor Agency to the Redevelopment Agency of the City of San José**

Historically, the Redevelopment Agency participated in the City investment pool with both restricted bond proceeds and operating cash balances. As of February 1, 2012, redevelopment agencies in California were dissolved by legislative action and the City, as the Successor Agency to the Redevelopment Agency (SARA), transferred the Redevelopment Agency funds from the investment pool to SARA bank accounts. In July 2018, the City entered the final stage of dissolution and absorbed the remaining SARA operations into City operations. City staff will continue to manage SARA's accounts until all assets are liquidated and bonds are redeemed.

As of March 31, 2024, SARA reported cash balances as outlined in the table below:

<b>SARA CASH SUMMARY</b>	
	<b><u>Pledged for Bond/Enforceable Obligations</u></b>
LAIF	\$551,443
Wells Fargo General Account:	\$122,271
Wilmington Trust Funds	<u>\$56,150,933</u> (A)
<b>TOTAL</b>	<u><u>\$56,824,647</u></u>
(A) Funds restricted for tax allocation bond debt service payments	

## **PORTFOLIO PERFORMANCE**

The following table illustrates the total portfolio income recognized for the last quarter as compared to the prior quarter and the same quarter one year ago.

<b>TOTAL PORTFOLIO INCOME RECOGNIZED</b>			
	<b>Accrual Basis</b>		
<b>Total Portfolio</b>	<b>March 31, 2024</b>	<b>December 31, 2023</b>	<b>March 31, 2023</b>
<b><u>Quarter-End</u></b>			
Total interest earnings	\$22,520,880	\$19,230,825	\$17,787,711
Realized gains (losses)	<u>\$75,372</u>	<u>\$78,024</u>	<u>\$93</u>
Total income recognized	<u>\$22,596,252</u>	<u>\$19,308,849</u>	<u>\$17,787,804</u>
<b><u>Fiscal Year-to-Date</u></b>			
Total interest earnings	\$61,425,998	\$38,905,118	\$42,335,137
Realized gains (losses)	<u>\$252,742</u>	<u>\$177,370</u>	<u>(\$17,688)<sup>1</sup></u>
Total income recognized	<u>\$61,678,740</u>	<u>\$39,082,488</u>	<u>\$42,317,449</u>

<sup>1</sup> Realized losses are attributed primarily to CUSIP 594918BH6 (Microsoft Corp 2.65% due 11/03/2022) for \$17,815.05, which was purchased at a premium price of 101.74% and called prior to maturity at par (100%). Security premiums are amortized to maturity. When a security is called prior to maturity, unamortized premium is recorded as realized loss.

### **Yield and Maturity Trend**

The following graph illustrates the monthly dollar-weighted average maturity (WAM) of the Portfolio (bar graph) along with the weighted average yield (line graph) for the past two years.

**Portfolio Yield and Maturity Trends**  
**March 2022 – March 2024**

The Portfolio’s WAM decreased from 682 days on December 31, 2023, to 563 days on March 31, 2024. The weighted average yield increased from 3.166% on December 31, 2023, to 3.491% on March 31, 2024.

The Federal Reserve elected to leave short-term interest rates unchanged at the first two Federal Open Market Committee (FOMC) meetings of 2024. Fed policymakers have yet to reach a level of confidence that inflation is cooling to its 2.00% target rate and believe it is too soon to start cutting interest rates. Market participants assess that the Fed may begin cutting rates in the latter half of 2024 as inflation has declined over the past year but remains above the 2.00% target level. The 10-year benchmark Treasury has increased from 3.88% on December 29 to 4.20% on March 28. Despite the rise in rates, \$84.5 million in investments were called prior to maturity. Staff made near-term investments to match anticipated cash outflows. New investments were purchased at the prevailing higher yields, compared with matured securities. As a result, the aggregate portfolio yield increased and the WAM decreased.

**Comparison with Benchmarks**

The City's Portfolio is compared against benchmarks for performance purposes. The following graph demonstrates a yield comparison by month of the City's Portfolio, the California LAIF, and the BAML Index for the period from March 2022 to March 2024.

**Portfolio vs. Benchmarks  
 March 2022 – March 2024**

**Notes:**

1. **City** refers to City's Portfolio, and the yield data are month-end weighted average yields.
2. **LAIF** refers to the State of California Local Agency Investment Fund and yield data are average monthly effective yields.
3. **BAML** refers to Bank of America Merrill Lynch 1-3 Year AAA-A US Corporate & Government Index, and yield data are rolling 2-year effective yields.

