WHEREAS, the Issuer is authorized under the Act to acquire electricity and energy services and enter into agreements for services to facilitate the sale and purchase of electricity and other related services, and to issue revenue bonds to finance the cost of acquisition of such electricity and energy services and other agreements, and is vested with all powers necessary to accomplish the purposes for which it was created; and

WHEREAS, the Issuer has determined to finance the Cost of Acquisition of the Clean Energy Project through the issuance of Bonds pursuant to this Indenture; and

WHEREAS, the execution and delivery of this Indenture has been in all respects duly and validly authorized and approved by resolution of the Board of the Issuer; and

WHEREAS, the Trustee is willing to accept the trusts provided for in this Indenture.

NOW, THEREFORE, THIS INDENTURE WITNESSETH, and the Issuer and the Trustee agree as follows for the benefit of the other, for the benefit of the Holders of the Bonds issued pursuant hereto and the other parties secured hereby:

GRANTING CLAUSES

FOR AND IN CONSIDERATION OF the premises, the mutual covenants of the Issuer and the Trustee herein, the purchase of the Bonds by the Holders thereof and the obligations of the Interest Rate Swap Counterparty under the Interest Rate Swap, and in order to secure:

(i) the payment of the principal of and premium, if any, and interest on the Bonds and the payment of the Interest Rate Swap Payments, in each case according to the tenor and effect of the Bonds and the Interest Rate Swap, and

(ii) the performance and observance by the Issuer of all the covenants expressed or implied in this Indenture and in the Bonds,

the Issuer does hereby grant to the Trustee a lien on and a security interest in the Trust Estate and convey, assign and pledge unto the Trustee and its successors in trust, all right, title and interest of the Issuer in and to the Trust Estate, subject to conveyance, assignment and pledge of the Commodity Swap Payment Fund in favor of the Commodity Swap Counterparties as set forth below, and further subject to the provisions of this Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in this Indenture, and all other rights hereinafter granted for the further securing of the Bonds;

FOR AND IN CONSIDERATION OF the obligations of the Commodity Swap Counterparties under the Commodity Swaps and the mutual covenants of the Issuer and the Commodity Swap Counterparties thereunder, and in order to secure the payment of the Commodity Swap Payments, the Issuer does hereby convey, assign and pledge unto the Trustee and its successors in trust, all right, title and interest of the Issuer in the Commodity Swap Payment Fund and the amounts on deposit therein, subject to the provisions of this Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in this Indenture, which conveyance, assignment and pledge shall have priority over the foregoing conveyance, assignment and pledge of the Commodity Swap Payment Fund and the amounts and investments on deposit therein in favor of the Bonds and the Interest Rate Swap Payments;

TO HAVE AND TO HOLD all the same with all privileges and appurtenances hereby and hereafter conveyed and assigned, or agreed or intended so to be, to the Trustee and its respective successors in said trust and assigns forever;

IN TRUST NEVERTHELESS, upon the terms and trusts herein set forth for the equal and proportionate benefit, security and protection of (i) all Holders of the Bonds without privilege, priority or distinction as to the lien or otherwise of any Bond over any other Bond or the payment of interest with respect to any Bond over the payment of interest with respect to any other Bond, except as otherwise provided herein, and (ii) the Interest Rate Swap Counterparty; and

PROVIDED, HOWEVER, that if the Issuer, its successors or assigns shall well and truly pay, or cause to be paid, the principal or Redemption Price, if any, on the Bonds and the interest due or to become due thereon, the Commodity Swap Payments and the Interest Rate Swap Payments, at the times and in the manner provided in the Bonds, the Commodity Swap and the Interest Rate Swap, respectively, according to the true intent and meaning thereof, and shall cause the payments to be made into the Funds as required hereunder, or shall provide, as permitted hereby, for the payment thereof as provided in Section 12.01, and shall well and truly keep and perform and observe all the covenants and conditions of this Indenture to be kept, performed and observed by it, and shall pay or cause to be paid to the Trustee all sums of money due or to become due to it in accordance with the terms and provisions hereof, then upon such final payments or provisions for

such payments by the Issuer, the Bonds, the Commodity Swap and the Interest Rate Swap shall cease to be entitled to any lien, benefit or security under this Indenture, and all covenants, agreements and obligations of the Issuer to the Holders of the Bonds shall thereupon cease, terminate and be discharged and satisfied; otherwise this Indenture shall remain in full force and effect.

The terms and conditions upon which the Bonds are to be issued, authenticated, delivered, secured and accepted by all Persons who from time to time shall be or become the Holders thereof, and the trusts and conditions upon which the Revenues, moneys, securities and funds held or set aside under this Indenture, subject to the provisions of this Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in this Indenture, are to be held and disposed of, which said trusts and conditions the Trustee hereby accepts, and the respective parties hereto covenant and agree, are as follows:

“*Alternate Liquidity Facility*” means a Liquidity Facility for a Series of Bonds delivered to the Trustee in substitution for a Liquidity Facility then in effect with respect to such Bonds.

“*Amortized Value*” means, with respect to any Bond to be redeemed when a Term Rate Period is in effect with respect to such Bond, the principal amount of such Bond multiplied by the price of such Bond expressed as a percentage, calculated by a major market maker in municipal securities, as the quotation agent, selected by the Issuer, based on the industry standard method of calculating bond prices (as such industry standard prevailed on the date such Bond began to bear

interest at its current Term Rate), with a delivery date equal to the date of redemption of such Bond, a maturity date equal to the earlier of (a) the stated maturity date of such Bond or (b) the Term Rate Tender Date of such Bond and a yield equal to such Bond's original reoffering yield on the date such Bond began to bear interest at its current Term Rate, which, in the case of the initial Term Rate Period for the Series 2024_-1 Bonds and certain dates, produces the amounts for all of the Series 2024_-1 Bonds set forth in Schedule IV.

“Applicable Factor” means (a) with respect to the initial issuance of a Series of Bonds bearing interest at a SOFR Index Rate, the percentage or factor of the SOFR Index determined by the Underwriter and specified in the Index Rate Determination Certificate for such Series of Bonds, or (b) with respect to a Series of Bonds for which the Interest Rate Period is being converted to a SOFR Index Rate Period (including a change in such Interest Rate Period from one SOFR Index Rate Period to another SOFR Index Rate Period), the percentage or factor of the SOFR Index determined by the Remarketing Agent and specified in the applicable Index Rate Determination Certificate or Index Rate Continuation Notice, provided in each case that the Issuer delivers to the Trustee a Favorable Opinion of Bond Counsel addressing the selection of such percentage or factor. The Applicable Factor shall be determined by the Underwriter or the Remarketing Agent, as applicable, in accordance with Section 2.09(a) and included in the applicable Index Rate Determination Certificate, and once determined shall remain constant for the duration of the applicable SOFR Index Rate Period.

“Applicable Spread” means, with respect to a Series of Bonds for which the Initial Interest Rate Period is an Index Rate Period, or for any Series of Bonds for which the Interest Rate Period is converted to an Index Rate Period, the margin or spread, which may be positive or negative, determined by the Underwriter or the Remarketing Agent, as applicable, in accordance with Section 2.09(a), on or prior to the Issue Date or Conversion Date for such Bonds, as applicable, and specified in the applicable Supplemental Indenture or Index Rate Determination Certificate or Index Rate Continuation Notice, as applicable, which shall be added to the applicable Index (or the product of the Applicable Factor and the applicable Index, as the case may be) to determine the Index Rate. Once so determined, Applicable Spread shall remain constant for the duration of the applicable Index Rate Period.

“Applicable Tax-Exempt Municipal Bond Rate” means, for the Bonds of any maturity, the “Comparable AAA General Obligations” yield curve rate for the year of such maturity or Mandatory Purchase Date, as applicable, as published by Refinitiv Global Markets, Inc. at least one Business Day and not more than 90 days prior to the date that notice of redemption is required to be given pursuant to Section 4.04. If no such yield curve rate is established for the applicable year, the “Comparable AAA General Obligations” yield curve rate for the two published maturities most closely corresponding to the applicable year shall be determined, and the Applicable Tax-Exempt Municipal Bond Rate will be interpolated or extrapolated from those yield curve rates on a straight line basis. This rate is made available daily by Refinitiv Global Markets, Inc. and is available to its subscribers through the internet address: www.tm3.com. In calculating the Applicable Tax-Exempt Municipal Bond Rate, should Refinitiv Global Markets, Inc. no longer publish the “Comparable AAA General Obligations” yield curve rate, then the Applicable Tax-Exempt Municipal Bond Rate shall equal the Consensus Scale yield curve rate for the applicable year. The Consensus Scale yield curve rate is made available daily by Municipal Market Analytics

and is available to its subscribers through its internet address: www.mma-research.com. In the further event Municipal Market Analytics no longer publishes the Consensus Scale, the Applicable Tax-Exempt Municipal Bond Rate shall be determined by a major market maker in municipal securities, as the quotation agent, based upon the rate per annum equal to the annual yield to maturity, calculated using semi-annual compounding, of those tax-exempt general obligation bonds rated in the highest Rating Category by Moody's and S&P with a maturity date equal to the stated maturity date or Mandatory Purchase Date, as applicable, of such Bonds having characteristics (other than the ratings) most comparable to those of such Bonds in the judgment of the quotation agent. (d) An opinion of Special Tax Counsel to the effect that, if applicable, interest on the Bonds of such Series is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code and is exempt from State of California personal income taxes (it being agreed that if Special Tax Counsel also serves as Bond Counsel, the opinion described in this clause (d) may be consolidated with the Opinion of Bond Counsel described in the preceding clause (c));

(e) Executed or certified copies of the Power Supply Contract with the Project Participant specified on Schedule I;

(f) An opinion of counsel to the Project Participant to the effect that the Power Supply Contract between the Project Participant and the Issuer has been duly authorized, executed and delivered by the Project Participant, is the valid and binding obligation of the Project Participant and is enforceable in accordance with its terms, subject to customary assumptions and exceptions with respect to enforceability and such additional exceptions as may be agreed to by the Issuer and the Underwriter;

- (g) A rating on the Bonds from at least one Rating Agency.

Section 2.04. Initial Interest Rate Period; Subsequent Interest Rate Periods. (a) The Series 2024_ Bonds shall be initially issued in the Interest Rate Period set forth in Section 2.02(b). Upon the purchase of the Series 2024_ Bonds on a Mandatory Purchase Date, the Interest Rate Period for each Series of the Series 2024_ Bonds may be converted to to a Daily Interest Rate Period, a Weekly Interest Rate Period, a Commercial Paper Interest Rate Period, an Index Rate Period, a Term Rate Period or a combination thereof, as provided in this Article II. In the event that two or more Interest Rate Periods are so established, the Series 2024_ Bonds shall, by Supplemental Indenture, be divided into separate Series or sub-Series corresponding to such Interest Rate Periods.

(b) In the manner hereinafter provided, the term of each Series of Bonds will be divided into consecutive Interest Rate Periods during each of which such Bonds shall bear interest at the Daily Interest Rate, the Weekly Interest Rate, CP Interest Term Rates, Term Rates or an Index Rate; *provided, however*, that the Interest Rate Period shall be the same for all Bonds of a Series, and, notwithstanding anything herein to the contrary, no Bond shall bear interest in excess of the Maximum Rate. The initial Interest Rate Period for any Series of Bonds (other than the Initial Interest Rate Period for the Series 2024_ Bonds) shall be established pursuant to the related Supplemental Indenture.

Section 2.05. Daily Interest Rate Period.

(a) *Determination of Daily Interest Rates.* During each Daily Interest Rate Period for a Series of Bonds, the Bonds of such Series shall bear interest at the Daily Interest Rate, which shall be determined by the Remarketing Agent on or before 11:00 a.m., New York City time, on each Business Day for such Business Day. The Remarketing Agent will advise the Trustee by Electronic Means of the final Daily Interest Rate by 12:00 noon, New York City time, on the day such rate is determined. The Daily Interest Rate shall be the rate of interest per annum determined by the Remarketing Agent to be the minimum interest rate which, if borne by the Bonds of the applicable Series, would enable the Remarketing Agent to sell the Bonds of such Series on that Business Day at a price (without regard to accrued interest) equal to 100% of the principal amount thereof. With respect to any day that is not a Business Day, the Daily Interest Rate for that day shall be the same Daily Interest Rate established for the immediately preceding Business Day. In the event the Remarketing Agent fails to establish a Daily Interest Rate for any Business Day, then the Daily Interest Rate for that Business Day shall be the Daily Interest Rate for the immediately preceding Business Day if the Daily Interest Rate for the immediately preceding Business Day was established by the Remarketing Agent. Subject to the provisions of Section 2.10(d), in the event that the Daily Interest Rate for the immediately preceding Business Day was not determined by the Remarketing Agent, or in the event that the Daily Interest Rate determined by the Remarketing Agent shall be held to be invalid or unenforceable by a court of law, then the Daily Interest Rate shall be deemed to be equal to the SIFMA Index on the Business Day such Daily Interest Rate would otherwise be determined as provided herein for such Daily Interest Rate Period.

(b) *Conversion to Daily Interest Rate Period.* Subject to Section 2.10, at any time the Issuer, in a Written Direction of the Issuer delivered to the Trustee and the Remarketing Agent (if any), may elect that a Series of Bonds shall bear interest at a Daily Interest Rate. Such direction of the Issuer shall specify the proposed effective date of such Conversion to a Daily Interest Rate Period, which shall be a Business Day not earlier than the 30th day following the second Business Day after receipt by the Trustee of the Written Direction of the Issuer, and either (A) in the case of a Conversion from a Commercial Paper Interest Rate Period, an Index Rate Period or a Term Rate Period, the day immediately following the last day of such Interest Rate Period, or (B) a day on which all of the Outstanding Bonds of such Series are subject to optional redemption pursuant to Section 4.03(b) or an applicable Supplemental Indenture. In addition, such direction shall be accompanied by a form of notice required by Section 2.05(c) and the form of a Favorable Opinion of Bond Counsel proposed to be delivered on the effective date of the Conversion to the Daily Interest Rate Period. Upon the Conversion of any Series of Bonds to the Daily Interest Rate Period and until the day immediately preceding the effective date of the next succeeding Interest Rate Period under the terms of this Indenture, the interest rate borne by such Series of Bonds shall be a Daily Interest Rate as provided in Section 2.05(a).

(c) *Notice of Conversion to Daily Interest Rate Period.* Following timely receipt of a Written Direction of the Issuer directing the Conversion of a Series of Bonds to the Daily Interest Rate Period as provided in Section 2.05(b), the Trustee shall give notice by first class mail of the Conversion of such Bonds to bear interest in a Daily Interest Rate Period to the Owners of such Bonds not less than 30 days prior to the proposed effective date of such Daily Interest Rate Period. Such notice shall be in the form provided to Trustee pursuant to Section 2.05(b) to state: (i) that the Interest Rate Period for such Bonds will be converted to a Daily Interest Rate Period unless (A) the Issuer rescinds its election to convert the Interest Rate Period for the Bonds of such Series to a Daily Interest Rate Period as provided in Section 2.10(b) or (B) Bond Counsel shall fail to deliver a Favorable Opinion of Bond Counsel as to such Conversion on the applicable Conversion Date; (ii) the proposed Conversion Date to the Daily Interest Rate Period; (iii) that the Bonds of such Series are subject to mandatory tender for purchase on the proposed Conversion Date unless the Issuer rescinds its election to convert the Interest Rate Period for the Bonds of such Series to a Daily Interest Rate Period as provided in Section 2.10(b); and (iv) the applicable Purchase Price and the place of delivery for purchase of such Bonds.

Section 2.06. Weekly Interest Rate Period.

(a) *Determination of Weekly Interest Rates.* The Weekly Interest Rate for the initial Weekly Interest Rate Period following the issuance of a Series of Bonds bearing interest in a Weekly Interest Rate Period or Conversion of a Series of Bonds to a Weekly Interest Rate Period shall be determined on or prior to the first day of such Weekly Interest Rate Period and shall apply to the period commencing on the first day of such Weekly Interest Rate Period and ending on the succeeding Wednesday (whether or not a Business Day). Thereafter, during each Weekly Interest Rate Period for a Series of Bonds, the Bonds of such Series shall bear interest at the Weekly Interest Rate, which shall be determined by the Remarketing Agent by no later than 5:00 p.m., New York City time, on Wednesday of

each week during such Weekly Interest Rate Period, or if such day shall not be a Business Day, then on the next succeeding Business Day. Each Weekly Interest Rate so determined shall apply to the period commencing on Thursday (whether or not a Business Day) and ending on the next succeeding Wednesday (whether or not a Business Day), unless such Weekly Interest Rate Period shall end on a day other than Wednesday, in which event the last Weekly Interest Rate for such Weekly Interest Rate Period shall apply to the period commencing on Thursday (whether or not a Business Day) and ending on the last day of such Weekly Interest Rate Period. The Weekly Interest Rate shall be the rate of interest per annum determined by the Remarketing Agent to be the minimum interest rate which, if borne by the Bonds of the applicable Series, would enable the Remarketing Agent to sell the Bonds of such Series on the effective date of such rate at a price (without regard to accrued interest) equal to 100% of the principal amount thereof. In the event that the Remarketing Agent fails to establish a Weekly Interest Rate for any week, then the Weekly Interest Rate for such week shall be the same as the Weekly Interest Rate for the immediately preceding week if the Weekly Interest Rate for such preceding week was determined by the Remarketing Agent. Subject to the provisions of Section 2.10(d), in the event that the Weekly Interest Rate for the immediately preceding week was not determined by the Remarketing Agent, or in the event that the Weekly Interest Rate determined by the Remarketing Agent shall be held to be invalid or unenforceable by a court of law, then the interest rate for such week shall be equal to the SIFMA Index on the day such Weekly Interest Rate would otherwise be determined as provided herein for such Weekly Interest Rate Period.

(b) *Conversion to Weekly Interest Rate Period.* Subject to Section 2.10, at any time, the Issuer, in a Written Direction of the Issuer delivered to the Trustee and the Remarketing Agent (if any), may elect that a Series of Bonds shall bear interest at a Weekly Interest Rate. Such direction of the Issuer shall specify the proposed effective date of such Conversion to a Weekly Interest Rate Period, which shall be a Business Day not earlier than the later of (a) the 30th day following the second Business Day after receipt by the Trustee of such Written Direction of the Issuer, and either (A) in the case of a Conversion from a Commercial Paper Interest Rate Period, an Index Rate Period or a Term Rate Period, the day immediately following the last day of such Interest Rate Period, or (B) a day on which all of the Outstanding Bonds of such Series are subject to optional redemption pursuant to Section 4.03(b) or an applicable Supplemental Indenture. In addition, such direction shall be accompanied by a form of notice required by Section 2.06(c) and the form of a Favorable Opinion of Bond Counsel proposed to be delivered on the effective date of the Conversion to the Weekly Interest Rate Period. Upon Conversion of any Series of Bonds to the Weekly Interest Rate Period and until the day immediately preceding the effective date of the next succeeding Interest Rate Period under the terms of this Indenture, the interest rate borne by such Series of Bonds shall be a Weekly Interest Rate as provided in Section 2.06(a).

(c) *Notice of Conversion to Weekly Interest Rate.* Following timely receipt of a Written Direction of the Issuer directing the Conversion of a Series of Bonds to the Weekly Interest Rate Period as provided in Section 2.06(b), the Trustee shall give notice by first class mail of the Conversion of such Bonds to bear interest in a Weekly Interest

Rate Period to the Owners of such Bonds not less than 30 days prior to the proposed effective date of such Weekly Interest Rate Period. Such notice shall be in the form provided to Trustee pursuant to Section 2.06(b) to state: (i) that the Interest Rate Period on such Bonds will be converted to a Weekly Interest Rate unless (A) the Issuer rescinds its election to convert the Interest Rate Period for the Bonds of such Series to a Daily Interest Rate Period as provided in Section 2.10(b) or (B) Bond Counsel shall fail to deliver a Favorable Opinion of Bond Counsel as to such Conversion on the applicable Conversion Date; (ii) the proposed Conversion Date to the Weekly Interest Rate Period; and (iii) that the Bonds of such Series are subject to mandatory tender for purchase on the proposed Conversion Date unless the Issuer rescinds its election to convert the Interest Rate Period for the Bonds of such Series to a Weekly Interest Rate Period as provided in Section 2.10(b); and (iv) the applicable Purchase Price and the place of delivery for purchase of such Bonds.

Section 2.07. Term Rate Period.

(a) *Determination of Term Rates.* For each Term Rate Period for a Series of Bonds, (i) the Issuer may by Written Notice to the Trustee delivered in connection with a Term Rate Conversion Date establish one or more Maturity Dates for the Bonds of such Series and Sinking Fund Installments for any maturities of the Bonds of such Series, and (ii) each maturity of the Bonds of such Series shall bear interest at a Term Rate; provided that the Term Rate, Maturity Dates and Sinking Fund Installments for each maturity of Bonds of any Series upon initial issuance of such Bonds, if any, shall be specified in this Indenture or a Supplemental Indenture providing for the issuance of such Series of Bonds. The Term Rate for each maturity of Bonds of a Series bearing interest in the Term Rate Period shall be determined by the Underwriter or the Remarketing Agent, as applicable, on a Business Day no later than the Issue Date or the Term Rate Conversion Date for such Series of Bonds, as applicable. Subject to the provisions of Section 2.07(d), each Term Rate shall be the rate of interest per annum determined by the Underwriter or the Remarketing Agent, as applicable, to be the minimum interest rate which, if borne by the Bonds of the applicable Series and maturity, would enable the Underwriter or the Remarketing Agent, as the case may be, to sell such Bonds and maturity on such date at a price (without regard to accrued interest) equal to 100% of the principal amount thereof. If, for any reason, with respect to any Series of Bonds being converted to a Term Rate Period, the Term Rate for such Term Rate Period is not determined by the Remarketing Agent on or prior to the first day of such Term Rate Period, then the Interest Rate Period for the Bonds of the applicable Series shall be a Weekly Interest Rate Period and such Weekly Interest Rate Period shall continue until such time as the Interest Rate Period for such Series of Bonds shall have been converted to a Daily Interest Rate Period, a Commercial Paper Interest Rate Period, a Term Rate Period or an Index Rate Period as provided herein.

(b) *Conversion to or Continuation of Term Rate Period.* Subject to Section 2.10, at any time, the Issuer, in a Written Direction of the Issuer delivered to the Trustee and the Remarketing Agent (if any), may elect that a Series of Bonds shall bear interest at Term Rates. Such direction of the Issuer shall specify (i) the proposed effective date of the

Term Rate Period, which date shall be a Business Day not earlier than the 30th day following receipt by the Trustee of such Written Direction of the Issuer, and either (A) in the case of a Conversion from a Commercial Paper Interest Rate Period, an Index Rate Period or a Term Rate Period, the day immediately following the last day of such Interest Rate Period, or (B) a day on which all of the Outstanding Bonds of such Series are subject to optional redemption pursuant to Section 4.03(b) or an applicable Supplemental Indenture; (ii) the last day of such Term Rate Period, which day shall be either the day immediately prior to the Final Maturity Date for the applicable Series of Bonds, or a day which both immediately precedes a Business Day and is at least one hundred eighty one (181) days after the effective date of the Term Rate Period; and (iii) with respect to any such Term Rate Period, may specify redemption prices and periods different than those set forth in this Indenture or the applicable Supplemental Indenture providing for the issuance of such Series of Bonds, subject to the Favorable Opinion of Bond Counsel as provided in Section 2.07(b)(iii). In addition, such direction shall be accompanied by the form of a Favorable Opinion of Bond Counsel proposed to be delivered on the Term Rate Conversion Date and by a form of the notice to be mailed by the Trustee as provided in Section 2.07(c). Upon Conversion of any Series of Bonds to the Term Rate Period and until the day immediately preceding the effective date of the next succeeding Interest Rate Period under the terms of this Indenture, the interest rate or rates borne by such Series of Bonds shall be Term Rates as provided in Section 2.07(a). The day following the last day of any Term Rate Period for a Series of Bonds shall be a Term Rate Tender Date for such Series of Bonds. After the Final Fixed Rate Conversion Date for a Series of Bonds, the Bonds of such Series shall no longer be subject to or have the benefit of the provisions of Section 4.11 through Section 4.22.

(c) *Notice of Conversion to or Continuation of Term Rate.* Following timely receipt of a Written Direction of the Issuer directing the Conversion of a Series of Bonds to the Term Rate Period as provided in Section 2.07(b), the Trustee shall give notice by first-class mail of the Conversion of such Bonds to bear interest in a (or the establishment of another) Term Rate Period for a Series of Bonds to the Owners of the Bonds of such Series not less than thirty (30) days prior to the proposed effective date of such Term Rate Period. Such notice shall be in the form provided to Trustee pursuant to Section 2.07(b) to state: (i) that the Interest Rate Period for such Bonds shall be converted to, or continue to be, a Term Rate Period unless (A) the Issuer rescinds its election to convert the Interest Rate Period for the Bonds of such Series to a Term Rate Period as provided in Section 2.10(b) or (B) Bond Counsel shall fail to deliver a Favorable Opinion of Bond Counsel as to such Conversion on the Term Rate Conversion Date; (ii) that such Bonds are subject to mandatory tender for purchase on the Term Rate Conversion Date and setting forth the applicable Purchase Price and the place of delivery for purchase of such Bonds; (iii) that the Bonds of such Series are subject to mandatory tender for purchase on the proposed Conversion Date unless the Issuer rescinds its election to convert the Interest Rate Period for the Bonds of such Series to a Term Rate Period as provided in Section 2.10(b)]; and (iv) the applicable Purchase Price and the place of delivery for purchase of such Bonds.

(d) *Sale at Premium or Discount.* Notwithstanding the provisions of Section 2.07(a), the Term Rate for each maturity of any Series of Bonds as initially issued, or the

Term Rate for each maturity of any other Series of Bonds upon Conversion to a Term Rate Period, shall be the rate of interest per annum determined by the Underwriter or the Remarketing Agent, as applicable, to be the interest rate which, if borne by the Bonds of such Series and maturity, would enable the Underwriter or the Remarketing Agent, as applicable, to sell the Bonds of such Series and maturity at a price (without regard to accrued interest) which will result in the lowest net interest cost for the Bonds of such Series and maturity, after taking into account any premium or discount at which the Bonds of such Series and maturity are sold by the Underwriter or the Remarketing Agent, as applicable, *provided* that:

(i) The Underwriter or the Remarketing Agent, as applicable, certifies in writing to the Trustee and the Issuer that the sale of the Bonds of such Series at the interest rate and premium or discount specified by the Underwriter or the Remarketing Agent, as applicable, is expected to result in the lowest net interest cost for such Bonds;

(ii) The Issuer consents in writing to the sale of the Bonds of such Series at such premium or discount;

(iii) In the case of the Bonds of such Series to be sold at a premium, the Underwriter or the Remarketing Agent, as applicable, shall transfer the amount of such premium to the Trustee for deposit into such Funds and Accounts as shall be specified in a Written Direction of the Issuer;

(iv) On or before the date of determination of the Term Rates for the Bonds of such Series, the Issuer delivers to the Trustee and the Remarketing Agent a form of a Favorable Opinion of Bond Counsel proposed to be delivered on the Term Rate Conversion Date; and

(v) On or before the Conversion Date, a Favorable Opinion of Bond Counsel shall have been delivered to the Trustee.

Section 2.08. Commercial Paper Interest Rate Periods.

(a) *Determination of CP Interest Terms and CP Interest Term Rates.* During each Commercial Paper Interest Rate Period for a Series of Bonds, each Bond of such Series shall bear interest during each CP Interest Term for such Bond at the CP Interest Term Rate for such Bond. The CP Interest Term and the CP Interest Term Rate for each Bond need not be the same for any two Bonds of such Series, even if determined on the same date. Each of such CP Interest Terms and CP Interest Term Rates for each Bond shall be determined by the Remarketing Agent no later than the first day of each CP Interest Term. Each CP Interest Term shall be for a period of days within the range or ranges announced as possible CP Interest Terms no later than 9:30 a.m., New York City time, on the first day of each CP Interest Term by the Remarketing Agent. Each CP Interest Term for each Bond of the applicable Series shall be a period of not more than two hundred seventy (270) days, determined by the Remarketing Agent to be the period which, together

with all other CP Interest Terms for all Bonds of the applicable Series then Outstanding, will result in the lowest overall interest expense on such Bonds over the next succeeding two hundred seventy (270) days. Each CP Interest Term shall end on either a day which immediately precedes a Business Day or on the day immediately preceding the Final Maturity Date for the applicable Series of Bonds. If, for any reason, a CP Interest Term for any Bond cannot be so determined by the Remarketing Agent, or if the determination of such CP Interest Term is held by a court of law to be invalid or unenforceable, then such CP Interest Term shall be thirty (30) days, but if the last day so determined shall not be a day immediately preceding a Business Day, such CP Interest Term shall end on the first day immediately preceding the Business Day next succeeding such last day, or if such last day would be after the day immediately preceding the Final Maturity Date for the applicable Series of Bonds, shall end on the day immediately preceding such Final Maturity Date. In determining the number of days in each CP Interest Term, the Remarketing Agent shall take into account the following factors: (i) existing short-term, tax-exempt market rates and indices of such short-term rates; (ii) the existing market supply and demand for short-term tax-exempt securities; (iii) existing yield curves for short-term and long-term tax-exempt securities for obligations of credit quality comparable to the Bonds of the applicable Series; (iv) general economic conditions; (v) industry economic and financial conditions that may affect or be relevant to the Bonds of the applicable Series; (vi) the CP Interest Terms of other Bonds of the applicable Series; and (vii) such other facts, circumstances and conditions pertaining to financial markets as the Remarketing Agent, in its sole discretion, shall determine to be relevant.

The CP Interest Term Rate for each CP Interest Term for each Bond in a Commercial Paper Interest Rate Period shall be the rate of interest per annum determined by the Remarketing Agent to be the minimum interest rate which, if borne by such Bond, would enable the Remarketing Agent to sell such Bond on the effective date of such rate at a price equal to the principal amount thereof. Subject to the provisions of Section 2.10(d), if, for any reason, a CP Interest Term Rate for any Bond in a Commercial Paper Interest Rate Period is not so established by the Remarketing Agent for any CP Interest Term, or if such CP Interest Term Rate is determined by a court of law to be invalid or unenforceable, then the CP Interest Term Rate for such CP Interest Term shall be a rate per annum equal to the SIFMA Index on the first day of such CP Interest Term.

(b) *Conversion to Commercial Paper Interest Rate Period.* Subject to Section 2.10, at any time, the Issuer, in a Written Direction of the Issuer to the Trustee and the Remarketing Agent (if any), may elect that a Series of Bonds shall bear interest at CP Interest Term Rates. Such Written Direction of the Issuer shall specify (i) the proposed effective date of the Commercial Paper Interest Rate Period, which shall be a Business Day not earlier than the thirtieth (30th) day following the second Business Day after receipt by the Trustee of such direction, and either (A) in the case of a Conversion from a Commercial Paper Interest Rate Period, an Index Rate Period or a Term Rate Period, the day immediately following the last day of such Interest Rate Period, or (B) a day on which all of the Outstanding Bonds of such Series are subject to optional redemption pursuant to Section 4.03(b) or an applicable Supplemental Indenture. In addition, the Written Direction of the Issuer shall be accompanied by the form of a Favorable Opinion of Bond

Counsel proposed to be delivered on the effective date of the Conversion to the Commercial Paper Interest Rate Period and a form of the notice to be mailed by the Trustee pursuant to Section 2.08(c). Upon Conversion of any Series of Bonds to the Commercial Paper Interest Rate Period and until the day immediately preceding the effective date of the next succeeding Interest Rate Period under the terms of this Indenture, each Bond of such Series shall bear interest at a CP Interest Term Rate applicable to the CP Interest Term then in effect for such Bond, which may differ from the CP Interest Term Rate and CP Interest Term applicable to other Bonds of such Series.

(c) *Notice of Conversion to CP Interest Term Rates.* Following timely receipt of a Written Direction of the Issuer directing the Conversion of a Series of Bonds to the Commercial Paper Interest Rate Period as provided in Section 2.08(b), the Trustee shall give notice by first class mail of the Conversion of such Bonds to bear interest in a Commercial Paper Interest Rate Period to the Owners of the Bonds of the applicable Series not less than thirty (30) days prior to the proposed effective date of such Commercial Paper Interest Rate Period. Such notice shall be in the form provided to Trustee pursuant to Section 2.08(b) to state: (i) that such Bonds shall bear interest at CP Interest Term Rates unless (A) the Issuer rescinds its election to convert the Interest Rate Period for the Bonds of such Series to a Commercial Paper Interest Rate Period as provided in Section 2.10(b) or (B) Bond Counsel shall fail to deliver a Favorable Opinion of Bond Counsel as to such Conversion on the applicable Conversion Date; (ii) the proposed Conversion Date to the Commercial Paper Interest Rate Period; and (iii) that Bonds of such Bonds are subject to mandatory tender for purchase on such proposed Conversion Date unless the Issuer rescinds its election to convert the Interest Rate Period for the Bonds of such Series to a Commercial Paper Interest Rate Period as provided in Section 2.10(b); and (iv) the applicable Purchase Price and the place of delivery for purchase of such Bonds.

(d) *Conversion From Commercial Paper Interest Rate Period.* Subject to Section 2.10(b), at any time during a Commercial Paper Interest Rate Period for a Series of Bonds, the Issuer may elect, pursuant to Section 2.05(b), Section 2.06(b), Section 2.07(b) or Section 2.09(c), that such Bonds no longer shall bear interest at CP Interest Term Rates and shall instead bear interest at a Daily Interest Rate, a Weekly Interest Rate, a Term Rate or an Index Rate, as specified in such election. In connection with any such election, and notwithstanding any provision contained in this Section 2.08 to the contrary, each CP Interest Term established by the Remarketing Agent for the Bonds shall end on the same date in order to facilitate the Conversion of such Bonds. The date on which all CP Interest Terms determined for the Bonds end shall be the last day of the then current Commercial Paper Interest Rate Period and the day next succeeding such date shall be the effective date of the Daily Interest Rate Period, Weekly Interest Rate Period, Term Rate Period or Index Rate Period elected by the Issuer for such Bonds.

Section 2.09. Index Rate Periods.

(a) *Determination of Applicable Spread and Applicable Factor.* In connection with the issuance of a Series of Bonds bearing interest in an Index Rate Period, the Applicable Spread and any Applicable Factor applicable to such Series of Bonds for the

duration of the initial Index Rate Period for such Series of Bonds shall be specified in this Indenture or in the Supplemental Indenture providing for the issuance of such Series of Bonds. In connection with the Conversion of the Interest Rate Period for a Series of Bonds to an Index Rate Period, the Remarketing Agent shall determine the Applicable Spread and any Applicable Factor applicable to such Bonds for the duration of the applicable Index Rate Period, and shall specify such Applicable Spread and any Applicable Factor selected by the Issuer in the Index Rate Determination Certificate for the applicable Index Rate Period. The Applicable Spread and any Applicable Factor shall be such amount as shall result in the minimum Index Rate (as a rate of interest per annum) which, if borne by the Bonds of the applicable Series as of the first day of the applicable Index Rate Period, under Prevailing Market Conditions, would enable the Underwriter or the Remarketing Agent, as applicable, to sell the Bonds on the first day of the applicable Index Rate Period at a price (without regard to accrued interest) equal to 100% of the principal amount thereof.

(b) *Determination of Index Rate.*

(i) During each Index Rate Period for a Series of Bonds, such Bonds shall bear interest at an Index Rate, as specified in the applicable Index Rate Determination Certificate delivered to the Trustee on the first day of such Interest Rate Period. One Business Day prior to the Initial Issue Date of the Series 2024_-2 Bonds, the SOFR Index Rate shall be calculated by the Calculation Agent and shall be in effect from and including the Initial Issue Date to (but not including) the next succeeding SOFR Effective Date.

(ii) With respect to each SIFMA Index Rate Period, (A) the Calculation Agent shall determine the SIFMA Index by 4:00 p.m., New York City time, on each Wednesday or, if such Wednesday is not a Business Day, the Business Day immediately succeeding such Wednesday, and (B) the SIFMA Index Rate shall be determined by the Calculation Agent at or before 12:00 noon, New York City time, on each Index Rate Reset Date.

(iii) With respect to each SOFR Index Rate Period, the Calculation Agent shall (A) determine and provide to the Trustee by Electronic Means the SOFR Index Rate by 4:00 p.m., New York City time, on each SOFR Publish Date, and (B) determine and provide to the Trustee by Electronic Means the SOFR Index Rate at or before 12:00 noon, New York City time, on each SOFR Effective Date.

(iv) During any Index Rate Period, interest shall be computed on the basis of a 365/366-day year and actual days elapsed. The Calculation Agent shall calculate and provide by Electronic Means to the Issuer and the Trustee the amount of interest due and payable on each Series of Bonds bearing interest at an Index Rate at least one Business Day prior to each Interest Payment Date for such Bonds not later than such Interest Payment Date. Upon the written request of any Owner of Bonds bearing interest at a SOFR Index Rate, the Trustee shall provide the SOFR Index Rate then in effect, as determined by the Calculation Agent. The amount of interest due on a Series of Bonds bearing interest at the SIFMA Index Rate on any

Interest Payment Date shall be calculated on the basis of the actual number of days in the calendar month immediately preceding such Interest Payment Date based on the per annum rate equal to the daily weighted average of the SIFMA Index. The amount of interest due on a Series of Bonds bearing interest at the SOFR Index Rate on any Interest Payment Date shall be calculated on the basis of the actual number of days in the SOFR Accrual Period immediately preceding such Interest Payment Date. All percentages resulting from any step in the calculation of interest on a Series of Bonds while in an Index Rate Period will be rounded, if necessary, to the nearest one millionth of a percentage point (i.e., to six decimal places), with 0.0000005 rounded upward to 0.000001, and all dollar amounts used in or resulting from such calculation of interest on such Bonds while in an Index Rate Period will be rounded to the nearest cent (with one-half cent being rounded upward).

(v) In determining the interest rate that any Bond shall bear as provided in this Section 2.09, neither the Underwriter nor the Remarketing Agent, as applicable, the Calculation Agent, nor the Trustee shall have any liability to the Issuer or the Holder of such Bond, except for its own negligence or willful misconduct.

(vi) If, during any Index Rate Period, the Index or rate used to determine an Index Rate is not reported by the relevant source at the time necessary for determination of such Index Rate or otherwise ceases to be available, the Issuer or its independent financial advisor (as applicable) shall determine a replacement or substitute Index Rate (as applicable), including any alternative rate and any adjustments, and promptly provide the same via Electronic Means to the Calculation Agent and the Trustee, together with the effective date of the substitute or replacement Index Rate, which substitute or replacement must be consistent with any corresponding substitute or replacement index designated pursuant to the relevant Interest Rate Swap.

(c) *Conversion to or Continuation of Index Rate Period.* Subject to Section 2.10, at any time, the Issuer, in a Written Direction of the Issuer delivered to the Trustee and the Remarketing Agent (if any), may elect that a Series of Bonds shall bear interest at an Index Rate. Such direction of the Issuer shall specify the proposed effective date of the Index Rate Period, which date shall be a Business Day not earlier than the 30th day following the second Business Day after receipt by the Trustee of the Written Direction of the Issuer, and either (A) in the case of a Conversion from a Commercial Paper Interest Rate Period, an Index Rate Period or a Term Rate Period, the day immediately following the last day of such Interest Rate Period, or (B) a day on which all of the Outstanding Bonds of such Series are subject to optional redemption pursuant to Section 4.03(b) or an applicable Supplemental Indenture; (ii) the last day of such Index Rate Period, which day shall be either the day immediately prior to the Final Maturity Date for the applicable Series of Bonds, or a day which immediately precedes a Business Day. In addition, such direction of the Issuer shall be accompanied by the form of a Favorable Opinion of Bond Counsel

proposed to be delivered on the Conversion Date and a form of the notice to be mailed by the Trustee pursuant to Section 2.09(d).

(d) *Notice of Conversion to or Continuation of Index Rate.* Following timely receipt of a Written Direction of the Issuer directing the Conversion of a Series of Bonds to the Index Rate Period as provided in Section 2.09(b), the Trustee shall give notice by first-class mail of the Conversion of such Bonds to bear interest in a (or the establishment of another) Index Rate Period for a Series of Bonds to the Owners of the Bonds of such Series not less than thirty (30) days prior to the proposed effective date of such Index Rate Period. Such notice shall be in the form provided to Trustee pursuant to Section 2.09(c) to state: (i) that the Interest Rate Period for such Bonds shall be converted to, or continue to be, an Index Rate Period unless (A) the Issuer rescinds its election to convert the Interest Rate Period for the Bonds of such Series to an Index Rate Period as provided in Section 2.10(b) or (B) Bond Counsel shall fail to deliver a Favorable Opinion of Bond Counsel as to such Conversion on the Index Rate Conversion Date; (ii) that such Bonds are subject to mandatory tender for purchase on the Index Rate Conversion Date and setting forth the applicable Purchase Price and the place of delivery for purchase of such Bonds; and (iii) that the Bonds of such Series are subject to mandatory tender for purchase on the proposed Conversion Date unless the Issuer rescinds its election to convert the Interest Rate Period for the Bonds of such Series to an Index Rate Period as provided in Section 2.10(b); and (iv) the applicable Purchase Price and the place of delivery for purchase of such Bonds.

Section 2.10. Notice of Conversion. (a) In the event that the Issuer shall elect to convert the Interest Rate Period for a Series of Bonds to a Daily Interest Rate Period, a Weekly Interest Rate Period, a Term Rate Period, an Index Rate Period or a Commercial Paper Interest Rate Period as provided in this Article II, then the Written Direction of the Issuer required to be delivered to the Trustee by the applicable provision of this Article II shall be given by registered or certified mail, or by Electronic Means.

(b) Notwithstanding anything in this Article II, in connection with any Conversion of the Interest Rate Period for a Series of Bonds, the Issuer shall have the right to deliver to the Trustee and the Remarketing Agent (if any), on or prior to 10:00 a.m., New York City time, on the third Business Day preceding the effective date of any such Conversion a Written Direction of the Issuer to the effect that the Issuer elects to rescind its election to make such Conversion. If the Issuer rescinds its election to make such Conversion, then the Interest Rate Period shall not be converted and the Bonds of the applicable Series shall continue to bear interest in the Daily Interest Rate Period, Weekly Interest Rate Period, Term Rate Period, Commercial Paper Interest Rate Period or Index Rate Period, as the case may be, as in effect immediately prior to such proposed Conversion, and the Term Rate Tender Date or Index Rate Tender Date, if applicable, for any such Series of Bonds shall also remain unchanged from that in effect immediately prior to such proposed Conversion.

(c) No Conversion of a Series of Bonds from one Interest Rate Period to another, and no continuation or establishment of a new Term Rate Period or Index Rate Period, shall take effect

under this Indenture unless each of the following conditions, to the extent applicable, shall have been satisfied:

(i) the Trustee shall have received a Favorable Opinion of Bond Counsel with respect to such Conversion;

(ii) with respect to any Series of Bonds bearing interest at an Index Rate or a Term Rate, no Conversion may occur with respect to such Bonds earlier than (A) the Business Day following the last day of the applicable Interest Rate Period or (B) a day on which all of the Outstanding Bonds of such Series are subject to optional redemption pursuant to Section 4.03(b) or an applicable Supplemental Indenture;

(iii) in the case of any Conversion of the Interest Rate Period for a Series of Bonds to a Daily Interest Rate Period, a Weekly Interest Rate Period or a Commercial Paper Interest Rate Period, prior to the Conversion Date the Issuer shall have appointed a Remarketing Agent and shall have executed and delivered a Remarketing Agreement with respect to such Series of Bonds, and shall have obtained a Liquidity Facility with respect to such Series of Bonds as required by Section 2.11;

(iv) in the case of a Conversion of the Interest Rate Period for a Series of Bonds to an Index Rate Period, prior to the Conversion Date the Issuer shall have appointed a Calculation Agent and executed and delivered a Calculation Agent Agreement with respect to such Series of Bonds; and

(v) the remarketing proceeds available on the Conversion Date shall not be less than the amount required to purchase all of the Bonds of such Series at the applicable Purchase Price (unless the Issuer in its sole discretion elects to transfer to the Trustee the amount of such deficiency on or before the Conversion Date).