LAIF is a short-term investment option available to local agencies in California. LAIF's WAM was 226 days as of March 31, 2024, much shorter than the City's portfolio WAM of 563 days. A shorter portfolio such as LAIF is better positioned to benefit from rapidly rising interest rates in the shorter maturities.

The BAML Index is a broad market index that tracks dollar-denominated, investment-grade, bonds with a remaining maturity of up to three (3) years. To simulate an index portfolio for comparison purposes, Treasury staff calculates a 2-year rolling average of daily BAML Index effective yields. The City's Investment Policy allows investments, in several sectors, up to a 5-year final maturity. As of March 31, 2024, approximately 24% of the City's portfolio held securities were purchased prior to December 2021 when interest rates were lower. As interest rates have increased since 2023, especially in the short-term maturities (under 2 years), the BAML Index surpassed the City portfolio in performance and widened the spread.

### **Unrealized Losses and Gains**

As shown in the Investment Summary Table on page one of this report, the total portfolio size as of March 31, 2024, was approximately \$2.63 billion. The following table illustrates the net unrealized gains or losses on the portfolio when comparing the portfolio's market value to both its original cost and amortized cost for the quarter ending March 31, 2024.

<b>UNREALIZED GAINS &amp; LOSSES</b>			
<b>Cash Basis</b>			
	<b>Original Cost</b>	<b>Amortized Cost</b>	
<b>Market Value</b>	\$2,591,001,014	<b>Market Value</b>	\$2,591,001,014
<b>Original Cost</b>	<u>(2,625,523,109)</u>	<b>Amortized Cost</b>	<u>(2,640,286,203)</u>
<b>Net Unrealized Loss</b>	\$ (34,522,095)	<b>Net Unrealized Loss</b>	\$ (49,285,189)

An inverse relationship exists between changes in interest rates (Yield) and the value (Price) of fixed income investment securities. As interest rates decrease, the value of fixed income investments increases. Conversely, as interest rates increase, the value of fixed income investments decrease. The City's investment practice, per the Investment Policy, is generally to hold securities to maturity, with exceptions as noted in the Investment Policy. The net unrealized losses noted above are "paper losses" and would only be realized if securities were sold prior to maturity.

Given the inverse relationship between interest rates and value, this has led to unrealized losses of \$35 million (as compared with original cost) and \$49 million (as compared with amortized cost) as of March 31, 2024, respectively, as shown in the table above. As interest rates are expected to decline in late 2024, this may lead to a reversal of unrealized losses.

### **Earned Interest Yield**

The earned interest yield of the total investment portfolio for the quarter ended March 31, 2024, was 3.454%, 0.348% higher than the previous quarter and 0.809% higher than a year ago.

### **COMPLIANCE REPORTING REQUIREMENTS**

Pursuant to Section 21.0 of the City's Investment Policy, "No less than semi-annually each year, a compliance audit shall be conducted of the City's investment program to determine whether the City's investments within the City's pooled portfolio are in compliance with the City's Investment Policy, internal controls and department procedures." These compliance audits per the Investment Policy can be included in the City Auditor's work plan or can be conducted by an external auditor at the request of the Director of Finance. During the quarter, the City Auditor's Office engaged the services of Macias, Gini, & O'Connell LLP (MGO) to audit the City's investments within the pooled portfolio.

MGO completed its evaluation for the six-month period ended December 31, 2023, and found the City's investment program to be in compliance with the City's Investment Policy, internal controls and department procedures. The report noted no exceptions to the Investment Policy. A copy of the

Independent Accountant's Agreed-Upon Procedures Report is attached to this quarterly report (Section F).

**Cash Management Projection**

Based on the Finance Department's pooled cash flow projection as of March 31, 2024, total revenues, investment maturities and cash for the next six months are anticipated to be approximately \$2.3 billion. This is sufficient to cover projected expenditures of approximately \$2.2 billion.

**Statement of Compliance with the Policy**

There were no exceptions or violations outstanding for the quarter ended March 31, 2024. The investment portfolio meets the requirements of the City's Investment Policy and California Government Code Section 53601.

**Comparison of Portfolio Investment Earnings to FY 2023-24 Budget**

The following is a comparison of actual General Fund investment earnings, on an accrual basis, to the Fiscal Year 2023-24 Budget. The Fiscal Year 2023-24 Budget included \$10.5 million for interest earnings for the General Fund, based on an assumed net interest yield of 2.75%. The schedule below compares the unaudited actual net investment earnings to the General Fund budget for the quarter ended March 31, 2024. The actual interest earning rates are greater than the forecast for the quarter and for the fiscal year.