(d) If any condition to the Conversion of the Interest Rate Period for a Series of Bonds shall not have been satisfied, then the Interest Rate Period shall not be converted and the Bonds of the applicable Series shall continue in the Daily Interest Rate Period, Weekly Interest Rate Period, Index Rate Period, Term Rate Period, or Commercial Paper Interest Rate Period, as the case may be, as in effect immediately prior to such proposed Conversion (provided, that the period of any such continuing Term Rate Period shall be one year), and the Bonds of such Series shall continue to be subject to mandatory tender for purchase on the date which would have been the effective date of the Conversion as provided in Section 4.14.

Section 2.11. Liquidity Facility. In connection with the issuance of any Series of Bonds, or the Conversion of any Series of Bonds, to bear interest in a Daily Interest Rate Period, a Weekly Interest Rate Period, an Index Rate Period or a Commercial Paper Interest Rate Period, the Issuer shall obtain a Liquidity Facility for such Series of Bonds, and the Issuer may elect to obtain a Liquidity Facility for any Series of Bonds bearing interest in a Term Rate Period or an Index Rate Period. Provisions concerning any Liquidity Facility so obtained with respect to such Series of Bonds shall be set forth in a Supplemental Indenture.

Section 2.12. Provisions Regarding Commodity Swaps. (a) In connection with the Clean Energy Project, the Issuer shall enter into the initial Commodity Swaps with the Commodity Swap Counterparties. The following shall apply to each Commodity Swap:

(i) The method for the calculation of the Commodity Swap Payments and Commodity Swap Receipts, as applicable, and the scheduled payment dates therefor, are set forth in Schedule III hereto.

(ii) Commodity Swap Payments shall be made by the Trustee (for the account of the Issuer) from the Commodity Swap Payment Fund.

(iii) Commodity Swap Receipts shall be payable directly to the Trustee (for the account of the Issuer) and shall be deposited directly into the Revenue Fund.

(b) The following shall apply with respect to restrictions on replacement and termination of the Commodity Swaps:

(i) Except as provided in clause (iii) below, the Issuer agrees that it will not exercise any right to declare an early termination date under the Commodity Swap unless either (A) the Issuer has entered into a replacement Commodity Swap in accordance with clause (ii) or (iii) below, and such replacement Commodity Swap will be effective as of such early termination date and cover price exposure from and after such early termination date, or (B) the Issuer causes or permits the termination of the Prepaid Energy Sales Agreement prior to or as of such early termination date.

(ii) The Issuer may replace a Commodity Swap (and any related guaranty of a Commodity Swap Counterparty's obligations thereunder) with a similar agreement for the same hedging purposes with an alternate Commodity Swap Counterparty at any time upon delivery to the Trustee of a Rating Confirmation.

(iii) If a Commodity Swap is subject to termination (or, in the case of clause (B) below, is terminated) by either party in accordance with its terms, then (A) the Issuer may, subject to clause (i) above, terminate the Commodity Swap if the Issuer has the right to do so, and (B) the Issuer may enter into a replacement Commodity Swap with an alternate Commodity Swap Counterparty without Rating Confirmation, but only if the replacement Commodity Swap is identical in all material respects to the existing Commodity Swap, except for the identity of the Commodity Swap Counterparty, and (1) the replacement Commodity Swap Counterparty (or its credit support provider under the Commodity Swap) is then rated at least the lower of (a) the credit rating of the Energy Supplier, or if the Energy Supplier is not rated, the guarantor of the Energy Supplier or (b) the rating then assigned by each Rating Agency to the Bonds, or (2) the Commodity Swap Counterparty provides such collateral and security arrangements as the Issuer shall determine to be necessary, and (3) in either case, the replacement Commodity Swap Counterparty enters into a replacement Energy Supplier Custodial Agreement with the Energy Supplier and the Custodian that is identical in all material respects to the existing Energy Supplier Custodial Agreement.

(c) The following shall apply with respect to the mandatory termination of the Commodity Swap and Prepaid Energy Sales Agreement:

(i) Upon the occurrence of a Commodity Swap Mandatory Termination Event, the Issuer shall (A) notify the Energy Supplier of such event pursuant to Section 17.5(a) of the Prepaid Energy Sales Agreement, and (B) in accordance with Section 17.5(a) of the Prepaid Energy Sales Agreement, use its good faith efforts to replace the Commodity Swap with an alternate Commodity Swap, subject to the conditions of subsection (b)(ii) above, during the 120 day replacement period contemplated by Section 17.5(a) of the Prepaid Energy Sales Agreement or any period that the Custodian, under the terms of the Custodial Agreements, is making payments (an “*Alternate Replacement Period*”), *provided* that any such Alternate Replacement Period shall end on the earlier of the date on which the Custodian ceases making payments under the Custodial Agreements and the date of the sixth consecutive monthly payment by the Custodian.

(ii) If the Issuer is unable to enter into an alternate Commodity Swap pursuant to clause (i)(B) above during such 120-day replacement period or Alternate Replacement Period, as applicable, the Issuer shall (A) designate an Early Termination Date for the Prepaid Energy Sales Agreement in accordance with Section 17.4(b) of the Prepaid Energy Sales Agreement, with such Early Termination Date occurring immediately at the end of such replacement period, and (B) unless the Commodity Swap has been terminated automatically pursuant to Section 6(a) thereof, designate an early termination date for the Commodity Swap pursuant to Section 6(a) thereof with such early termination date occurring concurrently with the Early Termination Date under the Prepaid Energy Sales Agreement described in clause (A) above.

(iii) A “*Commodity Swap Mandatory Termination Event*” occurs if the Commodity Swap becomes terminable by the Issuer pursuant to Part 1(h)(ii) (failure to pay after cure period) of the Schedule to the Commodity Swap.

Section 2.13. Provisions Regarding Interest Rate Swap. (a) In connection with the issuance of any Variable Rate Series of Bonds, or the Conversion of any Series of Bonds, to bear interest in a Daily Interest Rate Period, a Weekly Interest Rate Period, an Index Rate Period or a Commercial Paper Interest Rate Period, the Issuer shall enter into an Interest Rate Swap with an Interest Rate Swap Counterparty. The following shall apply to the Interest Rate Swap:

(i) The method for the calculation of the Interest Rate Swap Payments and Interest Rate Swap Receipts, as applicable, and the scheduled payment dates therefor are set forth in the Interest Rate Swap;

(ii) Interest Rate Swap Payments shall be made by the Trustee (for the account of the Issuer) from the Debt Service Account on parity with principal and interest payments on Bonds; and

(iii) Interest Rate Swap Receipts shall be payable directly to the Trustee (for the account of the Issuer) and shall be deposited directly into the Debt Service Account.

(b) The following shall apply with respect to restrictions on replacement and termination of the Interest Rate Swap:

(i) The Issuer agrees that it will not exercise any right to declare an early termination date under the Interest Rate Swap unless either (A) the Issuer has entered into a replacement Interest Rate Swap in accordance with clause (ii) and (iii) below, and such replacement Interest Rate Swap will be effective as of such early termination date and cover interest rate exposure from and after such early termination date, or (B) in all other cases, the Prepaid Energy Sales Agreement will terminate prior to or as of such early termination date.

(ii) The Issuer may replace the Interest Rate Swap (and any related guaranty of the Interest Rate Swap Counterparty's obligations thereunder) with a similar agreement for the same hedging purposes with an alternate Interest Rate Swap Counterparty at any time upon delivery to the Trustee of a Rating Confirmation.

(iii) If the Interest Rate Swap is subject to termination (or, in the case of clause (B) below, is terminated) by either party in accordance with its terms, then (A) the Issuer may, subject to clause (i) above, terminate the Interest Rate Swap if the Issuer has the right to do so, and (B) the Issuer may enter into a replacement Interest Rate Swap with an alternate Interest Rate Swap Counterparty without Rating Confirmation, but only if the replacement Interest Rate Swap is identical in all material respects to the existing Interest Rate Swap, except for the identity of the Interest Rate Swap Counterparty, and (1) the alternate Interest Rate Swap Counterparty (or its credit support provider under the Interest Rate Swap) is then rated at least the lower of (a) the credit rating of the Energy Supplier, or if the Energy Supplier is not rated, the guarantor of the Energy Supplier or (b) at least as highly as the rating then assigned by each Rating Agency to the Bonds, or (2) the Interest Rate Swap Counterparty provides such collateral and security arrangements as the Issuer shall determine to be necessary.

Section 2.14. CPI Index Rate Periods. The provisions of this Section 2.14 shall apply to Index Rate Bonds bearing interest in a CPI Index Rate Period.

(a) *Determination of Applicable Spread.* In connection with the issuance of a Series of Bonds bearing interest at a CPI Index Rate, or the Conversion of the Interest Rate Period for a Series of Bonds to a CPI Index Rate Period, the Underwriter or Remarketing Agent, as applicable, shall determine the Applicable Spread for such Bonds for the duration of the applicable CPI Index Rate Period, and such Applicable Spread shall be specified in the Supplemental Indenture or Index Rate Determination Certificate for the applicable CPI Index Rate Period. The Applicable Spread for a CPI Index Rate Period shall be such amount as shall result in the minimum interest rate(s) which, if borne by the Bonds of the applicable Series as of the first day of the applicable CPI Index Rate Period, under Prevailing Market Conditions, would enable the Underwriter or the Remarketing Agent, as applicable, to sell the Bonds at a price equal to 100% of the aggregate principal amount of such Bonds on the first day of the applicable CPI Index Rate Period.

(b) *Determination of CPI Index Rate.*

(i) During any CPI Index Rate Period for a Series of Bonds, such Bonds shall bear interest at the CPI Index Rate, determined using the CPI Index Rate Formula and the Applicable Spread, as specified in the applicable Index Rate Determination Certificate delivered to the Trustee on the first day of such CPI Index Rate Period.

(ii) The Calculation Agent shall by noon, New York time, on each CPI Index Rate Reset Date (or, if such CPI Index Rate Reset Date is not a Business Day, on the next succeeding Business Day) determine the CPI Index Rate for the CPI Interest Rate Period that begins on such CPI Index Rate Reset Date. The Calculation Agent shall also calculate and provide to the Issuer and the Trustee the amount of interest due and payable on each Interest Payment Date for the applicable Series of Bonds at least two Business Days prior to such Interest Payment Date. The Calculation Agent shall furnish each CPI Index Rate so determined to the Issuer and the Trustee by Electronic Means not later than each CPI Index Rate Reset Date. Upon the written request of any Holder, the Trustee shall confirm the CPI Index Rate then in effect. All percentages resulting from any step in the calculation of interest on a Series of Bonds while in a CPI Index Rate Period will be rounded, if necessary, to the nearest hundred thousandth of a percentage point (*i.e.*, to five decimal places) with five millionths of a percentage point rounded upward, and all dollar amounts used in or resulting from such calculation of interest on such Bonds while in an Index Rate Period will be rounded to the nearest cent (with one-half cent being rounded upward).

(iii) During any CPI Index Rate Period, interest shall be computed on the basis of a 360-day year of twelve 30 day calendar months.

(iv) In determining the interest rate that any Bond shall bear as provided in this Section 2.14, neither the Underwriter nor the Remarketing Agent, as applicable, the Calculation Agent, nor the Trustee shall have any liability to the Issuer or the Holder of such Bond, except for its negligence or willful misconduct.

(v) If the CPI is not reported on Bloomberg CPURNSA for a particular month by 11:00 a.m. on a CPI Index Rate Reset Date, but the CPI has otherwise been published by the BLS, the Calculation Agent will determine the CPI as published by the BLS for such month using a source it deems to be accurate and appropriate. If the CPI is not published by the BLS for a particular month by 11:00 a.m. on a CPI Index Rate Reset Date, the Calculation Agent will determine the CPI with reference to an index number based on the last twelve-month change in the CPI available and announced by the Department of the Treasury for its Inflation-Indexed Securities as described at 62 Federal Register 846-874 (January 6, 1997) (the "*Treasury Inflation-Indexed Securities Regulation*") or, if no such index number is announced, in accordance with general market practice at the time.

(vi) In calculating CPI_t and CPI_{t-12}, the Calculation Agent will use the most recently available value of the CPI determined as described above on the applicable Interest Reset Date, even if such value has been adjusted from a prior reported value for the relevant month. However, if a value of CPI_t and CPI_{t-12} used by the Calculation Agent on any Interest Reset Date to determine the interest rate on the CPI Bonds (an “*Initial CPI Value*”) is subsequently revised by the BLS, the Calculation Agent will continue to use the Initial CPI Value for all purposes hereunder, and the interest rate on the related CPI Index Rate Reset Date, as determined based upon the Initial CPI Value, will not be revised.

(c) *CPI Index Rate Continuation.*

(i) On any Mandatory Purchase Date pursuant to Section 4.13 and unless the Issuer has given notice with respect to the Conversion of the Bonds to an Interest Rate Period other than the CPI Index Rate Period, the Issuer may establish a new CPI Index Rate Period and a new CPI Index Rate for the Bonds with such right to be exercised by delivery of an Index Rate Continuation Notice to the Trustee no less than 30 days prior to the effective date of the new CPI Index Rate Period. The CPI Index Rate Continuation Notice shall be accompanied by a letter of Bond Counsel to the effect that Bond Counsel expects to be able to deliver a Favorable Opinion of Bond Counsel on the effective date of the new CPI Index Rate Period.

(ii) Any establishment of a new CPI Index Rate and CPI Index Rate Period for a Series of Bonds pursuant to paragraph (i) above must comply with the following conditions:

(A) the first day of such new CPI Index Rate Period must be a Mandatory Purchase Date for such Bonds pursuant to the provisions of Section 4.13, and such Bonds shall be required to be tendered for purchase on such date;

(B) the first day of such new CPI Index Rate Period must be a Business Day; and

(C) no new CPI Index Rate shall become effective unless (x) the Favorable Opinion of Bond Counsel referred to in paragraph (i) above is delivered on the first day of the new CPI Index Rate Period and (y) there is no Failed Remarketing on the Mandatory Purchase Date on which such new CPI Index Rate Period is to become effective.

(iii) Upon receipt by the Trustee of a CPI Index Rate Continuation Notice from an Authorized Officer, as soon as practicable, but in any event not less than 10 Business Days prior to the first day of the proposed CPI Index Rate Period, the Issuer (or any dissemination agent appointed by the Issuer) shall give notice by

first class mail or by Electronic Means via EMMA to the Holders of the Bonds of the applicable Series, which notice shall state in substance:

(A) that a new CPI Index Rate Period and CPI Index Rate is to be established for such Bonds and the proposed effective date of such new CPI Index Rate Period (which date shall be the Mandatory Purchase Date for such Bonds pursuant to Section 4.13), and that such new CPI Index Rate Period and CPI Index Rate will become effective on such date if the conditions specified in this Section 2.14 are satisfied on or before such date;

(B) that all Bonds of the applicable Series are subject to mandatory tender for purchase on the applicable Mandatory Purchase Date pursuant to Section 4.13 (whether or not the proposed new CPI Index Rate Period becomes effective on such date) at the Purchase Price, which shall be specified therein;

(C) the first day of the new CPI Index Rate Period;

(D) that the new CPI Index Rate Period and CPI Index Rate for the Bonds shall not be established unless a Favorable Opinion of Bond Counsel is delivered to the Trustee on the first day of the new CPI Index Rate Period and no Failed Remarketing occurs on such date;

(E) the CUSIP numbers or other identification information of the Bonds of the applicable Series; and

(F) that, to the extent that there shall be on deposit with the Trustee on the first day of the new CPI Index Rate Period an amount of money sufficient to pay the Purchase Price thereof, all the Bonds not delivered to the Trustee on or prior to such date shall be deemed to have been properly tendered for purchase and shall cease to constitute or represent a right on behalf of the Holder thereof to the payment of principal thereof or interest thereon and shall represent and constitute only the right to payment of the Purchase Price on deposit with the Trustee, without interest accruing thereon after such date.

(d) *End of CPI Index Rate Period.* In the event the Issuer has not given a CPI Index Rate Continuation Notice or other Written Notice reasonably acceptable to the Trustee with respect to the Conversion of Bonds to an Interest Rate Period other than a CPI Index Rate Period, in either case at the time required by this Indenture, or if the conditions to the effectiveness of a new CPI Index Rate Period and new CPI Index Rate set forth above are not satisfied, including as a result of the Remarketing Agent's failure to establish a CPI Index Rate as herein provided, then the Bonds of the applicable Series shall be purchased on the applicable Mandatory Purchase Date pursuant to Section 4.13 and a Failed Remarketing shall be deemed to have occurred and the Bonds shall not be remarketed.

ARTICLE III

GENERAL TERMS AND PROVISIONS OF BONDS

Section 3.01. Medium of Payment; Form and Date; Letters and Numbers. (a) The Bonds shall be payable, with respect to interest, principal and Redemption Price, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

(b) The Bonds may be issued only in the form of fully registered Bonds without coupons, in Authorized Denominations. The Bonds shall be in substantially the form set forth in *Exhibit A* hereto, and may be printed, engraved, typewritten or otherwise produced.

(c) Unless the Issuer shall otherwise direct, the Bonds shall be numbered from one upward, with a separate designation for each Series.

Section 3.02. Legends. The Bonds may contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of this Indenture as may be necessary or desirable to comply with custom, the rules of any securities exchange or commission or brokerage board, or otherwise, as may be determined by the Issuer prior to the authentication and delivery thereof.

Section 3.03. Execution and Authentication. (a) The parties agree that the Electronic Signature of a party to this Indenture, including all acknowledgements, authorizations, directions, waivers and consents thereto (or any amendment or supplement thereto) shall be as valid as an original signature of such party and shall be effective to bind such party to this Indenture. The parties agree that any Electronically Signed document (including this Indenture) shall be deemed (i) to be “written” or “be in writing,” (ii) to have been signed, and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. For purposes hereof, “Electronic Signature” or “Electronically Signed” means a manually signed original signature that is then transmitted by Electronic Means and containing, or to which there is affixed, an Electronic Signature.

(b) The Bonds shall be executed on behalf of the Issuer by the manual or facsimile signature of the Chair or any other Authorized Officer of the Issuer, and attested by the manual or facsimile signature of the Secretary of the Issuer or any other Authorized Officer. In case any one or more of the officers who shall have signed any of the Bonds shall cease to be such officer before the Bonds so signed shall have been authenticated and delivered by the Trustee, such Bonds may, nevertheless, be authenticated and delivered as herein provided, and may be issued as if the Persons who signed such Bonds had not ceased to hold such offices. Any Bond may be signed on behalf of the Issuer by such Persons as at the time of the execution of such Bonds shall be duly authorized or hold the proper office in the Issuer, although at the date borne by the Bonds such Persons may not have been so authorized or have held such office.

(c) The Bonds shall bear thereon a certificate of authentication, in the form set forth in *Exhibit A* hereto, executed manually by the Trustee. Only such Bonds as shall bear thereon such

certificate of authentication shall be entitled to any right or benefit under this Indenture, and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any Bond executed on behalf of the Issuer shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered under this Indenture and that the Holder thereof is entitled to the benefits of this Indenture.

(d) The parties agree that the Electronic Signature of a party to this Indenture, including all acknowledgements, authorizations, directions, waivers and consents thereto (or any amendment or supplement thereto) shall be as valid as an original signature of such party and shall be effective to bind such party to this Indenture. The parties agree that any Electronically Signed Document (including this Indenture) shall be deemed (i) to be “written” or “in writing,” (ii) to have been signed, and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. For purposes hereof, “Electronic Signature” means a manually signed original signature that is then transmitted by Electronic Means; “transmitted by Electronic Means” means sent in the form of a facsimile or sent via the Internet as a pdf (portable document format) or other replicating image attached to an e-mail message; and, “Electronically Signed Document” means a document transmitted by Electronic Means and containing, or to which there is affixed, an Electronic Signature. Paper copies or “printouts,” if introduced as evidence in any judicial, arbitral, mediation or administrative proceeding, will be admissible as between the parties to the same extent and under the same conditions as other original business records created and maintained in documentary form. Neither party shall contest the admissibility of true and accurate copies of Electronically Signed Documents on the basis of the best evidence rule or as not satisfying the business records exception to the hearsay rule.

Section 3.04. Exchange, Transfer and Registry. (a) The Bonds shall be registered and transferred only upon the books of the Issuer, which shall be held and controlled by the Bond Registrar and kept for such purposes at the designated corporate trust office of the Bond Registrar, and may be transferred by the registered owner thereof in person or by its attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer, in form and with guaranty of signature satisfactory to the Bond Registrar duly executed by the registered owner or its duly authorized attorney and in compliance with the applicable terms of this Indenture. The transferor shall also provide, or cause to be provided, to the Trustee all information reasonably required by the Trustee to allow it to comply with any applicable federal, state or local tax reporting obligations, including, without limitation, any cost-basis reporting obligations under Internal Revenue Code Section 6045. The Trustee may rely on such information provided to it and shall have no responsibility to verify or ensure the accuracy of such information. Upon the registration of transfer of any Bond, the Issuer shall issue in the name of the transferee a new Bond or Bonds of the same Series, aggregate principal amount and maturity as the surrendered Bond.

(b) The registered owner of any Bond or Bonds of one or more denominations shall have the right to exchange such Bond or Bonds for a new Bond or Bonds of any denomination then authorized for such Bond or Bonds of the same Series, aggregate principal amount and maturity of the surrendered Bond or Bonds. Such Bond or Bonds shall be exchanged by the Issuer for a new Bond or Bonds upon the request of the registered owner thereof in person or by its attorney

duly authorized in writing, upon surrender of such Bond or Bonds together with a written instrument requesting such exchange, in form satisfactory to the Bond Registrar duly executed by the registered owner or its duly authorized attorney.

(c) The Issuer and each Fiduciary may deem and treat the Person in whose name any Bond shall be registered upon the Bond registration books maintained by the Bond Registrar as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon its order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer nor any Fiduciary shall be affected by any notice to the contrary.

Section 3.05. Regulations With Respect to Exchanges and Registration of Transfers. In all cases in which the privilege of exchanging or registering the transfer of Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Indenture. All Bonds surrendered in any such exchanges or registration of transfer shall forthwith be delivered to the Trustee and cancelled or retained by the Trustee. Prior to every such exchange or registration of transfer of Bonds, whether temporary or definitive, the Trustee or the Bond Registrar may require the Holder to pay an amount sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer. Every applicable person that transfers Bonds in any such exchange or transfer shall also timely provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligation, including without limitation any cost-basis reporting obligations under section 6045 of the Internal Revenue Code and the applicable Treasury Regulations promulgated thereunder. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information. Unless otherwise provided in a Supplemental Indenture, neither the Trustee nor the Bond Registrar shall be required (a) to register the transfer or exchange of Bonds for the period next preceding any Interest Payment Date for the Bonds, beginning with the Regular Record Date for such Interest Payment Date and ending on such Interest Payment Date, or for the period next preceding any date for the proposed payment of Defaulted Interest with respect to such Bonds beginning with the Special Record Date for the date of such proposed payment and ending on the date of such proposed payment, (b) to register the transfer or exchange of Bonds for a period beginning 15 days before the mailing of any notice of redemption of such Bonds and ending on the day of such mailing, or (c) to register the transfer or exchange of any Bonds called for redemption. Every Person that transfers Bonds shall timely provide or cause to be timely provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost-basis reporting obligations under Section 6045 of the Internal Revenue Code and regulations promulgated thereunder. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

Section 3.06. Bonds Mutilated, Destroyed, Stolen or Lost. If any Bond becomes mutilated or is lost, stolen or destroyed, the Issuer may execute and the Trustee shall authenticate and deliver a new Bond of like Series, date of issue, maturity date, principal amount and interest rate per annum as the Bond so mutilated, lost, stolen or destroyed, *provided* that (a) in the case of such

mutilated Bond, such Bond is first surrendered to the Issuer, (b) in the case of any such lost, stolen or destroyed Bond, there is first furnished evidence of such loss, theft or destruction satisfactory to the Issuer together with indemnity satisfactory to the Issuer and the Trustee, (c) all other reasonable requirements of the Issuer set forth in a Written Statement of Issuer delivered to the Trustee are complied with, and (d) expenses in connection with such transaction are paid by the Holder. Any Bond surrendered for registration or transfer shall be cancelled. Any such new Bonds issued pursuant to this Section in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the Issuer, whether or not the Bonds so alleged to be destroyed, stolen or lost be at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Bonds issued under this Indenture, in any moneys or securities held by the Issuer or any Fiduciary for the benefit of the Bondholders.

Section 3.07. Temporary Bonds. (a) Until the definitive Bonds are prepared, the Issuer may execute, in the same manner as is provided in Section 3.03, and upon the request of the Issuer, the Trustee shall authenticate and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, one or more temporary Bonds substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The Issuer at its own expense shall prepare and execute and, upon the surrender of such temporary Bonds for exchange and the cancellation of such surrendered temporary Bonds, the Trustee shall authenticate and, without service charge to the Holder thereof (except a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto), deliver in exchange therefor, definitive Bonds of the same aggregate principal amount and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds authenticated and issued pursuant to this Indenture.

(b) All temporary Bonds surrendered in exchange either for another temporary Bond or Bonds or for a definitive Bond or Bonds shall be forthwith cancelled by the Trustee.

Section 3.08. Payment of Interest on Bonds; Interest Rights Preserved. Interest on any Bond which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Bond is registered at the close of business on the Regular Record Date.

Any interest on any Bond which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (hereinafter, "*Defaulted Interest*") shall forthwith cease to be payable to the Person who was the registered owner on the relevant Regular Record Date; and such Defaulted Interest shall be paid by the Issuer to the Persons in whose names the Bonds are registered at the close of business on a date (hereinafter, the "*Special Record Date*") for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Bond Registrar in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment, and at the same time the Issuer shall deposit with the Paying Agents an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to and approved in

writing by the Paying Agents for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this Section provided. Thereupon the Bond Registrar shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days or less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Bond Registrar of the written notice of the proposed payment. The Bond Registrar shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each Bondholder at its address as it appears upon the registry books, not less than 10 days prior to such Special Record Date.

Subject to the foregoing provisions of this Section, each Bond delivered under this Indenture upon registration or transfer of or in exchange for or in lieu of any other Bond shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond.

Section 3.09. Book Entry System; Appointment of Securities Depository. All Bonds shall be registered in the name of Cede & Co., as nominee for DTC, as Securities Depository, and held in the custody or for the account of the Securities Depository. A single certificate will be issued and delivered to the Securities Depository for each maturity of Bonds, and the Beneficial Owners will not receive physical delivery of Bond certificates except as provided in this Indenture. For so long as the Securities Depository shall continue to serve as securities depository for the Bonds as provided herein, all transfers of Beneficial Ownership interests will be made by book entry only, and no investor or other party purchasing, selling or otherwise transferring Beneficial Ownership of Bonds is to receive, hold or deliver any Bond certificate. In connection with any proposed transfer outside the Book Entry System, the Issuer or the Securities Depository shall provide, or cause to be provided, to the Trustee all information reasonably required by the Trustee to allow it to comply with any applicable federal, state or local tax reporting obligations, including, without limitation, any cost-basis reporting obligations under Internal Revenue Code Section 6045. The Trustee may rely on such information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

The Issuer may, with Written Notice to the Trustee but without the consent of any Bondholders, appoint a successor Securities Depository and enter into an agreement with the successor Securities Depository, to establish procedures with respect to a Book Entry System for the Bonds not inconsistent with the provisions of this Indenture. Any successor Securities Depository shall be a “clearing agency” registered under Section 17A of the Securities Exchange Act of 1934, as amended.

The Issuer and the Trustee may rely conclusively upon (i) a certificate of the Securities Depository as to the identity of the Participants in the Book Entry System with respect to the Bonds, and (ii) a certificate of any such Participant as to the identity of, and the respective principal amount of the Bonds beneficially owned by the Beneficial Owners.

Whenever, during the term of the Bonds, the Beneficial Ownership of any Series thereof is determined by a book entry at the Securities Depository, the requirements in this Indenture of holding, delivering or transferring such Bonds shall be deemed modified to require the appropriate

Person to meet the requirements of the Securities Depository as to registering or transferring the book entry to produce the same effect. Any provision hereof permitting or requiring delivery of the Bonds shall, while such Bonds are in such Book Entry System, be satisfied by the notation on the books of the Securities Depository in accordance with applicable state law. Notwithstanding the foregoing, the Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any security (including any transfers between or among Securities Depository Participants or Beneficial Owners) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Except as otherwise specifically provided herein with respect to the rights of Participants and Beneficial Owners, when a Book Entry System is in effect, the Issuer and the Trustee may treat the Securities Depository (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal, Redemption Price or Purchase Price of and interest on such Bonds or portion thereof to be redeemed or purchased, of giving any notice permitted or required to be given to the Bondholders under this Indenture and of voting, and neither the Issuer nor the Trustee shall be affected by any notice to the contrary. Neither the Issuer nor the Trustee will have any responsibility or obligations to the Securities Depository, any Participant, any Beneficial Owner or any other Person which is not shown on the bond register, with respect to (a) the accuracy of any records maintained by the Securities Depository or any Participant; (b) the payment by the Securities Depository or by any Participant of any amount due to any Beneficial Owner in respect of the principal amount, Redemption Price or Purchase Price of, or interest on, any Bonds; (c) the delivery of any notice by the Securities Depository or any Participant; (d) the selection of the Beneficial Owners to receive payment in the event of any partial redemption of any of the Bonds; or (e) any other action taken by the Securities Depository or any Participant. The Trustee shall pay all principal or Redemption Price of and interest on the Bonds registered in the name of Cede only to or “upon the order of” the Securities Depository (as that term is used in the Uniform Commercial Code as adopted in the State and New York), and all such payments shall be valid and effective to fully satisfy and discharge the Issuer’s obligations with respect to the principal, Redemption Price or purchase price of and interest on such Bonds to the extent of the sum or sums so paid.

The Book Entry System may be discontinued by the Trustee and the Issuer, at the Written Direction and expense of the Issuer, and the Issuer and the Trustee will cause the delivery of Bond certificates to such Beneficial Owners of the Bonds and registered in the names of such Beneficial Owners as shall be specified to the Trustee by the Securities Depository in writing, under the following circumstances:

- (i) The Securities Depository determines to discontinue providing its service with respect to any Bonds and no successor Securities Depository is appointed as described above. Such a determination may be made at any time by giving 30 days’ written notice to the Issuer and the Trustee and discharging its responsibilities with respect thereto under applicable law; or

(ii) The Issuer determines, with written notice to the Trustee, not to continue the Book Entry System through a Securities Depository for the Bonds.

When the Book Entry System is not in effect, all references herein to the Securities Depository shall be of no further force or effect.

In connection with any proposed transfer outside the Book Entry System of the Securities Depository, the Securities Depository and the Issuer shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation cost-basis reporting obligations under Section 6045 of the Internal Revenue Code and the applicable Treasury Regulations promulgated thereunder. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

Section 3.10. Subsidy Payments. In the event that one or more Series of Bonds are issued which qualify the Issuer to receive Subsidy Payments and the Issuer, in a Supplemental Indenture, pledges such Subsidy Payments to the repayment of the principal of, and interest on, the Bonds, then, to the extent such Subsidy Payments are received by the Trustee, they shall constitute Revenues under the Indenture.

Section 3.11. Limitation of Liability of the Issuer. Notwithstanding anything to the contrary herein or in the Bonds, all obligations of the Issuer to make payments of any kind pursuant to this Indenture are special, limited obligations of the Issuer, payable solely from, and secured solely by, the Trust Estate as and to the extent provided herein. The Issuer shall not be required to advance any moneys derived from any source other than the Revenues and other assets pledged under this Indenture for any of the purposes in this Indenture mentioned, whether for the payment of the principal of or interest on the Bonds or for any other purpose of this Indenture. Neither the faith and credit of the Issuer nor the taxing power of the State or any political subdivision thereof is pledged to payments pursuant to this Indenture or the Bonds. The Issuer shall not be directly, indirectly, contingently or otherwise liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reasons of or in connection with this Indenture or the Clean Energy Project, except solely to the extent Revenues are received for the payment thereof.

Any Series 2024_-2 Bonds so purchased may be remarketed in a new Interest Rate Period.

Section 4.04. Redemption Notice. (a) When the Trustee receives Written Notice from the Issuer of its election or direction to optionally redeem Bonds pursuant to Section 4.06, the Trustee shall give notice, in the name of the Issuer, or when redemption of Bonds is authorized or required pursuant to Section 4.01 or other than at the election or direction of the Issuer, pursuant to Section 4.07 the Trustee shall give notice, in the name of the Issuer, of the redemption of such Bonds by first class mail, postage prepaid, to the registered owner of each Bond being redeemed, at its address as it appears on the bond registration books of the Trustee or at such address as such

owner may have filed with the Trustee in writing for that purpose, as of the Regular Record Date, as follows:

- (i) for any redemption of the Bonds pursuant to Section 4.01, not less than 15 days prior to the redemption date;
- (ii) for redemptions of Bonds pursuant to Section 4.02(a) or Sections 4.03(a) and (b), not less than 30 days prior to the redemption date;
- (iii) for redemptions of Bonds pursuant to Section 4.02(b) or Section 4.03(c), not less than 15 days prior to the redemption date.

A notice of redemption of the Series 2024_ Bonds (A) pursuant to clause (iii) above may include a statement that, if the Series 2024_ Bonds are not redeemed for any reason, the Series 2024_ Bonds shall be subject to mandatory tender for purchase on the Initial Mandatory Purchase Date, and (B) pursuant to clause (i) or clause (iii) above may be combined with notice of the mandatory tender of the Series 2024_ Bonds on the Initial Mandatory Purchase Date pursuant to Section 4.16, subject to the condition set forth in Section 4.16(b).

(b) In the event that the Bonds may be subject to extraordinary redemption as a result of a Failed Remarketing that could occur if the Trustee has not received the Purchase Price of the Bonds by noon New York City time on the fifth Business Day preceding a Mandatory Purchase Date, a notice of extraordinary redemption of the Bonds pursuant to this Section 4.04 may be a conditional notice of redemption, delivered in each case not less than 15 days prior to such Mandatory Purchase Date, stating that: (a) such redemption shall be conditioned upon the Trustee's failure to receive, by noon New York City time on the fifth Business Day preceding such Mandatory Purchase Date, the Purchase Price of the Bonds required to be purchased on such Mandatory Purchase Date, and (b) if the full amount of the Purchase Price has been received by the Trustee by noon New York City time on the fifth Business Day preceding such Mandatory Purchase Date, the Bonds shall be purchased pursuant to Section 4.13 or Section 4.14 hereof on such Mandatory Purchase Date rather than redeemed. If the full amount of the Purchase Price has been received by the Trustee by noon New York City time on the fifth Business Day preceding such Mandatory Purchase Date, the Trustee shall withdraw such conditional notice of redemption prior to such Mandatory Purchase Date and the Bonds shall be purchased pursuant to Section 4.13 or Section 4.14 hereof on such Mandatory Purchase Date rather than redeemed.

(c) Each notice of redemption shall identify the Bonds to be redeemed and shall state (i) the redemption date, (ii) the Redemption Price or the manner in which it will be calculated, (iii) that the Bonds called for redemption must be surrendered to collect the Redemption Price, (iv) the address at which the Bonds must be surrendered, and (v) that interest on the Bonds called for redemption ceases to accrue on the redemption date.

(d) With respect to any notice of optional redemption of Bonds, unless upon the giving of such notice such Bonds shall be deemed to have been paid within the meaning of Section 12.01 of this Indenture, such notice shall state that such redemption shall be conditioned upon the receipt by the Trustee on or prior to the date fixed for such redemption of money sufficient to pay the

Redemption Price of and interest on the Bonds to be redeemed, and that if such money shall not have been so received said notice shall be of no force and effect, and the Issuer shall not be required to redeem such Bonds. In the event that such notice of redemption contains such a condition and such money is not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such money was not so received and that such redemption was not made.

(e) Failure of the registered owner of any Bonds which are to be redeemed to receive any such notice, or any defect in such notice, shall not affect the validity of the proceedings for the redemption of any Bonds.

Section 4.05. Bonds Redeemed in Part. Upon surrender of a Bond redeemed in part, the Issuer will execute and the Trustee will authenticate and deliver to the Holder thereof a new Bond or Bonds of the same Series, maturity and tenor in Authorized Denominations equal in principal amount to the unredeemed portion of the Bond surrendered. Notwithstanding anything herein to the contrary, so long as the Bonds are held in the Book Entry System the Bonds will not be delivered as set forth above; rather transfers of Beneficial Ownership of such Bonds to the Person indicated above will be effected on the registration books of the Securities Depository pursuant to its rules and procedures.

Section 4.06. Redemption at the Election or Direction of the Issuer. In the case of any redemption of Bonds at the election or direction of the Issuer, the Issuer shall give Written Notice to the Trustee, at least five Business Days prior to the last date on which the Trustee is required to give notice of redemption pursuant to Section 4.04, of its election or direction so to redeem, the Series, Maturity Dates, principal amounts by Maturity Dates and CUSIP numbers of the Bonds to be redeemed, the Redemption Price or the manner in which it will be calculated for each Maturity Date of Bonds to be redeemed, and the date on which such Bonds are to be redeemed, and directing the Trustee to provide notice of such redemption to the Owners of such Bonds pursuant to Section 4.04 (maturities and principal amounts thereof to be redeemed shall be determined by the Issuer in its sole discretion). In the event notice of redemption shall have been given as in Section 4.04 provided, there shall be paid on or prior to the redemption date to the appropriate Paying Agents an amount in cash which, in addition to other moneys, if any, available therefor held by such Paying Agents, will be sufficient to redeem on the redemption date at the Redemption Price thereof, plus interest accrued and unpaid to the redemption date, all of the Bonds to be redeemed. The Issuer shall promptly notify the Trustee in writing of all such payments by it to such Paying Agents.

Section 4.07. Redemption Other Than at the Issuer's Election or Direction. Whenever by the terms of this Indenture the Trustee is required or authorized to redeem Bonds other than at the election or direction of the Issuer, the Trustee shall (i) select the Bonds or portions of Bonds to be redeemed, (ii) give the notice of redemption and (iii) pay out of moneys available therefor the Redemption Price thereof, plus interest accrued and unpaid to the redemption date, to the appropriate Paying Agents in accordance with the terms of this Article IV and, to the extent applicable, Section 5.07 and Section 5.08.

Section 4.08. Selection of Bonds To Be Redeemed. If less than all of the Bonds of like Series, tenor and maturity shall be called for redemption, the particular Bonds or portions of Bonds of such Series, tenor and maturity to be redeemed shall be selected by lot in such manner as the Trustee shall determine, in its sole discretion, from Bonds of such Series, tenor and maturity not previously called for redemption; *provided, however,* that the portion of any Bond of a denomination of more than a minimum Authorized Denomination to be redeemed shall be in the principal amount of such minimum Authorized Denomination or a multiple thereof, and that, in selecting portions of such Bonds for redemption, the Trustee shall treat each such Bond as representing that number of Bonds of a minimum Authorized Denomination which is obtained by dividing by such minimum Authorized Denomination the principal amount of such Bond to be redeemed in part.

Section 4.09. Payment of Redeemed Bonds. Notice having been given in the manner provided in Section 4.04 and, in the case of optional redemption of Bonds, sufficient moneys for payment of the Redemption Price of, together with interest accrued to the redemption date on such Bonds being held by the Trustee, the Bonds or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the applicable Redemption Price, and, upon presentation and surrender thereof at the office specified in such notice, such Bonds, or portions thereof, shall be paid at the Redemption Price. If there shall be drawn for redemption less than all of a Bond, the Issuer shall execute and the Trustee shall authenticate and the Paying Agent shall deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Bonds so surrendered, Bonds of like Series, maturity and tenor in any of the Authorized Denominations. If, on the redemption date, moneys for the redemption of all the Bonds or portions thereof of any like maturity to be redeemed, together with interest to the redemption date, shall be held by the Paying Agents so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date interest on the Bonds or portions thereof of so called for redemption shall cease to accrue and become payable. If said moneys shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption. Upon the payment of the Redemption Price of the Bonds or portions thereof being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

Section 4.10. Cancellation and Destruction of Bonds. All Bonds paid or redeemed either at or before maturity shall be delivered to the Trustee at its designated corporate trust office when such payment or redemption is made, and such Bonds, together with all Bonds purchased or redeemed pursuant to Section 5.10(c) that have been delivered to the Trustee for application as a credit against Sinking Fund Installments and all Bonds purchased by the Trustee pursuant to the Written Direction of the Issuer, shall thereupon be promptly cancelled (or deemed to have been cancelled). Bonds so cancelled may, to the extent permitted by law, at any time be destroyed by the Trustee, who shall execute a certificate of destruction in duplicate by the signature of one of its authorized officers describing the Bonds so destroyed, and one executed certificate shall be filed with the Issuer and the other executed certificate shall be retained by the Trustee.

Section 4.11. Optional Tender During Daily or Weekly Interest Rate Periods. (a) During any Daily Interest Rate Period or Weekly Interest Rate Period for a Series of Bonds, any Eligible Bond of such Series shall be purchased from its Owner at the option of the Owner on any Business Day at the applicable Purchase Price, payable in immediately available funds, upon delivery to the Trustee at its designated corporate trust office for delivery of notices and the Remarketing Agent of an irrevocable written notice which states the name of the Owner, the principal amount and the date on which the same shall be purchased, which date shall be a Business Day not prior to the seventh day next succeeding the date of the delivery of such notice to the Trustee. Any notice delivered to the Trustee after 4:00 p.m., New York City time, shall be deemed to have been received on the next succeeding Business Day. Payment of such Purchase Price shall be made from the sources and in the order of priority set forth in Section 4.15(e) on the date specified in such notice, provided such Bond is delivered, at or prior to 10:00 a.m., New York City time, on the date specified in such notice, to the Trustee at its designated corporate trust office, accompanied by an instrument of transfer thereof, in form satisfactory to the Trustee, executed in blank by the Owner thereof or by the Owner's duly authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange.

(b) So long as the Bonds are registered in the name of Cede & Co., as nominee for DTC, only direct or indirect Participants may give notice of the election to tender Bonds or portions thereof and the Beneficial Owners shall not have the right to tender Bonds directly to the Trustee, except through such Participants.

Section 4.12. Mandatory Tender for Purchase on Day Next Succeeding the Last Day of Each CP Interest Term. On the day next succeeding the last day of each CP Interest Term for an Eligible Bond in a Commercial Paper Interest Rate Period, unless such day is the first day of a new Interest Rate Period for such Bond (in which event such Bond shall be subject to mandatory purchase pursuant to Section 4.14), such Bond shall be purchased from its Owner at the applicable Purchase Price payable in immediately available funds, provided such Bond is delivered to the Trustee on or prior to 10:00 a.m., New York City time, on such day, or if delivered after 10:00 a.m., New York City time, on the next succeeding Business Day; *provided, however*, that in any event such Bond will not bear interest at the CP Interest Term Rate after the last day of the applicable CP Interest Term. The Purchase Price of any Bond so purchased shall be payable from the sources and in the order of priority set forth in Section 4.15(e) only upon surrender of such Bond to the Trustee at its designated corporate trust office, accompanied by an instrument of transfer thereof, in form satisfactory to the Trustee, executed in blank by the Owner thereof or by the Owner's duly authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange.