<b>BUDGET COMPARISON</b>	
<b><u>Net Investment Earnings</u></b>	<b><u>Yield</u></b>
<b><i>Quarter Ended</i></b>	
Budget <sup>(a)</sup>	2.75%
Actual <sup>(b)</sup>	<u>3.30%</u>

(a) Reflects the 2024-2028 General Fund Forecast Information submitted by Finance on January 31, 2023.

(b) Reflects the earned interest yield less costs to administer the investment program, adjusted for funds with negative cash balances at month end.

## **INVESTMENT TRADING ACTIVITY**

Section E provides details of the City's investment activities, including purchases, maturities, amortization, interest received, and realized gains or losses from trading activities.

In general, the City holds all securities to maturity. On rare occasions, the City may liquidate holdings to raise cash or as allowed under the Investment Policy.

## **INVESTMENT STRATEGY AND MARKET UPDATE**

The Investment Program continues to focus on its core mandates of safety, liquidity, and yield. Staff continues its effort to match known cash flow outlays in the next 24-month horizon with investment maturities. Beyond the 24-month horizon, staff selectively invests in various assets classes and maturity buckets to diversify the portfolio structure and maximize the portfolio's earnings potential, as allowed by the Investment Policy.

The US economy continues to expand, with a strong labor market, increases in retail sales, home sales, housing starts and building permits. The unemployment rate ticked up slightly over the quarter, even as non-farm payrolls continue to grow, suggesting new entrants to the labor market. Gross Domestic Product (GDP) reported an annualized rate of 3.4% in the fourth quarter of 2023 compared to the previous quarter rate of 4.9%, a decrease of 1.5%. Inflation, as measured by the Consumer Price Index, has declined from its peak of 9.1% in June of 2022 to 3.5% in March 2024. The Federal Reserve elected to leave short-term interest rates unchanged for a fifth consecutive meeting in March 2024. Federal Reserve officials have indicated that they are in no rush to lower rates, as the economy continues to show resilience.

Investment staff will closely monitor market developments, continue to focus on the overall quality of the portfolio and invest with care, prudence and diligence.

**Future Commitments** – As of March 31, 2024, the City had no obligations to sell securities and no commitments to participate in securities trading.

**Executed Reverse Repurchase Agreements** – No reverse repurchase agreements were executed this quarter.

**Restructuring** – No restructuring activities took place during this quarter.

## **CONCLUSION**

The total investment portfolio as of March 31, 2024, was \$2,625,523,109, an increase of approximately \$240 million from the previous quarter. For the quarter ended March 31, 2024, the earned interest yield increased from 3.106% to 3.454% as compared to the quarter ended December 31, 2023, and the weighted average days to maturity decreased from 682 days to 563 days over the same period. As of March 31, 2024, approximately 47% of the total portfolio was invested in U.S. Treasuries and Agency securities.

## **Independent Accountant's Report on Applying Agreed-Upon Procedures**

Members of the Public Safety, Finance &  
Strategic Support Committee and the  
San José City Council  
San José, California

We have performed the procedures enumerated below on the investment program within the City of San José (City) as of December 31, 2023. The City's management is responsible for the City's compliance with the Investment Policy.

The City's Finance Department and the Office of the City Auditor (City Auditor) have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of evaluating whether the investments within the City's pooled portfolio are in compliance with the City's Investment Policy dated March 14, 2023 and Finance Department procedures as of December 31, 2023. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and associated findings are as follows:

1. Management of the City provided us with a copy of the FY 2023-24 Second Quarter Investment Report (Investment Report) as of December 31, 2023 and we traced and agreed individual investments, which includes investment description, maturity date, CUSIP number, book and fair value, to supporting documentation such as custodian/bank statements obtained from the City.

Finding: No exceptions were found as a result of applying the procedure.

2. We traced total fair value of investments listed on the Investment Report as of December 31, 2023 to the City's general ledger.

Finding: No exceptions were found as a result of applying the procedure.

3. We compared the types of investments listed in the Investment Report as of December 31, 2023 with the types of investments that are authorized by the City's Investment Policy.

Finding: No exceptions were found as a result of applying the procedure.

4. We read the Investment Report as of December 31, 2023 to confirm that it contains the information/data required by the City's Investment Policy and whether it meets the timing requirements of the City's Investment Policy, as follows:

- a. The Investment Report includes the type of investment, issuer, date of maturity, par and dollar amount invested on all securities, investments and monies held by the City.