Section 4.13. Mandatory Tender for Purchase on the Mandatory Purchase Date, Index Rate Tender Date or Term Rate Tender Date. On the Mandatory Purchase Date, Index Rate Tender Date or Term Rate Tender Date for a Series of Bonds (which, for the avoidance of doubt, can occur only on a Mandatory Purchase Date), unless such day is the first day of a new Interest Rate Period for such Bonds (in which event such Bonds shall be subject to mandatory purchase pursuant to Section 4.14), each Eligible Bond of such Series shall be purchased from the Owner thereof at the applicable Purchase Price, payable in immediately available funds, provided such Bond is delivered to the Trustee on or prior to 10:00 a.m., New York City time, on such day, or if delivered

after 10:00 a.m., New York City time, on the next succeeding Business Day; *provided, however*, that in any event such Bond will not bear interest at the applicable Index Rate or Term Rate after the last day of the applicable Index Rate Period or Term Rate Period, respectively. The Purchase Price of any Bond so purchased shall be payable from the sources and in the order of priority specified in Section 4.15(e) only upon surrender of such Bond to the Trustee at its designated corporate trust office, accompanied by an instrument of transfer thereof, in form satisfactory to the Trustee, executed in blank by the Owner thereof or by the Owner's duly authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange. The Series 2024_ Bonds shall be subject to mandatory tender pursuant to this Section 4.13 on the Initial Mandatory Purchase Date.

Section 4.14. Mandatory Tender for Purchase on Conversion of Interest Rate Period. Eligible Bonds of a Series shall be subject to mandatory tender for purchase on each Conversion Date (which shall be a Mandatory Purchase Date) at the applicable Purchase Price, payable in immediately available funds. The Purchase Price of any Bond so purchased shall be payable from the sources and in the order of priority specified in Section 4.15(e) only upon surrender of such Bond to the Trustee at its designated corporate trust office, accompanied by an instrument of transfer thereof, in form satisfactory to such Trustee, executed in blank by the Owner thereof or by the Owner's duly authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange at or prior to 10:00 a.m., New York City time, on the date specified for such delivery in this paragraph or in the notice provided pursuant to Section 2.10.

Section 4.15. General Provisions Relating to Tenders.

(a) *Creation of Bond Purchase Fund.*

(i) There shall be created and established hereunder with the Trustee a fund to be designated the "Bond Purchase Fund" to be held in trust only for the benefit of the Owners of tendered Bonds who shall thereafter be restricted exclusively to the moneys held in such fund for the satisfaction of any claim for the Purchase Price of such tendered Bonds. The Bond Purchase Fund and the Accounts therein are not Pledged Funds.

(ii) There shall be created and designated the following Accounts with respect to each Series of Bonds within the Bond Purchase Fund: the "Remarketing Proceeds Account" and the "Issuer Purchase Account." Moneys paid to the Trustee for the purchase of tendered or deemed tendered Bonds of a Series received from (A) the Remarketing Agent shall be deposited in the Remarketing Proceeds Account for such Series in accordance with the provisions of Section 4.15(d)(i) and (B) the Issuer shall be deposited in the Issuer Purchase Account in accordance with the provisions of Section 4.15(d)(ii). Moneys provided by the Issuer not required to be used in connection with the purchase of tendered Bonds shall be returned to the Issuer in accordance with Section 4.15(d) and Section 4.15(e).

(iii) Moneys in the Issuer Purchase Account and the Remarketing Proceeds Account with respect to a Series of Bonds shall not be commingled with other funds held by the Trustee and shall remain uninvested. The Issuer shall have no right, title or interest in any of the funds held on deposit in the Remarketing Proceeds Account or any remarketing proceeds held for any period of time by the Remarketing Agent.

(b) *Deposit of Bonds.* The Trustee agrees to hold all Bonds delivered to it pursuant to Section 4.11, Section 4.12, Section 4.13 or Section 4.14 in trust for the benefit of the respective Owners which shall have so delivered such Bonds until moneys representing the Purchase Price of such Bonds have been delivered to such Owner in accordance with the provisions of this Indenture and until such Bonds shall have been delivered by the Trustee in accordance with Section 4.15(f).

(c) *Remarketing of Bonds.*

(i) Immediately upon its receipt, but not later than noon, New York City time on the following Business Day, from an Owner of a Bond bearing interest at a Daily Interest Rate or a Weekly Interest Rate of a notice pursuant to Section 4.11, the Trustee shall notify the Remarketing Agent by telephone, promptly confirmed in writing by Electronic Means, of such receipt, specifying the principal amount of Bonds for which it has received such notice, the names of the Owners thereof and the date on which such Bonds are to be purchased in accordance with Section 4.11.

(ii) As soon as practicable, but in no event later than 10:15 a.m., New York City time, on a Purchase Date, the Remarketing Agent shall inform the Trustee by telephone, promptly confirmed in writing, by Electronic Means, of the principal amount of Purchased Bonds to be purchased on such date, the name, address and taxpayer identification number of each such purchaser, and the Authorized Denominations in which such Purchased Bonds are to be delivered. Upon receipt from the Remarketing Agent of such information, and in no event later than 12:30 p.m., New York City time, on the Purchase Date, the Trustee shall prepare Purchased Bonds in accordance with such information received from the Remarketing Agent for the registration of transfer and redelivery to the Remarketing Agent pursuant to paragraph (f) of this Section 4.15.

(iii) Any Purchased Bonds which are subject to mandatory tender for purchase in accordance with Section 4.12, Section 4.13 or Section 4.14 which are not presented to the Trustee on the Purchase Date and any Purchased Bonds which are the subject of a notice pursuant to Section 4.16 which are not presented to the Trustee on the Purchase Date, shall, in accordance with the provisions of Section 4.16, be deemed to have been purchased upon the deposit of moneys equal to the Purchase Price thereof into any or all of the accounts of the Bond Purchase Fund.

(d) *Deposits of Funds.*

(i) The Trustee shall deposit into the Remarketing Proceeds Account for the applicable Series of Bonds any amounts received by it in immediately available funds by 12:30 p.m., New York City time, on any Purchase Date from the Remarketing Agent against receipt of Bonds by the Remarketing Agent pursuant to Section 4.15(f) and on account of Purchased Bonds remarketed pursuant to the terms of the Remarketing Agreement.

(ii) The Issuer may, in its sole discretion, pay to the Trustee in immediately available funds the amount equal to the difference, if any, between the total Purchase Price of Bonds to be purchased and the amount of money deposited under Section 4.15(d)(i) (the “*Additional Liquidity Drawing Amount*”) by 12:45 p.m., New York City time. The Trustee shall deposit any Additional Liquidity Drawing Amounts into the Issuer Purchase Account for the applicable Series of Bonds.

(iii) The Trustee shall hold all proceeds received from the Remarketing Agent or the Issuer pursuant to this Section 4.15(d) in trust for the tendering Owners. In holding such proceeds and moneys, the Trustee will be acting on behalf of such Owners by facilitating the purchase of the Bonds and not on behalf of the Issuer and will not be subject to the control of the Issuer. Subject to the provisions of Section 4.15(e), following the discharge of the pledge created by Section 5.01 or after payment in full of the Bonds, the Trustee shall pay any moneys remaining in any Account of the Bond Purchase Fund directly to the Persons for whom such money is held upon presentation of evidence reasonably satisfactory to the Trustee that such Person is rightfully entitled to such money and the Trustee shall not pay such amounts to any other Person.

(e) *Disbursements; Payment of Purchase Price.* Moneys delivered to the Trustee on a Purchase Date shall be applied at or before 1:00 p.m., New York City time, on such Purchase Date to pay the Purchase Price of Purchased Bonds of the applicable Series in immediately available funds as follows in the indicated order of application and, to the extent not so applied on such date, shall be held in the separate and segregated Accounts of the Bond Purchase Fund for the benefit of the Owners of the Purchased Bonds which were to have been purchased:

FIRST: Moneys deposited in the Remarketing Proceeds Account for the Bonds of the applicable Series; and

SECOND: Moneys deposited in the Issuer Purchase Account for the Bonds of the applicable Series.

Any moneys held by the Trustee in the Issuer Purchase Account remaining unclaimed by the Owners of the Purchased Bonds which were to have been purchased for two years after the respective Purchase Date for such Bonds shall be paid to the Issuer,

upon a request in a Written Direction of the Issuer against written receipt therefor. The Owners of Purchased Bonds who have not yet claimed money in respect of such Bonds shall thereafter be entitled to look only to the Trustee, to the extent it shall hold moneys on deposit in the Bond Purchase Fund, or the Issuer to the extent moneys have been transferred in accordance with this Section 4.15(e). The Trustee shall have no obligation to advance its own funds to fund the Bond Purchase Fund or otherwise pay the Purchase Price on any Bonds.

(f) *Delivery of Purchased Bonds.*

(i) The Remarketing Agent shall give telephonic notice, promptly confirmed by a written notice, by Electronic Means, to the Trustee on each date on which Bonds shall have been purchased pursuant to Section 4.11, Section 4.12, Section 4.13, or Section 4.14, specifying the principal amount of such Bonds, if any, sold by it and a list of such purchasers showing the names and Authorized Denominations in which such Bonds shall be registered, and the addresses and social security or taxpayer identification numbers of such purchasers. By 12:30 p.m., New York City time, on the Purchase Date, a principal amount of Bonds equal to the amount of Purchased Bonds purchased with moneys from the Remarketing Proceeds Account shall be made available by the Trustee to the Remarketing Agent against payment therefor in immediately available funds.

(ii) A principal amount of Bonds equal to the amount of Purchased Bonds purchased from moneys on deposit in the Issuer Purchase Account shall be delivered on the day of such purchase by the Trustee to or as directed by the Issuer. The Trustee shall register such Bonds in the name of the Issuer or as otherwise directed by the Issuer.

Section 4.16. Notice of Mandatory Tender for Purchase. In connection with any mandatory tender for purchase of Bonds in accordance with Section 4.12, Section 4.13 or Section 4.14, the Trustee shall give the notice (which in the case of a mandatory tender pursuant to Section 4.14 shall be given as a part of the notice given pursuant to Section 2.06(c), Section 2.07(c), Section 2.08(c), Section 2.09(c) or Section 2.14(c)) stating: (a) that the Purchase Price of any Bond so subject to mandatory tender for purchase shall be payable only upon surrender of such Bond to the Trustee at the office specified in such notice, accompanied by an instrument of transfer thereof in form satisfactory to the Trustee, executed in blank by the Owner thereof or by the Owner's duly authorized attorney, with such signature guaranteed by a commercial bank, trust company or member firm of the New York Stock Exchange; (b) that all Bonds so subject to mandatory tender for purchase shall be purchased on the Mandatory Purchase Date, unless (i) a Failed Remarketing shall have occurred prior to such Mandatory Purchase Date, in which case such Bonds shall be redeemed rather than purchased on such Mandatory Purchase Date, or (ii) such Bonds shall have otherwise been redeemed on or prior to, or are not Outstanding as of, such Mandatory Purchase Date; and (c) that in the event that any Owner of a Bond so subject to mandatory tender for purchase shall not surrender such Bond to the Trustee for purchase on such Mandatory Purchase Date, then such Bond shall be deemed to be an Undelivered Bond, and that no interest shall accrue thereon on and after such Mandatory Purchase Date and that the Owner

thereof shall have no rights under this Indenture other than to receive payment of the Purchase Price thereof. Any such notice of a mandatory tender of Bonds pursuant to Section 4.12, Section 4.13 or Section 4.14 shall be given no less than thirty (30) days prior to the applicable Mandatory Purchase Date, and the Trustee shall give a conditional notice of extraordinary redemption pursuant to Section 4.04 no later than the applicable deadlines set forth in that section to provide for the extraordinary redemption of the Bonds if a Failed Remarketing occurs prior to the Mandatory Purchase Date. No later than five (5) Business Days prior to the date on which such conditional notice of extraordinary redemption is required to be given by the Trustee pursuant to Section 4.4, the Issuer shall direct the Trustee to send such conditional redemption notice pursuant to a Written Direction in the form attached hereto as *Exhibit E*, which Written Direction shall include the applicable Redemption Date and method(s) for calculating the Redemption Price, to be followed by notice of the Redemption Price, as provided in *Exhibit E*.

Section 4.17. Irrevocable Notice Deemed to Be Tender of Bond; Undelivered Bonds Deemed Purchased on Mandatory Purchase Date. (a) The giving of notice by an Owner of a Bond bearing interest at a Daily Interest Rate or a Weekly Interest Rate pursuant to Section 4.11 shall constitute the irrevocable tender for purchase of each such Bond with respect to which such notice shall have been given, regardless of whether such Bond is delivered to the Trustee for purchase on the relevant Purchase Date as provided in this Article IV.

(b) The Trustee may refuse to accept delivery of any Purchased Bonds for which a proper instrument of transfer, with a satisfactory guaranty of signature, has not been provided; such refusal, however, shall not affect the validity of the purchase of such Bond as herein described. For purposes of this Article IV, the Trustee for the Bonds shall determine timely and proper delivery of Purchased Bonds and the proper endorsement of such Bonds. Such determination shall be binding on the Owners of such Bonds, the Issuer and the Remarketing Agent, absent manifest error. If any Owner of a Bond who shall have given notice of tender of purchase pursuant to Section 4.11 or any Owner of a Bond subject to mandatory tender for purchase pursuant to Section 4.12, Section 4.13 or Section 4.14 shall fail to deliver such Bond to the Trustee at the place and on the applicable date and at the time specified, or shall fail to deliver such Bond properly endorsed, such Bond shall constitute an Undelivered Bond. If funds in the amount of the Purchase Price of the Undelivered Bond are available for payment to the Owner thereof on the date and at the time specified, from and after the date and time of that required delivery, (i) the Undelivered Bond shall be deemed to be purchased and shall no longer be deemed to be Outstanding under this Indenture; (ii) interest shall no longer accrue thereon; and (iii) funds in the amount of the Purchase Price of the Undelivered Bond shall be held by the Trustee for such Bond for the benefit of the Owner thereof, to be paid on delivery (and proper endorsement) of the Undelivered Bond to the Trustee at its designated corporate trust office. Any funds held by the Trustee as described in clause (iii) of the preceding sentence shall be held uninvested.

Section 4.18. Remarketing of Bonds; Notice of Interest Rates. (a) Upon a mandatory tender or notice of the tender for purchase of Bonds, the Remarketing Agent shall offer for sale and use its best efforts to sell such Bonds subject to conditions in the Remarketing Agreement, any such sale to be made on the Purchase Date in accordance with this Article IV at a price equal to the principal amount thereof plus accrued interest, if any, thereon to the Purchase Date. The Remarketing Agent agrees that it shall not sell any Bonds purchased pursuant to this Article IV to

the Issuer or a Project Participant, or to any Person who controls, is controlled by, or is under common control with the Issuer or a Project Participant.

(b) The Remarketing Agent shall determine the rate of interest to be borne by the Bonds bearing interest at a Daily Interest Rate, Weekly Interest Rate, CP Interest Term Rates or a Term Rate and the CP Interest Terms for each Bond during each Commercial Paper Interest Rate Period, and the applicable Calculation Agent shall determine the rate of interest to be borne by each Series of Bonds bearing interest at an Index Rate, all as provided in Article II, and shall furnish to the Trustee and to the Issuer upon request, in a timely fashion by Electronic Means, each rate of interest and CP Interest Term so determined.

(c) Anything in this Indenture to the contrary notwithstanding, if there shall have occurred and is continuing an Event of Default, there shall be no remarketing of Bonds tendered or deemed tendered for purchase.

Section 4.19. The Remarketing Agent. (a) The Remarketing Agent shall be authorized by law to perform all the duties imposed upon it pursuant to the Remarketing Agreement. The Remarketing Agent or any successor shall signify its acceptance of the duties and obligations imposed upon it pursuant to the Remarketing Agreement by an agreement under which the Remarketing Agent will agree to:

- (i) determine the interest rates applicable to the Bonds of the applicable Series and give written notice to the Trustee of such rates and periods in accordance with Article II;
- (ii) keep such books and records as shall be consistent with prudent industry practice; and
- (iii) use its best efforts to remarket Bonds in accordance with the Remarketing Agreement.

(b) The Remarketing Agent shall hold all amounts received by it in accordance with any remarketing of Bonds in trust only for the benefit of the Owners of tendered Bonds and shall not commingle such amounts with any other moneys.

Section 4.20. Qualifications of Remarketing Agent; Resignation; Removal. (a) Each Remarketing Agent shall be a member of the Financial Industry Regulatory Authority or subject to supervision by the Office of the Comptroller of the Currency, having a combined capital stock, surplus and undivided profits of at least \$50,000,000 and be authorized by law to perform all the duties imposed upon it by this Indenture. Any successor Remarketing Agent shall have senior unsecured long term debt which shall be rated by each Rating Agency.

(b) A Remarketing Agent may at any time resign and be discharged of the duties and obligations created by the Remarketing Agreement by giving written notice to the Trustee and the Issuer. A Remarketing Agent may be removed at the direction of the Issuer at any time on 30 days' prior written notice, in a Written Direction of the Issuer, filed with such Remarketing Agent for

the related Series of Bonds and the Trustee. No such resignation or removal shall be effective until a successor has been appointed and has accepted such duties.

Section 4.21. Successor Remarketing Agents. (a) Any corporation, association, partnership or firm which succeeds to the business of the Remarketing Agent as a whole or substantially as a whole, whether by sale, merger, consolidation or otherwise, shall thereby become vested with all the property, rights and powers of such Remarketing Agent hereunder.

(b) In the event that the Remarketing Agent has given written notice of resignation or has been notified of its impending removal in accordance with Section 4.20(b), the Issuer shall appoint a successor Remarketing Agent.

(c) In the event that the property or affairs of the Remarketing Agent shall be taken under control of any state or federal court or administrative body because of bankruptcy or insolvency, or for any other reason, and the Issuer shall not have appointed its successor, the Issuer shall appoint a successor and, if no appointment is made within 30 days, the Trustee shall apply to a court of competent jurisdiction for such appointment.

Section 4.22. Tender Agent. The Trustee shall serve as the tender agent for any Series of Bonds for which optional or mandatory tender for purchase is applicable under this Article IV, and as tender agent it and each successor Trustee appointed in accordance with this Indenture shall:

(a) hold all Bonds delivered to it for purchase hereunder in trust for the exclusive benefit of the respective Owners that shall have so delivered such Bonds until moneys representing the Purchase Price of such Bonds shall have been delivered to or for the account of or to the order of such Owners;

(b) hold all moneys delivered to it hereunder for the purchase of Bonds in trust for the exclusive benefit of the Person that shall have so delivered such moneys until the Bonds purchased with such moneys shall have been delivered to it for the account of such Person and, thereafter, for the benefit of the Owners tendering such Bonds; and

(c) keep such books and records as shall be consistent with prudent industry practice and make such books and records available for inspection at all times during regular business hours (upon reasonable prior written notice of inspection) by the Issuer and the Remarketing Agent for such Series of Bonds.

ARTICLE V

ESTABLISHMENT OF FUNDS AND APPLICATION THEREOF

Section 5.01. Pledge Effected by This Indenture. (a) The Bonds and the Interest Rate Swap are limited obligations of the Issuer payable solely from and secured as to the payment of the principal and Redemption Price thereof, and interest thereon, in accordance with their terms and the provisions of this Indenture solely by, the Trust Estate. Pursuant to the Granting Clauses of

this Indenture, the Trust Estate has been conveyed, assigned and pledged to the payment of the principal and Redemption Price of and interest on the Bonds and the Interest Rate Swap Payments in accordance with their terms, and any other senior, parity and subordinate obligations of the Issuer secured by the lien of this Indenture, subject to (i) the pledge of and lien on the Commodity Swap Payment Fund and the amounts and investments on deposit therein in favor of the Commodity Swap Counterparties, and (ii) the provisions of this Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in this Indenture. The Trust Estate thereby pledged and assigned shall immediately be subject to the lien of such pledge without any further physical delivery thereof or other further act, and the lien of such pledge shall be a first lien and shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Issuer, irrespective of whether such parties have notice thereof.

(b) None of the Bonds, the Interest Rate Swap or the Commodity Swap constitute a debt or liability of the State or of any political subdivision thereof, other than as limited obligations of the Issuer, and the Issuer shall not be obligated to pay the principal or Redemption Price of, or interest on, the Bonds, the Interest Rate Swap Payments or the Commodity Swap Payments except from the funds provided therefor under this Indenture. Neither the faith and credit nor the taxing power of the State or of any political subdivision thereof, including the Issuer, or of the Project Participant is pledged to the payment of the principal or Redemption Price of and interest on the Bonds, the Interest Rate Swap Payments or the Commodity Swap Payments. The issuance of the Bonds and the execution and delivery of the Interest Rate Swap and the Commodity Swap shall not directly or indirectly or contingently obligate the State or any political subdivision thereof to levy or to pledge any form of taxation or to make any appropriation for their payment. The Issuer has no taxing power.

(c) Nothing contained in this Indenture shall be construed to prevent the Issuer from acquiring, constructing or financing, through the issuance of its bonds, notes or other evidences of indebtedness, any facilities or supplies of Energy other than the Clean Energy Project; *provided* that such bonds, notes or other evidences of indebtedness shall not be payable out of or secured by the Trust Estate or any portion thereof, and neither the cost of such facilities or supplies of Energy nor any expenditure in connection therewith or with the financing thereof shall be payable from the Trust Estate or any portion thereof.

Section 5.02. Establishment of Funds and Accounts. (a) The following Funds and Accounts are hereby established, each of which shall be held by the Trustee except as indicated below:

- (i) Project Fund,
- (ii) Revenue Fund,
- (iii) Operating Fund,
- (iv) Debt Service Fund, consisting of the Debt Service Account and the Redemption Account,

- (v) Commodity Swap Payment Fund,
- (vi) General Reserve Fund,
- (vii) Energy Remarketing Reserve Fund, consisting of a Remediation Account,
- (viii) Assignment Payment Fund,
- (ix) Bond Purchase Fund established pursuant to Section 4.15, consisting of the Issuer Purchase Account and the Remarketing Proceeds Account; and
- (x) Administrative Fee Fund.

(b) Within the Funds and Accounts established hereunder and held by the Trustee, the Trustee may create additional Accounts in any Fund or subaccounts in any Accounts as may facilitate the administration of this Indenture. The Issuer may, by Supplemental Indenture, with the prior written approval of the Trustee, establish one or more additional accounts or subaccounts. By Supplemental Indenture, the Issuer may also (i) establish custodial accounts to be held by the Trustee as custodian to receive Revenues paid by the Project Participant under the Power Supply Contract, and (ii) provide for the application of such amounts for transfer to the Revenue Fund and for such other purposes as may be specified therein.

Section 5.03. Project Fund. (a) There shall be paid into the Project Fund proceeds of the Bonds in the amount specified by Written Request of the Issuer, and there may be paid into the Project Fund, at the option of the Issuer, any moneys received for or in connection with the Clean Energy Project by the Issuer from any other source, unless required to be otherwise applied as provided by this Indenture. Upon delivery of the Bonds, the Trustee shall immediately transfer from the Project Fund into the Debt Service Account an amount, specified by Written Request of the Issuer, representing capitalized interest on the Bonds to the date set forth in such Written Request. Except as otherwise provided in this Section 5.03, amounts in the Project Fund shall be applied by the Issuer to pay the Cost of Acquisition and any capitalized interest on the Series 2024_ Bonds.

(b) Before any payment is made by the Trustee from the Project Fund, the Issuer shall file with the Trustee a Written Request of the Issuer, showing with respect to each payment to be made, the name of the Person to whom payment is due and the amount to be paid, and stating that the obligation to be paid was incurred and is a proper charge against the Project Fund. To the extent that the Written Request includes amounts to be paid pursuant to the Prepaid Energy Sales Agreement, copies of the invoices or requests for direct payments submitted under the Prepaid Energy Sales Agreement shall be attached to the Written Request. Each such Written Request shall be sufficient evidence to the Trustee: (i) that obligations in the stated amounts have been incurred by the Issuer and that each item thereof is a proper charge against the Project Fund; and (ii) that there has not been filed with or served upon Issuer notice of any lien, right to lien or attachment upon, or claim affecting the right to receive payment of, any of the moneys payable to any of the Persons named in such Written Request which has not been released or will not be

released simultaneously with the payment of such obligation other than materialmen's or mechanics' liens accruing by mere operation of law.

(c) Upon receipt of each such Written Request, the Trustee shall pay the amounts set forth therein as directed by the terms thereof from the applicable Account in accordance with and subject to the applicable terms of this Section 5.03.

(d) Notwithstanding any of the other provisions of this Section, to the extent that other moneys are not available therefor, amounts in the Project Fund shall be applied to the payment of principal of and interest on Bonds when due.

(e) Upon Written Direction of the Issuer, but not earlier than six months after the date of delivery of the Bonds, the Trustee shall transfer to the Revenue Fund any amounts remaining on deposit in Project Fund.

Section 5.04. Revenues and Revenue Fund; Other Amounts. (a) All Revenues shall be deposited promptly by the Trustee upon receipt thereof into the Revenue Fund; *provided* that, for the avoidance of doubt, if any amounts are received from a Project Participant for which Outstanding Sold Receivables exist, as identified in a written notice from the Issuer to the Trustee, the Trustee shall promptly cause any such receipts to be paid to the Energy Supplier to the extent of such Outstanding Sold Receivables without setoff of any kind in accordance with Section 2.7 of the Receivables Purchase Provisions and any remaining amounts received from the Project Participant shall be deposited into the Revenue Fund.

(b) [In the event that the Specified Project Participant fails to pay the amount due under the Power Supply Contract, the Trustee shall perform the following actions on behalf of the Issuer under Section 2.1 of the Receivables Purchase Provisions: (i) provide a preliminary notice by email to the Issuer and the Energy Supplier that a Specified Project Participant will fail to make a payment as soon as practicable after becoming aware that a payment default will occur and in any event no later than the end of the calendar day on which the relevant payment default occurs, and (ii) prepare and deliver to the Energy Supplier a Put Option Notice by 12:00 p.m. New York City time on the Business Day following any such payment default. On the twenty-fourth day of the Month in which such Put Option Notice was delivered (or if such day is not a Business Day, the next Business Day following the twenty-fourth day of such Month), the Trustee shall deliver to the Energy Supplier the bill of sale and certificates required by Section 2.3(a) of the Receivables Purchase Provisions. The Trustee is hereby authorized to sell the Put Receivables then owed by the Specified Project Participant under the Power Supply Contract pursuant to the Receivables Purchase Provisions and to take all actions on its part necessary in connection therewith. All amounts received by the Trustee pursuant to the Receivables Purchase Provisions in respect of Put Receivables shall be deposited in the Revenue Fund for application pursuant to Section 5.05.]

(c) Upon receipt of the preliminary notice from the Trustee pursuant to (b)(i) above, the Issuer shall:

(i) in consultation with the Energy Supplier, determine the amount of the Net Participant Shortfall Amount, if any, resulting from such failure to pay; and

(ii) give prompt written notice of the amounts of such Net Participant Shortfall Amount, if any, and the amount of such nonpayment and the resulting Net Participant Shortfall Amount, to the Trustee, the Energy Supplier and the Commodity Swap Counterparties.

(d) The following amounts, which are payable to the Trustee but do not constitute Revenues, shall be applied by the Trustee as follows:

(i) any Termination Payment shall be deposited directly into the Redemption Account of the Debt Service Fund as provided in Section 5.08;

(ii) any Assignment Payment shall be deposited directly into the Assignment Payment Fund as provided in Section 5.12;

(iii) [Reserved];

(iv) amounts representing the Project Administration Fee, together with any amounts paid by the Project Participant under the Prepaid Clean Energy Project Administration Agreement, shall be paid as received to Issuer into the Administrative Fee Fund;

(v) any Interest Rate Swap Receipts shall be deposited directly into the Debt Service Account as provided in Section 2.13; and

(vi) any amounts required by Section 5.11 to be deposited into the Energy Remarketing Reserve Fund shall be deposited directly therein.

Section 5.05. Payments from Revenue Fund. (a) In each Month during which there is a deposit of Revenues into the Revenue Fund (but in no case later than the respective dates set forth below), the Trustee shall apply the amounts on deposit in the Revenue Fund, to the extent available, for credit or deposit to the Funds and Accounts indicated below, in the amounts described below (such application to be made in such a manner so as to assure good funds are available on the respective dates set forth below) in the following order of priority:

(i) To the Operating Fund, not later than the twenty-fifth day of such Month (or, if such day is not a Business Day, the next succeeding Business Day), the amount, if any, required so that the balance therein shall equal the amount necessary for the payment of Operating Expenses coming due for such Month;

(ii) Subject to the provisos below, to the Debt Service Fund, not later than the twenty-fifth day of such Month (or, if such day is not a Business Day, the next succeeding Business Day) for the credit to the Debt Service Account, an amount equal to the greater of (A) the Scheduled Debt Service Deposit, as set forth in Schedule II hereto, or (B) the amount necessary to cause an amount equal to the cumulative unpaid Scheduled Debt Service Deposits due through such date to be on deposit therein (without credit for undisbursed Interest Rate Swap Receipts on deposit therein); and

(iii) To the Commodity Swap Payment Fund, on or before the twenty-fifth day of such Month (or, if such day is not a Business Day, the next succeeding Business Day), the amount required so that the balance therein shall equal the Commodity Swap Payments due for such Month; and

(iv) To the Energy Supplier, not later than the last Business Day of such Month, the amount, if any, required for the repurchase of Put Receivables and the payment of interest on all Put Receivables sold to the Energy Supplier pursuant to the Receivables Purchase Provisions;

provided, however, that if a Project Participant's payment failure results in a Net Participant Shortfall Amount for such Month, the intent is that such payment failure be allocated between the amounts that otherwise would have been deposited to the Debt Service Fund and the Commodity Swap Payment Fund. Therefore, for any Month in which a Net Participant Shortfall Amount exists, the Trustee shall reduce the amount transferred under clause (ii) above to the extent necessary such that the amount available for transfer under clause (iii) above is not less than (A) the amount that would be required to fully fund the Commodity Swap Payments due for such Month, minus (B) the sum of all Net Participant Shortfall Amounts for such Month; and

provided further, the amount required to be transferred to the Debt Service Account pursuant to clause (ii) above shall be reduced by the amount of investment earnings scheduled to be deposited into the Debt Service Account on or before the last Business Day of such Month.

(b) If, after a scheduled monthly deposit to the Debt Service Account, the balance therein is below the cumulative Scheduled Debt Service Deposits for such month as specified on Schedule II, the Trustee shall immediately notify the Issuer of such deficiency and the Trustee shall (i) if the Issuer has not previously done so, cause the Issuer to suspend all deliveries of all quantities of Energy under the Power Supply Contract to the Project Participant while it is in default thereunder, and (ii) promptly give notice to the Energy Supplier to follow the Remarketing Provisions.

(c) On each [September] 1, beginning [September] 1, 2025, after (i) the deposit of Revenues into the Revenue Fund, and (ii) making such transfers, credits and deposits as required by paragraph (a) above, the Trustee shall credit to the General Reserve Fund the remaining balance in the Revenue Fund.

(d) So long as there shall be held in the Debt Service Fund an amount sufficient to pay in full all Outstanding Bonds and Interest Rate Swap Payments in accordance with their terms (including principal or applicable Sinking Fund Installments and interest thereon), no transfers shall be required to be made to the Debt Service Fund.

Section 5.06. Operating Fund. (a) Amounts credited to the Operating Fund shall be applied from time to time by the Trustee to the payment of (i) first, Rebate Payments, and (ii) second, any other Operating Expenses then due and payable.

(b) Amounts credited to the Operating Fund that the Trustee, on the last Business Day of each Month, determines to be in excess of the requirements of such Fund for such Month, shall be applied to make up any deficiencies in the Debt Service Account. Any balance of such excess not required to be so applied shall be transferred to the Revenue Fund for application in accordance with Section 5.05(a).

Section 5.07. Debt Service Fund—Debt Service Account. (a) The amounts deposited into the Debt Service Account pursuant to Section 5.05(a)(ii) shall be held in such Account and applied to the payment of the Debt Service and Interest Rate Swap Payments payable on each Bond Payment Date; *provided* that, for the purposes of computing the amount to be deposited in such Account, there shall be excluded from the required deposit the amount, if any, on deposit in the Debt Service Account from the proceeds of Bonds (including amounts, if any, transferred thereto from the Project Fund) for the payment of interest on the Bonds. Amounts attributed to capitalized interest shall be applied to Debt Service prior to other monies held within the Debt Service Account.

(b) The Trustee shall pay out of the Debt Service Account to the Paying Agent: (i) on or before each Interest Payment Date, the amount required for the interest on the Bonds payable on such date; (ii) on or before each Bond Payment Date, the Interest Rate Swap Payments then due, (iii) on or before the Bond Payment Date on which a Principal Installment is due, the amount required for the Principal Installment payable on such date; and (iv) on or before any redemption date, the amount required for the payment of the Redemption Price of and accrued interest on such Bonds then to be redeemed; *provided, however*, that if with respect to any Bonds or portions thereof the amounts due on any such Bond Payment Date and/or redemption date are intended to be paid from a source other than amounts in the Debt Service Account prior to any application of amounts in the Debt Service Account to such payments, then the Trustee (after Written Notice from the Issuer to the Trustee that the Issuer intends to make payments from a source other than amounts in the Debt Service Account) shall not pay any such amounts to the Paying Agent until such amounts have failed to be provided from such other source at the time required and if any such amounts due are paid from such other source the Trustee shall apply the amounts in the Debt Service Account to provide reimbursement for such payment from such other source as provided in the agreement governing reimbursement of such amounts to such other source. Such amounts shall be applied by the Paying Agent on and after the due dates thereof. The Trustee shall also pay out of the Debt Service Account the accrued interest included in the purchase price of Bonds purchased for retirement.

(c) Amounts accumulated in the Debt Service Account with respect to any Sinking Fund Installment (together with amounts accumulated therein with respect to interest on the Bonds for which such Sinking Fund Installment was established) shall, if so directed by the Issuer in a Written Request delivered not less than thirty (30) days before the due date of such Sinking Fund Installment, be applied by the Trustee to (i) the purchase of Bonds of the Series, maturity and tenor for which such Sinking Fund Installment was established, (ii) the redemption at the applicable sinking fund Redemption Price of such Bonds, if then redeemable by their terms, or (iii) any combination of (i) and (ii). All purchases and redemptions of any Bonds pursuant to this subsection (c) shall be made at prices not exceeding the applicable sinking fund Redemption Price of such Bonds plus accrued interest, and such purchases shall be made in such manner as the Issuer

shall direct the Trustee in writing. The applicable sinking fund Redemption Price (or principal amount of maturing Bonds) of any Bonds so purchased or redeemed shall be deemed to constitute part of the Debt Service Account until such Sinking Fund Installment date, for the purpose of calculating the amount of such Account. As soon as practicable after the thirtieth (30th) day preceding the due date of any such Sinking Fund Installment, the Trustee shall proceed to call for the redemption on such due date, by giving notice as required by this Indenture, Bonds of the Series, maturity and tenor for which such Sinking Fund Installment was established (except in the case of Bonds maturing on a Sinking Fund Installment date) in such amount as shall be necessary to complete the retirement of the unsatisfied balance of such Sinking Fund Installment after making allowance for any Bonds purchased or redeemed pursuant to Section 5.10 which the Issuer has directed the Trustee in writing to apply as a credit against such Sinking Fund Installment as provided in Section 5.10(c). The Trustee shall pay out of the Debt Service Account to the Paying Agent, on or before such redemption date or maturity date, as applicable, the amount required for the redemption of the Bonds so called for redemption (or for the payment of such Bonds then maturing), and such amount shall be applied by such Paying Agents to such redemption or payment, as applicable. All expenses in connection with the purchase or redemption of Bonds shall be paid by the Issuer in such manner as the Issuer shall direct the Trustee in writing from the Operating Fund.

All Bonds paid or redeemed, either at or before maturity, shall be delivered to the Trustee at its designated corporate trust office when such payment or redemption is made, and such Bonds, together with all Bonds purchased or redeemed pursuant to Section 5.10 that have been delivered to the Trustee for application as a credit against Sinking Fund Installments and all Bonds purchased by the Trustee pursuant to this Section 5.07, shall thereupon be promptly cancelled (or deemed to have been cancelled).

(d) Amounts accumulated in the Debt Service Account with respect to any principal amount of Bonds due on a certain future date for which no Sinking Fund Installments have been established (together with amounts accumulated therein with respect to interest on such Bonds) shall, upon the reasonable prior Written Direction of the Issuer, be applied by the Trustee on or prior to the due date thereof, to (i) the purchase of such Bonds or (ii) the redemption at the principal amount of such Bonds, if then redeemable by their terms. All purchases and redemptions of any Bonds pursuant to this subsection (d) shall be made at prices not exceeding the principal amount of such Bonds plus accrued interest, and such purchases and redemptions shall be made in such manner as the Issuer shall determine. The principal amount of any Bonds so purchased or redeemed shall be deemed to constitute part of the Debt Service Account until such due date, for the purpose of calculating the amount of such Account.

(e) The amount deposited in the Debt Service Account on the Issue Date of any Series of Bonds from the proceeds thereof shall be set aside and applied to the payment of interest on such Series of Bonds and related Interest Rate Swap Payments.

(f) In the event of the refunding or defeasance of any Bonds, the Trustee shall, if directed by the Issuer in writing, withdraw from the Debt Service Account all, or any portion of, the amounts accumulated therein with respect to Debt Service on the Bonds being refunded or defeased and deposit such amounts with the Trustee to be held for the payment of the principal or

Redemption Price, if applicable, and interest on the Bonds being refunded or defeased; *provided* that such withdrawal shall not be made unless immediately thereafter Bonds being refunded or defeased shall be deemed to have been paid pursuant to Section 12.01(b). In the event of such refunding or defeasance, the Issuer may direct the Trustee to withdraw from the Debt Service Account all, or any portion of, the amounts accumulated therein with respect to Debt Service on the Bonds being refunded or defeased and deposit such amounts in any Fund or Account hereunder; *provided, however*, that such withdrawal shall not be made unless the Bonds being defeased shall be deemed to have been paid pursuant to Section 12.01(b) and *provided, further*, that, at the time of such withdrawal, there shall exist no deficiency in any Fund or Account held hereunder.

(g) Any amount remaining in the Debt Service Account after a date for payment of a Principal Installment shall, to the extent not required to be retained therein for purposes of making future payments, be deposited in the Revenue Fund.

Section 5.08. Debt Service Fund–Redemption Account. (a) In the event of an early termination of the Prepaid Energy Sales Agreement, the Issuer shall direct the Energy Supplier to pay the Termination Payment directly to the Trustee for the account of the Issuer. The Trustee shall deposit the Termination Payment into the Redemption Account. Amounts deposited into the Redemption Account shall be applied by the Trustee to the redemption of Outstanding Bonds pursuant to Section 4.01.

(b) Any amounts remaining on deposit in the Redemption Account following the redemption and payment of all Outstanding Bonds shall be applied by the Trustee first to pay any Swap Payment Deficiency, second to repurchase any Put Receivables owned by the Energy Supplier, and third, upon Written Direction of the Issuer to the Trustee, shall be transferred to the Revenue Fund.

(c) For the avoidance of doubt, no Extraordinary Expenses shall be paid from the Redemption Account.

Section 5.09. Commodity Swap Payment Fund. (a) Amounts credited to the Commodity Swap Payment Fund shall be applied from time to time by the Trustee to the payment of the Commodity Swap Payments when due.

(b) Any amount remaining in the Commodity Swap Payment Fund following the payment of the Commodity Swap Payment due in any Month and prior to any deposit therein for the following Month shall be transferred to the Revenue Fund for application in accordance with Section 5.05(a).

Section 5.10. General Reserve Fund. (a) The Trustee shall apply moneys on deposit in the General Reserve Fund in the following amounts and in the following order of priority: *first*, for deposit into the Debt Service Account, the amount necessary (or all of the moneys in the General Reserve Fund if less than the amount necessary) to make up any deficiencies in the deposits to such Account required by Section 5.05(a)(iii); *second*, for deposit into the Commodity Swap Payment Fund, the amount necessary to cause the balance therein to equal a Commodity Swap

Payment that is then due; and *third* for deposit into the Operating Fund, the amount necessary for the payment of any Operating Expenses then due and payable and for which other funds are not available under this Indenture.

(b) Amounts on deposit in the General Reserve Fund not required to meet a deficiency or to make a deposit as provided in subsection (a) above shall be applied by the Trustee upon the Written Request of the Issuer to the following in the order listed below:

- (i) payment of Extraordinary Expenses;
- (ii) payment of any fees owed pursuant to any Qualified Investments;
- (iii) the repurchase of Put Receivables and the payment of interest on all receivables sold to the Energy Supplier pursuant to the Receivables Purchase Provisions;
- (iv) annual refunds to the Project Participant pursuant to the Power Supply Contract;
- (v) the purchase or redemption of Bonds and expenses in connection with the purchase or redemption of such Bonds or any reserves which the Issuer determines shall be required for such purposes; and
- (vi) any other lawful purpose of the Issuer under the Act;

provided, however, that, subject to the provisions of subsection (a) of this Section, amounts credited to the General Reserve Fund and required by this Indenture to be applied to the purchase or redemption of Bonds shall be applied to such purpose.

(c) If at any time Bonds of any Series, maturity and tenor for which Sinking Fund Installments shall have been established are (i) purchased or redeemed other than pursuant to Section 5.07(d) or (ii) deemed to have been paid pursuant to Section 12.01(b) and, with respect to such Bonds which have been deemed paid, irrevocable written instructions have been given by the Issuer to the Trustee to redeem or purchase the same on or prior to the due date of the Sinking Fund Installment to be credited under this subsection (c), the Issuer may from time to time and at any time by Written Direction to the Trustee specify the portion, if any, of such Bonds so purchased, redeemed or deemed to have been paid and not previously applied as a credit against any Sinking Fund Installment which are to be credited against future Sinking Fund Installments. Such direction shall specify the amounts of such Bonds to be applied as a credit against each Sinking Fund Installment or Installments and the particular Sinking Fund Installment or Installments against which such Bonds are to be applied as a credit; *provided, however*, that none of such Bonds may be applied as a credit against a Sinking Fund Installment to become due less than thirty (30) days after such written notice is delivered to the Trustee. All such Bonds to be applied as a credit shall be surrendered to the Trustee for cancellation on or prior to the due date of the Sinking Fund Installment against which they are being applied as a credit. The portion of any such Sinking Fund Installment remaining after the deduction of any such amounts credited toward the same (or the original amount of any such Sinking Fund Installment if no such amounts

shall have been credited toward the same) shall constitute the unsatisfied balance of such Sinking Fund Installment for the purpose of calculation of Sinking Fund Installments due on a future date.

Section 5.11. Energy Remarketing Reserve Fund. There shall be paid by the Trustee into the Remediation Account of the Energy Remarketing Reserve Fund, and within such Remediation Account the subaccount applicable to each Project Participant, the amounts, as directed in a Written Direction of the Issuer, specified in Section 5(e)(i) of the Remarketing Provisions. In the case of a Remediation Remarketing (as defined in the Remarketing Provisions) pursuant to Section 8 of the Remarketing Provisions, amounts shall be released from the applicable subaccount of the Remediation Account upon such remarketing and applied pursuant to a Written Direction of the Issuer as follows: (a) if the proceeds received by the Trustee from the remarketing equal or exceed the Remediation Remarketing Purchase Price, the portion of the applicable subaccount of the Remediation Account allocable to such remarketing shall be transferred to the General Reserve Fund, and (b) if the proceeds received by the Trustee from the remarketing are less than the Remediation Remarketing Purchase Price, then (x) the portion of the applicable subaccount of the Remediation Account of the Energy Remarketing Reserve Fund allocable to such remarketing shall be used to make a payment to the Energy Supplier in an amount equal to the excess of such Remediation Remarketing Purchase Price over such proceeds received by the Issuer from the remarketing, and (y) any remaining amounts allocable to such remarketing shall be transferred to the General Reserve Fund. For purposes of this Section 5.11(a), the portion of the applicable subaccount of the Remediation Account of the Energy Remarketing Reserve Fund specified in writing by the Issuer to the Trustee as the amount allocable to a remarketing shall consist of the product of (i) a fraction, the numerator of which is the purchase price of the Energy to be remarketed, and the denominator of which is the aggregate amount previously received by the Issuer from the sale of such Energy in Non-Private Business Sales (as defined in the Remarketing Provisions) or Private Business Sales (as defined in the Remarketing Provisions) that, as of the time of the remarketing, has not been remediated in accordance with Section 8 of the Remarketing Provisions, multiplied by (ii) the balance of the applicable subaccount of the Remediation Account of the Energy Remarketing Reserve Fund at the time of the remarketing.