- b. The Investment Report includes market value (and source) as of the date of the report of all securities held by the City or under management of any outside party.
- c. The Investment Report includes a statement addressing the portfolio's compliance with the portfolio to the City's Investment Policy.
- d. The Investment Report includes a statement addressing the ability of the City to meet the pool's expenditure requirements for the next six months.

Finding: No exceptions were found as a result of applying the procedure.

- 5. We calculated the total investment amounts on a cost basis for the investment types listed in the Investment Report as of December 31, 2023, and compared those totals to the maximum portfolio limitations imposed by the City's Investment Policy for specified investment types.

Finding: No exceptions were found as a result of applying the procedure.

- 6. We calculated the total investment amounts on a cost basis for issuers listed in the Investment Report as of December 31, 2023, and determined whether total investments for each issuer were less or equal than the maximum portfolio limitations imposed by the City's Investment Policy.

Finding: No exceptions were found as a result of applying the procedure.

- 7. We agreed individual investment maturity dates listed in the Investment Report as of December 31, 2023 to the custodian/bank statements and determined whether they conform to the maturity requirements of the City's Investment Policy.

Finding: No exceptions were found as a result of applying the procedure.

- 8. We obtained and read the third-party custodial agreement(s) and broker/dealer agreement(s) in effect at the date of the Investment Report to determine if the agreements contained a clause addressing delivery of securities and that the delivery method conformed to the City's Investment Policy.

Finding: No exceptions were found as a result of applying the procedure.

- 9. We recalculated and agreed supporting documentation relevant to the repurchase agreements and, if applicable, the reverse repurchase agreements held by the City on December 31, 2023, to ascertain whether the investments conformed to the City's Investment Policy.

Finding: Not applicable. No repurchase or reverse repurchase agreements were held by the City on December 31, 2023.

- 10. We determined through inquiry and observation whether the responsibilities for initiating, evaluating, and approving transactions are separate from detail accounting and general ledger functions.

Finding: No exceptions were found as a result of applying the procedure.

- 11. We determined through inquiry and observation whether custodial responsibility for investments is restricted to authorized personnel and separate from personnel with accounting duties.

Finding: No exceptions were found as a result of applying the procedure.

12. We determined through inquiry and observation whether responsibilities for detailed investment records in the investment system (Sympro) are separate from general ledger functions.

Finding: No exceptions were found as a result of applying the procedure.

13. We determined through inquiry and document inspection whether the City maintains authorized lists of signatures, security dealers, and counterparties and whether those lists are updated periodically.

Finding: No exceptions were found as a result of applying the procedure.

14. We selected an investment purchase and maturity transaction between July 1, 2023 and December 31, 2023 and determined through inquiry and document inspection whether the Investment Staff counts and/or confirms its investments as transactions occur.

Finding: No exceptions were found as a result of applying the procedure.

15. We selected an investment purchase and maturity transaction between July 1, 2023 and December 31, 2023 and determined through inquiry and document inspection whether reconciliations between detailed subsidiary records and general ledger control accounts are prepared by an Accountant and reviewed by a Senior Accountant or Supervising Accountant.

Finding: No exceptions were found as a result of applying the procedure.

16. We determined through inquiry and document inspection whether investment income is periodically recorded in the City's financial system and reviewed for accuracy.

Finding: No exceptions were found as a result of applying the procedure.

17. We selected an investment purchase and maturity transaction between July 1, 2023 and December 31, 2023 and determined through inquiry and document inspection whether the Deputy Director of Finance - Accounting and the Deputy Director of Finance - Debt and Treasury Management assesses the classification and valuation of its investments at acquisition. If either Deputy Director of Finance position is vacant or unavailable to sign, the Assistant Director of Finance or Director of Finance may sign in place of either Deputy Director of Finance. Additionally, we verified that the quarterly investment report was produced, agendaized on Public Safety, Finance, & Strategic Support Committee and City Council meetings and posted on the City's public website.

Finding: No exceptions were found as a result of applying the procedure.

We were engaged by the City to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the AICPA. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on whether the investments within the City's pooled portfolio are in compliance with the City's Investment Policy dated March 14, 2023 and Finance Department procedures as of December 31, 2023. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely for the information and use of the City Council, the Public Safety, Finance & Strategic Support Committee, the City Auditor, and Finance Department and is not intended to be and should not be used by anyone other than these specified parties.