Section 5.12. Assignment Payment Fund. In connection with the issuance of Refunding Bonds, any Assignment Payment received from the Energy Supplier shall be deposited into the Assignment Payment Fund to be transferred to the replacement energy supplier, *provided, however,* that if the existing Bonds have not been redeemed or defeased on or before the Mandatory Purchase Date, in whole, by the Refunding Bonds, all or a portion of the Assignment Payment shall be transferred to the Trustee for deposit as directed by the Issuer in writing to the Redemption Account in Section 5.08, along with the proceeds of the Refunding Bonds, in order to redeem all of the Outstanding Bonds.

Section 5.13. Purchases of Bonds. Except as otherwise provided in Section 5.07, any purchase of Bonds (or portions thereof) by or at the direction of the Issuer pursuant to this Indenture may be made with or without tenders of Bonds and at either public or private sale, in such manner as the Issuer may determine.

Section 5.14. Administrative Fee Fund. All Project Administration Fees, together with any amounts paid by the Project Participant pursuant to the Prepaid Clean Energy Project

Administration Agreement, shall be deposited by the Trustee into the Administrative Fee Fund. The Trustee shall apply amounts on deposit in the Administrative Fee Fund to pay Operating Expenses promptly upon receipt of a Written Request of the Issuer directing such payment. In the event amounts on deposit in the Administrative Fee Fund are insufficient to make any payments directed in the Written Request of the Issuer, the Trustee shall promptly notify each Project Participant, at its respective address shown on Schedule I attached hereto, of the fact and amount of such deficiency.

ARTICLE VI

DEPOSITORIES OF MONEYS, SECURITY FOR DEPOSITS AND INVESTMENT OF FUNDS

Section 6.01. Depositories. (a) All moneys held by the Trustee under the provisions of this Indenture shall constitute trust funds and the Trustee may deposit such moneys with one or more Depositories in trust for the parties secured hereunder. All moneys deposited under the provisions of this Indenture with the Trustee or any Depository shall be held in trust and applied only in accordance with the provisions of this Indenture; provided, however, that the Trustee shall be entitled to rely, without verification, on any certificate of a bank, trust company, national banking association or other entity that certifies that it meets the requirements for being a Depository of moneys hereunder and shall not be responsible for any monitoring of such requirements after the initial deposit of any moneys pursuant to the provisions of this Indenture.

(b) Each Depository shall be a bank or trust company organized under the laws of any state of the United States or a national banking association having capital stock, surplus and undivided earnings of \$50,000,000 or more, and willing and able to accept the office on reasonable and customary terms and authorized by law to act in accordance with the provisions of this Indenture; *provided, however*, that the Trustee shall be entitled to rely, without verification, on any certificate of a bank, trust company, national banking association or other entity that certifies that it meets the requirements for being a Depository of moneys hereunder and shall not be responsible for any monitoring of such requirements after the initial deposit of any moneys pursuant to the provisions of this Indenture.

Section 6.02. Deposits. (a) All Revenues and moneys held by any Depository under this Indenture may be placed on demand or time deposit, if and as directed by the Issuer in writing, *provided* that such deposits shall permit the moneys so held to be available for use at the time when needed. Any such deposit may be made in the commercial banking department of any Fiduciary, which may honor checks and drafts on such deposit with the same force and effect as if it were not such Fiduciary. All moneys held by any Fiduciary, as such, may be deposited by such Fiduciary in its banking department on demand or, if and to the extent directed by the Issuer in writing and acceptable to such Fiduciary, on time deposit, *provided* that such moneys on deposit be available for use at the time when needed. Such Fiduciary shall allow and credit on such moneys such interest, if any, as it customarily allows upon similar funds of similar size and under similar conditions or as required by law.

(b) All moneys held under this Indenture by the Trustee, the Issuer or any Depository shall be held in such manner as may then be required by applicable federal or State laws and regulations and applicable state laws and regulations of the state in which such Depository is located, regarding security for, or granting a preference in the case of, the deposit of public or trust funds or, in the absence of such laws and regulations, shall be either (i) continuously or fully insured by the Federal Deposit Insurance Corporation, or (ii) continuously and fully secured, to the extent not insured by the Federal Deposit Insurance Corporation, by lodging with the Trustee, as custodian, as collateral security, Qualified Investments having a market value (exclusive of accrued interest) not less than the amount of such moneys (or portion thereof not insured by the Federal Deposit Insurance Corporation); *provided, however*, that, to the extent permitted by law, it shall not be necessary for the Fiduciaries to give security under this subsection (b) for the deposit of any moneys with them held in trust and set aside by them for the payment of the principal or Redemption Price of or interest on any Bonds, or for the Trustee, the Issuer or any Depository to give security for any moneys which shall be represented by obligations or certificates of deposit purchased as an investment of such moneys.

(c) All moneys deposited with the Trustee and each Depository shall be credited to the particular Fund or Account to which such moneys belong and, except as provided with respect to the investment of moneys in Qualified Investments in Section 6.03, the moneys credited to each particular Fund or Account shall be kept separate and apart from, and not commingled with, any moneys credited to any other Fund or Account or any other moneys deposited with the Trustee, the Issuer and each Depository, except as provided in Section 6.03.

Section 6.03. Investment of Certain Funds. Moneys held in the Debt Service Account shall be invested and reinvested by the Trustee at the Written Direction of the Issuer to the fullest extent practicable in Qualified Investments specified in such Written Direction which mature or are payable not later than such times as shall be necessary to provide moneys when needed for payments to be made from such Accounts and may take the form of a Debt Service Fund Agreement. To the extent moneys held in the Debt Service Account are invested in a Debt Service Fund Agreement, the Issuer covenants and agrees that it will not consent or agree to or permit any assignment of, rescission of or amendment to or otherwise take any action under or in connection with such Debt Service Fund Agreement without the written consent of the Trustee and the delivery to the Trustee of a Rating Confirmation with respect to such amendment. Moneys held in the Revenue Fund and the Project Fund may be invested and reinvested by the Trustee at the Written Direction of the Issuer in Qualified Investments specified in such Written Direction which mature not later than such times as shall be necessary to provide moneys when needed for payments to be made from such Funds. Moneys in the Operating Fund (other than moneys in the Operating Fund held with respect to Rebate Payments) may be invested at the Written Direction of the Issuer in Qualified Investments specified in such Written Direction which mature within twelve months or which provide funds as needed; moneys held in the Operating Fund with respect to Rebate Payments shall be invested at the Written Direction of the Issuer in Qualified Investments specified in such Written Direction at fair market value; and moneys in the General Reserve Fund and the Energy Remarketing Reserve Fund may be invested at the Written Direction of the Issuer in Qualified Investments specified in such Written Direction; in any case the Qualified Investments in such Funds or in the Accounts therein shall mature not later than such times as shall be necessary to provide moneys when needed to provide payments from such Funds or Accounts.

The Trustee shall only be required to make investments of moneys held by it in the Funds and Accounts established under this Indenture in accordance with Written Directions received by the Trustee from any Authorized Officer of the Issuer and may rely on such investment directions without verifying the suitability or legality of such investment and any deposit or investment directed by the Issuer shall constitute a certification by the Issuer that the assets so deposited or to be purchased pursuant to such directions are Qualified Investments. In making any investment in any Qualified Investments with moneys in any Fund or Account established under this Indenture, the Issuer may give Written Direction to the Trustee to combine such moneys with moneys in any other Fund or Account, but solely for purposes of making such investment in such Qualified Investments.

The Trustee shall only be required to make investments of moneys held by it in the Funds and Accounts established under this Indenture in accordance with Written Directions received by the Trustee from any Authorized Officer of the Issuer. The Trustee shall be entitled to rely in good faith on any Written Direction of the Issuer as to the suitability and legality of the directed investment and any deposit or investment directed by the Issuer shall constitute a certification by the Issuer that the assets so deposited or to be purchased pursuant to such directions are Qualified Investments. In making any investment in any Qualified Investments with moneys in any Fund or Account established under this Indenture, the Issuer may give Written Direction to the Trustee to combine such moneys with moneys in any other Fund or Account, but solely for purposes of making such investment in such Qualified Investments.

Interest earned on any moneys or investments in the Funds and Accounts established hereunder shall be paid into the Revenue Fund, other than interest earned on any moneys or investments in (i) the Redemption Account in the Debt Service Fund, (ii) the Operating Fund relating to Rebate Payments, (iii) the Energy Remarketing Reserve Fund, and (iv) the Administrative Fee Fund. Such interest shall be held in such respective Fund or Account for the purposes thereof. If no written investment directions have been delivered to the Trustee for any Fund or Account, moneys shall be held there uninvested by the Trustee.

Nothing in this Indenture shall prevent any Qualified Investments acquired as investments of or security for Funds held under this Indenture from being issued or held in book-entry form on the books of the Department of the Treasury of the United States.

Nothing in this Indenture shall preclude the Trustee from investing or reinvesting moneys that it holds in the Funds and Accounts established pursuant to this Indenture through its bond department; *provided, however*, that the Issuer may, in its discretion, give a Written Direction to the Trustee that such moneys be invested or reinvested in a manner other than through such bond department.

To the extent any Qualified Investment is insured, guaranteed or otherwise supported by any secondary facility, the Trustee shall make a claim under such facility at such time as shall be required to receive payment thereunder not later than the date required to make any necessary deposit pursuant to Section 5.05 or Section 5.09 or otherwise under Article V.

Section 6.04. Valuation and Sale of Investments. Obligations purchased as an investment of moneys in any Fund created under the provisions of this Indenture shall be deemed at all times to be a part of such Fund and any profit realized from the liquidation of such investment shall be credited to such Fund, and any loss resulting from the liquidation of such investment shall be charged to the respective Fund.

In computing the amount in any Fund created under the provisions of this Indenture for any purpose provided in this Indenture, obligations purchased as an investment of moneys therein shall be valued at the lower of market value or the amortized cost thereof. The accrued interest paid in connection with the purchase of any obligation shall be included in the value thereof until interest on such obligation is paid. Such computation shall be determined at the Written Direction of the Issuer to the Trustee as of each Principal Installment payment date and at such other times as the Issuer shall reasonably determine. Guaranteed investment contracts or similar agreements shall be valued at their face value to the extent that they provide for withdrawals without market adjustment or penalty when they are required to provide payment pursuant to this Indenture.

Except as otherwise provided in this Indenture, the Trustee shall use reasonable efforts to sell at the best price obtainable, or present for redemption, any obligation so purchased as an investment whenever it shall be requested to do so by a Written Request of the Issuer. Whenever it shall be necessary in order to provide moneys to meet any payment or transfer from any Fund held by the Trustee or the Issuer, the Issuer or the Trustee at the Written Direction of the Issuer shall use reasonable efforts to sell at the best price obtainable or present for redemption such obligation or obligations designated by an Authorized Officer in a Written Direction of the Issuer to the Trustee as necessary to provide sufficient moneys for such payment or transfer. The Issuer acknowledges that, to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grants the Issuer the right to receive from the Trustee brokerage confirmations of security transactions as they occur, the Issuer specifically waives receipt of such confirmations to the extent permitted by law. The Trustee shall not be required to provide any brokerage information.

The Trustee shall not be liable or responsible for any loss, fee, tax or other charge resulting from any such investment, sale or presentation for redemption made in the manner provided above in Section 6.02, Section 6.03 or Section 6.04. In the event of any such loss, fee, tax or other charge, the Issuer shall pay such amount to the Trustee to be credited as part of the monies originally invested.

ARTICLE VII

PARTICULAR COVENANTS OF THE ISSUER

The Issuer covenants and agrees with the Trustee and the Bondholders as follows:

Section 7.01. Payment of Bonds. The Issuer shall duly and punctually pay or cause to be paid, but solely from the Trust Estate, the principal or Redemption Price, if any, of every Bond

and the interest thereon, at the dates and places and in the manner provided in the Bonds, according to the true intent and meaning thereof.

Section 7.02. Extension of Payment of Bonds. The Issuer shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any claims for interest by the purchase or funding of such Bonds or claims for interest or by any other arrangement, and in case the maturity of any of the Bonds or the time for payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled, in case of any default under this Indenture, to the benefit of this Indenture or to any payment out of Revenues or Funds established by this Indenture, including the investment income, if any, thereof, pledged under this Indenture or the moneys (except moneys held in trust for the payment of particular Bonds or claims for interest pursuant to this Indenture) held by the Fiduciaries, except subject to the prior payment of the principal of all Bonds Outstanding the maturity of which has not been extended and of such portion of the accrued interest on the Bonds as shall not be represented by such extended claims for interest.

Section 7.03. Offices for Servicing Bonds. Pursuant to Section 2.02, the Issuer has appointed the Trustee as Bond Registrar and Paying Agent for the Bonds and the Trustee hereby accepts such appointments. The Trustee shall at all times maintain one or more agencies or offices where Bonds may be presented for registration exchange or transfer, where principal and Redemption Price of and interest on the Bonds may be paid, where reports, statements and other documents furnished to the Trustee hereunder may be inspected and where notices, demands and other documents may be served upon the Issuer in respect of the Bonds or of this Indenture, and the Trustee shall continuously maintain or make arrangements to provide such services. The Issuer shall maintain one or more offices or agencies where notices, demands and other documents may be served upon the Issuer in respect of the Bonds or this Indenture, and the Issuer shall continuously maintain or make arrangements to provide such services.

Section 7.04. Further Assurance. At any and all times the Issuer shall, as far as it may be authorized by law, comply with any reasonable request of the Trustee to pass, make, do, execute, acknowledge and deliver all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, pledging, assigning and confirming all and singular the rights, Revenues and other moneys, securities and funds hereby pledged, or intended so to be, or which the Issuer may become bound to pledge.

Section 7.05. Power To Issue Bonds and Pledge the Trust Estate. The Issuer is duly authorized under all applicable laws to create and issue the Bonds and to execute and deliver this Indenture and to pledge the Trust Estate, in the manner and to the extent provided in this Indenture. Except to the extent otherwise provided in or contemplated by this Indenture, the Trust Estate will be free and clear of any pledge, lien, charge or encumbrance thereon or with respect thereto prior to, or of equal rank with, the security interest, the pledge and assignment created by this Indenture, and all action on the part of the Issuer to that end has been and will be duly and validly taken. The Bonds and the provisions of this Indenture are and will be the valid and legally enforceable limited obligations of the Issuer in accordance with their terms and the terms of this Indenture. The Issuer shall at all times, to the extent permitted by law, defend, preserve and protect the pledge of the

Revenues and other moneys, securities and funds pledged under this Indenture and all the rights of the Bondholders under this Indenture against all claims and demands of all Persons whomsoever.

Section 7.06. Power To Fix and Collect Fees and Charges for the Sale of Energy. The Issuer has, and, to the extent permitted by law, will have as long as any Bonds are Outstanding, good right and lawful power to fix, establish, maintain and collect fees and charges for the sale of Energy or otherwise with respect to the Clean Energy Project, subject to the terms of the Power Supply Contract.

Section 7.07. Creation of Liens. Except as expressly permitted under the terms of this Indenture, for so long as any Bonds are Outstanding, the Issuer shall not, without a Rating Confirmation, issue any bonds, notes, debentures or other evidences of indebtedness of similar nature payable from or secured by a pledge and assignment of the Trust Estate, other than the Bonds and bonds, notes, debentures or other evidences of indebtedness issued to refund Outstanding Bonds, or otherwise incur obligations other than those contemplated by this Indenture, the Prepaid Energy Sales Agreement, the Power Supply Contract, the Issuer Custodial Agreements, the Commodity Swap, the Interest Rate Swap and any documents or agreements relating to any of the foregoing (including, but not limited to, obligations under Qualified Investments), payable out of or secured by a pledge or assignment of, or lien on, the Trust Estate; and, except as expressly permitted under the terms of this Indenture, shall not, without a Rating Confirmation, create or cause to be created any lien or charge on the Trust Estate except as provided in or contemplated by this Indenture, the Prepaid Energy Sales Agreement, the Power Supply Contract, the Issuer Custodial Agreements, the Commodity Swap, the Interest Rate Swap and any documents or agreements relating to any of the foregoing (including, but not limited to, obligations under Qualified Investments); provided, however, that nothing contained in this Indenture shall prevent the Issuer from entering into or issuing, if and to the extent permitted by law (A) evidences of indebtedness (1) payable out of moneys in the Project Fund as part of the Cost of Acquisition or (2) payable out of or secured by a pledge and assignment of the Trust Estate or any part thereof to be derived on and after such date as the pledge of the Trust Estate provided in this Indenture shall be discharged and satisfied as provided in Section 12.01, or (B) Commodity Swap and Interest Rate Swaps upon the terms and conditions set forth herein.

Section 7.08. [Reserved.]

Section 7.09. Limitations on Operating Expenses and Other Costs. The Issuer shall not incur Operating Expenses in any Fiscal Year in excess of the reasonable and necessary amount of such Operating Expenses.

Section 7.10. Amendments to Power Supply Contract. The Issuer will not consent or agree to or permit any termination or rescission of, assignment or novation (in whole or in part) by a Project Participant of, or amendment to or otherwise take any action under or in connection with any Power Supply Contract that will impair the ability of the Issuer to collect Revenues in each Fiscal Year which, together with the other amounts available therefor, shall provide an amount sufficient to pay:

(a) The amount estimated by the Issuer to be required to be paid during such Fiscal Year into the Operating Fund;

(b) The amounts, if any, required to be paid during such Fiscal Year into the Debt Service Fund other than any such amounts which the Issuer anticipates shall be transferred from other Funds or Accounts;

(c) The amounts, if any, to be paid during such Fiscal Year into any other Fund established under Section 5.02; and

(d) All other charges or liens whatsoever payable out of Revenues during such Fiscal Year;

provided that:

(i) the Issuer may take any other action under or in connection with the Power Supply Contract that is expressly permitted pursuant to the provisions thereof;

(ii) the Issuer and the Project Participant may amend the Power Supply Contract to change any Delivery Point (as defined and provided therein);

(iii) the Power Supply Contract may be amended upon receipt of (A) a Rating Confirmation with respect to such amendment, and (B) to the extent such amendment would have a material adverse effect (including, but not limited to, a change in the timing of payments, the source of such payments, or the Issuer's rights of collection thereof) upon the Receivables Purchase Provisions or the Commodity Swap, the consent of the Energy Supplier or the Commodity Swap Counterparties, respectively, such consent not to be unreasonably withheld or delayed;

(iv) the Issuer may agree to an assignment or novation of all or a portion of the Project Participant's rights and obligations under the Power Supply Contract upon (A) compliance with the restrictions on assignment set forth in such Power Supply Contract, and (B) receipt of a Rating Confirmation with respect to such assignment or novation; and

(v) the Power Supply Contract may also be amended in connection with a remediation pursuant to Section 18.3(b) of the Prepaid Energy Sales Agreement.

Section 7.11. Power Supply Contract; Energy Remarketing. (a) The Issuer shall cause all Revenues payable by the Project Participant under the Power Supply Contract to be payable directly to the Trustee for deposit into the Revenue Fund or custodial accounts established pursuant to Section 5.02(b). The Issuer shall enforce the provisions of the Power Supply Contract, as well as any other contract or contracts entered into relating to the Clean Energy Project, and duly perform its covenants and agreements thereunder.

(b) In the event that the Project Participant fails to pay when due any amounts owed to the Issuer under the Power Supply Contract, the Issuer shall:

(i) promptly exercise its right to suspend all Energy deliveries to the Project Participant; and

(ii) promptly give notice to the Energy Supplier to follow the provisions set forth in the Remarketing Exhibit to the Prepaid Energy Sales Agreement for each Month of such suspension with respect to the quantities of Energy for which deliveries have been suspended.

(c) In the event that the Project Participant delivers a Remarketing Election Notice (as defined in the Power Supply Contract) in respect of any Reset Period, then the Issuer will promptly give notice to the Energy Supplier to follow the provisions set forth in the Remarketing Provisions for each month of such Reset Period with respect to any quantities of Energy that would otherwise have been delivered to the Project Participant.

(d) As of the date of this Indenture, the Power Supply Contract with the Project Participant set forth on Schedule I shall be the only Power Supply Contract until such time, if any, that an assignment or novation occurs in accordance with the requirements set forth above. Without prejudice to the rights of the Energy Supplier to remarket Energy under the Prepaid Energy Sales Agreement or to an assignment or novation of the Power Supply Contract in compliance with this Section 7.11, the Issuer may sell the quantities of Energy to be delivered under the Prepaid Energy Sales Agreement only pursuant to the Power Supply Contract. A copy of the Power Supply Contract and any amendment to the Power Supply Contract, certified by an Authorized Officer, shall be filed with the Trustee.

Section 7.12. Prepaid Energy Sales Agreement; Energy Supplier Guaranty. (a) The Issuer shall enforce the provisions of the Prepaid Energy Sales Agreement and duly perform its covenants and agreements thereunder and shall enforce the provisions of the Energy Supplier Guaranty.

(b) The Trustee shall promptly notify the Issuer of any payment default that has occurred and is continuing on the part of the Energy Supplier under the Prepaid Energy Sales Agreement. (c) Notwithstanding any other provisions of this Section, if the Issuer shall provide to the Trustee an Opinion of Special Tax Counsel that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on the Bonds or the qualification of the Issuer to receive Subsidy Payments with respect to the applicable Series of Bonds, the Issuer and the Trustee may conclusively rely on such opinion in complying with the requirements of this Section and of the Tax Agreement, and the covenants hereunder shall be deemed to be modified to that extent.

(d) Notwithstanding any other provision of this Indenture to the contrary, upon the Issuer's failure to observe or refusal to comply with the above covenants, the Holders of the Bonds, or the Trustee acting on their behalf pursuant to their written request and direction, shall be entitled to the rights and remedies provided to Bondholders under this Indenture based upon the Issuer's failure to observe, or refusal to comply with, the above covenants. (c) The Issuer shall not take any action, or fail to take any action, or permit any action to be taken on its behalf or cause or permit any circumstance within its control to arise or continue, if any such action or inaction would adversely affect the ratings on the Bonds.

(f) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Issuer in an involuntary case or similar proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, (*provided, however,* that such event shall not constitute an Event of Default hereunder unless in addition, (i) the Issuer is unable to meet its debts with respect to the Clean Energy Project as such debts mature or (ii) any plan of adjustment or other action in such proceeding would affect in any way the Revenues or the Clean Energy Project), or a decree or order appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official for the Clean Energy Project, or any part thereof, and/or the rents, fees, charges or other revenues therefor, or a decree or order for the dissolution, liquidation or winding up of the Issuer and its affairs or a decree or order finding or determining that the Issuer is unable to meet its debts with respect to the Clean Energy Project as such debts mature, and any such decree or order shall remain unstayed and in effect for a period of 90 consecutive days; and

(g) there shall occur any other Event of Default specified in a Supplemental Indenture.

Section 8.02. Accounting and Examination of Records After Default. (a) The Issuer covenants that if an Event of Default shall have happened and shall not have been remedied, the books of record and accounts of the Issuer and all other records relating to the Clean Energy Project

shall at all times during regular business hours be subject to the inspection and use of the Trustee and of its agents and attorneys.

(b) The Issuer covenants that if an Event of Default shall have happened and shall not have been remedied, the Issuer, upon demand of the Trustee, will account, as if it were the trustee of an express trust, for all Revenues and other moneys, securities and funds pledged or held under this Indenture for such period as shall be stated in such demand.

Section 8.03. Enforcement of Agreements; Application of Moneys after Default. (a) The Issuer covenants that, if an Event of Default shall have occurred and be continuing, it shall upon the demand of the Trustee (i) take such additional actions on its part as shall be necessary to cause the Project Participant to make payments of all amounts due under the Power Supply Contract to the Trustee, (ii) take such additional actions on its part as shall be necessary to cause the Commodity Swap Counterparties to make payment of all amounts due under the Commodity Swaps directly to the Trustee, (iii) take such additional actions on its part as shall be necessary to cause the Interest Rate Swap Counterparty to make payment of all amounts due under the Interest Rate Swap directly to the Trustee, (iv) execute and deliver such additional instruments that may be necessary to establish or confirm its pledge and assignment to the Trustee of its rights and remedies afforded the Issuer under the Power Supply Contract, and (v) pay over or cause to be paid over to the Trustee any Revenues which have not been paid directly to the Trustee as promptly as practicable after receipt thereof. In addition, to secure its obligations under this Indenture, the Issuer hereby irrevocably pledges and collaterally assigns to the Trustee the Issuer's rights to issue notices (including notices to direct the remarketing of Energy) and to take any other actions that the Issuer is required or permitted to take under the Prepaid Energy Sales Agreement, the Power Supply Contract, the Energy Supplier Guaranty, the Commodity Swap and the Interest Rate Swap, and, while an Event of Default has occurred and is continuing under this Indenture, the Trustee is hereby authorized and directed, and shall have the authority, to take any such actions as it deems necessary under the Prepaid Energy Sales Agreement, the Power Supply Contract, the Energy Supplier Guaranty, the Commodity Swap and the Interest Rate Swap. Notwithstanding this authorization, the Issuer shall retain, in the absence of any conflicting action by the Trustee while an Event of Default has occurred and is continuing, the right and obligation to exercise any rights which it has pledged and collaterally assigned to the Trustee in accordance with the foregoing; provided, however, if an Event of Default has occurred and is continuing, the Trustee shall have the right to notify the Issuer to cease exercising such rights and, upon receipt of such notice with a copy provided to the Energy Supplier under the Prepaid Energy Sales Agreement, the Project Participant under the Power Supply Contract, and the Commodity Swap Counterparties under the Commodity Swaps, subject to the rights of the Energy Supplier with respect to the Power Supply Contract as set forth in the Receivables Purchase Provisions, the Trustee shall have exclusive authority to exercise such rights until such time as the Event of Default has been cured pursuant to the terms of this Indenture or the Trustee issues a subsequent notice otherwise. For the avoidance of doubt, the Prepaid Energy Sales Agreement, the Power Supply Contract and the Commodity Swap may be amended at any time for changes in Delivery Points as provided therein, without the consent of the Bondholders, any parties other than those to the relevant agreement, and without the provision of opinions or other process hereunder.

(b) During the continuance of an Event of Default, the Trustee shall apply all moneys, securities, funds and Revenues received by the Trustee pursuant to any right given or action taken under the provisions of this Article in accordance with Article V of this Indenture, after the payment of the fees, charges, expenses and liabilities of the Fiduciaries (including court costs and the fees and expenses of the Fiduciaries' counsel) payable to or incurred by the Fiduciaries in connection with the performance of their duties and the exercise of their rights hereunder, *provided* that (1) moneys held in the Debt Service Account shall not be used for purposes other than payment of the interest and principal or Redemption Price then due on the Bonds and the payment of Interest Rate Swap Payments then due under the Interest Rate Swap, (2) moneys in the Commodity Swap Payment Fund shall be used first to pay any Commodity Swap Payments then due, (3) moneys held in the General Reserve Fund shall not be used other than for the payment of the items specified in Section 5.10(a), and (4) moneys held in the Administrative Fee Fund shall not be used other than as specified in Section 5.14.

(c) If and whenever all overdue installments of interest on all Bonds, together with the reasonable charges, expenses and liabilities of the Fiduciaries, and all other sums payable or secured by the Issuer under this Indenture, including the principal and Redemption Price of and accrued unpaid interest on all Bonds which shall then be payable by declaration or otherwise, shall either be paid by or for the account of the Issuer, or provisions satisfactory to the Trustee shall be made for such payment, and all defaults under this Indenture or the Bonds shall be made good or secured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall be made therefor, the Trustee shall pay over to the Issuer all moneys, securities and funds then remaining unexpended in the hands of the Trustee (except moneys, securities and funds deposited or pledged, or required by the terms of this Indenture, particularly Section 5.02, to be deposited or pledged, with the Trustee), and thereupon the Issuer and the Trustee shall be restored, respectively, to their former positions and rights under this Indenture. No such payment over to the Issuer by the Trustee nor restoration of the Issuer and the Trustee to their former positions and rights shall extend to or affect any subsequent default under this Indenture or impair any right consequent thereon.

Section 8.05. Proceedings Brought by Trustee. (a) If an Event of Default shall happen and shall not have been remedied, then and in every such case, the Trustee, by its agents and attorneys, may proceed, and upon written request of the Holders of not less than a majority in principal amount of the Bonds Outstanding and upon being indemnified to its satisfaction shall proceed, to protect and enforce its rights and the rights of the Holders of the Bonds under this Indenture forthwith by a suit or suits in equity or at law, whether for the specific performance of any covenant herein contained, or in aid of the execution of any power herein granted, or for an accounting against the Issuer as if the Issuer were the trustee of an express trust, or in the enforcement of any other legal or equitable right as the Trustee, being advised by counsel, shall deem most effectual to enforce any of its rights or to perform any of its duties under this Indenture.

(b) All rights of action under this Indenture may be enforced by the Trustee without the possession of any of the Bonds or the production thereof at the trial or other proceedings, and any such suit or proceedings instituted by the Trustee shall be brought in its name.

(c) The Holders of not less than a majority in principal amount of the Bonds at the time Outstanding may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, *provided* that the Trustee shall have the right to decline to follow any such direction if the Trustee shall be advised by counsel that the action or proceeding so directed may not lawfully be taken, or if the Trustee in good faith shall determine that the action or proceeding so directed would involve the Trustee in personal liability or be unjustly prejudicial to the Bondholders not parties to such direction.

(d) Upon commencing a suit in equity or upon other commencement of judicial proceedings by the Trustee to enforce any right under this Indenture, the Trustee shall be entitled to exercise any and all rights and powers conferred in this Indenture and provided to be exercised by the Trustee upon the occurrence of any Event of Default.

(e) Regardless of the happening of an Event of Default, the Trustee shall have power to, but unless requested in writing by the Holders of a majority in principal amount of the Bonds then Outstanding and furnished with reasonable security and indemnity, shall be under no obligation to, institute and maintain such suits and proceedings as it may be advised shall be necessary or expedient to prevent any impairment of the security under this Indenture by any acts which may be unlawful or in violation of this Indenture, and such suits and proceedings as the Trustee may be advised shall be necessary or expedient to preserve or protect its interests and the interests of the Bondholders.

Section 8.06. Restriction on Bondholder's Action. (a) No Holder of any Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of any provision of this Indenture or the execution of any trust under this Indenture or for any remedy under this Indenture, unless such Holder (i) shall have previously given to the Trustee written notice of the happening of an Event of Default, as provided in this Article, and the Holders of at least a majority in principal amount of the Bonds then Outstanding shall have filed a written request with the Trustee, (ii) shall have offered it reasonable opportunity, either to exercise the powers granted in this Indenture or by the laws of the State or to institute such action, suit or proceeding in its own name, and (iii) shall have offered to the Trustee adequate security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused to comply with such request for a period of 60 days after receipt by it of such notice, request and offer of indemnity, it being understood and intended that no one or more Holders of Bonds shall have any right in any manner whatever by its or their action to affect, disturb or prejudice the pledge created by this Indenture, or to enforce any right under this Indenture, except in the manner therein provided; and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner provided in this Indenture and for the equal benefit of all Holders of the Outstanding Bonds, subject only to the provisions of Section 7.02.

(b) Nothing in this Indenture or in the Bonds shall affect or impair the obligation of the Issuer, which is absolute and unconditional, to pay only from the Trust Estate, in accordance with the terms of this Indenture, at the respective dates of maturity and places therein expressed the principal of (and premium, if any) and interest on the Bonds to the respective Holders thereof, or affect or impair the right of action, which is also absolute and unconditional, of any Holder to enforce such payment of its Bond.

Section 8.07. Remedies Not Exclusive. No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Indenture or existing at law or in equity or by statute on or after the date of execution and delivery of this Indenture.

Section 8.08. Effect of Waiver and Other Circumstances. (a) No delay or omission of the Trustee or any Bondholder to exercise any right or power arising upon the happening of an Event of Default shall impair any right or power or shall be construed to be a waiver of any such Event of Default or be an acquiescence therein; and every power and remedy given by this Article VIII to the Trustee or to the Bondholders may be exercised from time to time and as often as may be deemed expedient by the Trustee or by the Bondholders.

(b) Prior to the declaration of maturity of the Bonds as provided in Section 8.01, the Holders of not less than a majority in principal amount of the Bonds at the time Outstanding, or their attorneys-in-fact duly authorized, may on behalf of the Holders of all of the Bonds waive any past default under this Indenture and its consequences, except a default in the payment of interest on or principal of or premium (if any) on any of the Bonds. No such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 8.09. Notice of Default. The Trustee shall promptly mail written notice of the occurrence of any Event of Default to each registered owner of Bonds then Outstanding at its address, if any, appearing upon the registry books of the Issuer.

ARTICLE IX

CONCERNING THE FIDUCIARIES

Section 9.01. Acceptance by Trustee of Duties. The Trustee accepts the duties and obligations imposed upon it by this Indenture and the trusts hereby created, but only, however, upon the terms and conditions set forth in this Indenture.

Section 9.02. Paying Agents; Appointment and Acceptance of Duties. (a) The Issuer shall appoint one or more Paying Agents for the Bonds, and may at any time or from time to time appoint one or more other Paying Agents. All Paying Agents appointed shall have the qualifications set forth in Section 9.13 for a successor Paying Agent. The Trustee is hereby appointed as initial Paying Agent.

(b) Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing and delivering to the Issuer and to the Trustee a written acceptance thereof.

(c) Unless otherwise provided, the principal corporate trust offices of the Paying Agents are designated as the respective offices or agencies of the Issuer for the payment of the interest on and principal or Redemption Price of the Bonds.

Section 9.03. Responsibilities of Fiduciaries. (a) The recitals of fact herein and in the Bonds contained shall be taken as the statements of the Issuer and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representations as to the validity or sufficiency of this Indenture or of any Bonds issued hereunder or as to the security afforded by this Indenture, and no Fiduciary shall incur any liability in respect thereof. Furthermore, no Fiduciary shall be responsible for any offering documents (except for information provided by any Fiduciary for inclusion in such offering documents). The Trustee shall, however, be responsible for its representation contained in its certificate of authentication on the Bonds. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys, including bond proceeds, paid by such Fiduciary in accordance with the provisions of this Indenture to the Issuer or to any other Person. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or undertake any suit or proceeding under this Indenture or to enter any appearance in or defend any suit in respect thereof, or to advance any of its own moneys, expend or risk its own funds or otherwise incur any financial liability unless properly indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other anticipated disbursements, and against all liability except to the extent determined by a court of competent jurisdiction to have been primarily caused by its own negligence or willful misconduct. To the extent permitted by law, the Issuer shall indemnify the Trustee for, and hold it harmless against, any loss, damage, claim, liability or expense incurred by it, arising out of or in connection with the acceptance or administration of this Indenture or the trusts hereunder, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or the performance of any of its duties hereunder. Subject to the provisions of subsection (b), no Fiduciary shall be liable in connection with the performance of its duties hereunder except to the extent determined by a court of competent jurisdiction to have been primarily caused by its own negligence or willful misconduct. Notwithstanding anything to the contrary, the permissive rights of any Fiduciary to do things enumerated under this Indenture shall not be construed as duties.

(b) The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (which has not been cured) the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. Any provision of this Indenture relating to action taken or to be taken by the Trustee or to evidence upon which the Trustee may rely shall be subject to the provisions of this Section 9.03 and Section 9.04.

(c) The Trustee shall not be considered in breach of or in default in its obligations hereunder or progress in respect thereto in the event of enforced delay (“unavoidable delay”) in connection with the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, Acts of God or of the public enemy or terrorists, acts of a government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to the project, malicious mischief, condemnation, and unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Trustee.

(d) Notwithstanding anything to the contrary herein, the Issuer acknowledges and agrees that the Trustee is not acting as the disclosure or dissemination agent for purposes of Rule 15c2-12 of the Securities Exchange Act of 1934 in connection with any notice required to be posted with the Municipal Securities Rulemaking Board via its EMMA system.

Section 9.04. Evidence on Which Fiduciaries May Act. (a) Each Fiduciary may conclusively rely upon any notice, direction, ordinance, resolution, request, consent, order, certificate, report, opinion, bond, statement, facsimile transmission, electronic mail or other paper or document furnished to it pursuant to any provision of this Indenture and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties and in conformity with the formal requirements of this Indenture. Each Fiduciary may consult with a consultant, accountant or counsel, who may or may not be a consultant, accountant or counsel to the Issuer, and the opinion of such consultant, accountant or counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Indenture in good faith and in accordance therewith and the Trustee shall be under no duty to make any investigation or inquiry into any statements contained or matters referred to in any such instrument.

(b) Whenever any Fiduciary shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, such matter (unless other evidence in respect thereof be therein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate of the Issuer, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Indenture upon the faith thereof; but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Neither the Trustee, the Bond Registrar, the tender agent, nor the Paying Agent shall be bound to recognize any Person as a Bondholder or to take any action at its request unless its Bond shall be deposited with such entity or satisfactory evidence of the ownership of such Bond shall be furnished to such entity.

(c) The Trustee shall have the right to accept and act upon directions given pursuant to this Indenture, or any other document reasonably relating to the Bonds and delivered using Electronic Means; *provided, however*, that the Issuer shall provide to the Trustee a Written Certificate of the Issuer listing Authorized Officers with the authority to provide such directions

and containing specimen signatures of such Authorized Officers, which Written Certificate of the Issuer shall be amended whenever a person is to be added or deleted from the listing. If the Issuer elects to give the Trustee directions using Electronic Means and the Trustee in its discretion elects to act upon such directions, the Trustee's understanding of such directions shall be deemed controlling. The Issuer understands and agrees that the Trustee cannot determine the identity of the actual sender of such directions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the Written Certificate of the Issuer provided to the Trustee have been sent by such Authorized Officer. The Issuer shall be responsible for ensuring that only Authorized Officers transmit such directions to the Trustee and that all Authorized Officers treat applicable user and authorization codes, passwords and/or authentication keys issued by the Trustee as confidential and with extreme care. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such directions notwithstanding such directions conflict or are inconsistent with a subsequent written direction. The Issuer agrees: (i) to assume all risks arising out of the use of Electronic Means to submit directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized directions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting directions to the Trustee and that there may be more secure methods of transmitting directions; (iii) that the security procedures (if any) to be followed in connection with its transmission of directions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

Section 9.05. Compensation. The Issuer shall pay or cause to be paid to each Fiduciary from time to time reasonable compensation for all services rendered under this Indenture, and also all reasonable expenses, charges, legal fees and other disbursements, including those of its attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Indenture, in accordance with the agreements made from time to time between the Issuer and the Fiduciary. Subject to the provisions of Section 9.03, the Issuer further agrees, to the extent permitted by applicable law, to indemnify and save each Fiduciary harmless against any liabilities that it may incur in the exercise and performance of its powers and duties hereunder and that are not due to such Fiduciary's negligence or willful misconduct.

Section 9.06. Certain Permitted Acts. Any Fiduciary, individually or otherwise, may become the owner of any Bonds, with the same rights it would have if it were not a Fiduciary. To the extent permitted by law, any Fiduciary may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not any such committee shall represent the Holders of a majority in principal amount of the Bonds then Outstanding. Nothing herein shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Bondholder any plan of reorganization, arrangement, adjustment, or composition affecting the Bonds or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Bondholder in any such proceeding without the approval of the Bondholders so affected.

Section 9.07. Resignation of Trustee. The Trustee may at any time resign and be discharged of the duties created by this Indenture by giving not less than 60 days' written notice to the Issuer and mailing notice thereof to the Holders of Bonds then Outstanding, specifying the date when such resignation shall take effect, and such resignation shall take effect upon the day specified in such notice unless (a) previously a successor shall have been appointed by the Issuer or the Bondholders as provided in Section 9.09, in which event such resignation shall take effect immediately on the appointment of such successor, or (b) a successor shall not have been appointed by the Issuer or the Bondholders as provided in Section 9.09 on such date, in which event such resignation shall not take effect until a successor is appointed.

Section 9.08. Removal of the Trustee. The Trustee may be removed with 30 days' prior notice with or without cause by an instrument or concurrent instruments in writing, filed with the Trustee, and signed by the Holders of a majority in principal amount of the Bonds then Outstanding or their attorneys-in-fact duly authorized, excluding any Bonds held by or for the account of the Issuer. So long as no Event of Default, or an event which, with notice or passage of time, or both, would become an Event of Default, shall have occurred and be continuing, the Trustee may be removed at any time with 30 days' prior Written Notice, with or without cause, by delivery of a Written Certificate of the Issuer to the Trustee with respect to the foregoing. Notwithstanding the foregoing, any such removal of the Trustee shall not be effective until a successor Trustee has been appointed pursuant to Section 9.09.

Section 9.09. Appointment of Successor Trustee. (a) In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, a successor Trustee may be appointed by the Issuer by a duly executed written instrument signed by an Authorized Officer.

(b) If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within 30 days after the Trustee shall have given to the Issuer written notice as provided in Section 9.07 or within 30 days after a vacancy in the office of the Trustee shall have occurred by reason of its inability to act, removal, or for any other reason whatsoever, the Trustee or the Holder of any Bond (in any case) may apply to any court of competent jurisdiction to appoint a successor Trustee. Said court may thereupon, after such notice, if any, as such court may deem proper, appoint a successor Trustee.

(c) Any Trustee appointed under the provisions of this Section 9.09 in succession to the Trustee shall be a bank or trust company organized under the laws of any state or a national banking association and shall have capital stock, surplus and undivided earnings aggregating at least \$100,000,000 if there be such a bank with trust powers or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Indenture.

Section 9.10. Transfer of Rights and Property to Successor Trustee. Any successor trustee appointed under this Indenture shall execute, acknowledge and deliver to its predecessor Trustee, and also to the Issuer, an instrument accepting such appointment, and thereupon such successor

Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee; but the Trustee ceasing to act shall nevertheless, on the Written Request of the Issuer or of the successor Trustee, at the cost and expense of the Issuer, execute, acknowledge and deliver such instrument of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property, rights, interests and estates held by it under this Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the Issuer be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Issuer. Any such successor Trustee shall promptly notify the Paying Agents of its appointment as Trustee.

Section 9.11. Merger or Consolidation. Any company into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which any Fiduciary may sell or transfer all or substantially all of its corporate trust business, *provided* such company shall be a bank with trust powers or trust company organized under the laws of any state of the United States or a national banking association and shall be authorized by law to perform all the duties imposed upon it by this Indenture and shall meet the qualifications set forth in Section 9.09(c), shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act.

Section 9.12. Adoption of Authentication. In case any of the Bonds contemplated to be issued under this Indenture shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds so authenticated; and in case any of the said Bonds shall not have been authenticated, any successor Trustee may authenticate such Bonds in the name of the successor Trustee, and in all such cases such certificate shall have the full force which it is provided, anywhere in said Bonds or in this Indenture, that the certificate of the Trustee shall have.

Section 9.13. Resignation or Removal of Paying Agent and Appointment of Successor. (a) Any Paying Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least 60 days' written notice to the Issuer, the Trustee and the other Paying Agents. Any Paying Agent may be removed at any time by an instrument filed with such Paying Agent and the Trustee and signed by an Authorized Officer. Any successor Paying Agent shall be appointed by the Issuer and shall be a bank or trust company organized under the laws of any state of the United States or a national banking association, having capital stock, surplus and undivided earnings aggregating at least \$50,000,000, and willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Indenture.

(b) In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor, at the reasonable cost and expense of the Issuer to the extent such Paying Agent is not acting as the Trustee at the time of such resignation or removal, or if there be no successor, to the Trustee. In the event that for any reason there shall be a vacancy in the office of any Paying Agent, the Trustee shall act as such Paying Agent.

Section 9.14. Trustee's Reliance. In the absence of bad faith on its part, the Trustee may conclusively rely, and shall be protected in acting upon any notice, direction, ordinance, resolution, request, consent, order, certificate, report, opinion, bond, statement, facsimile transmission, electronic mail or other paper or document furnished to the Trustee pursuant to any provision of this Indenture and that is believed by the Trustee to be genuine and to have been signed or presented by the proper party or parties and in conformity with the formal requirements of this Indenture. The Trustee may consult with any consultant, account, or counsel, who may or may not be counsel to the Issuer, and the opinion of such consultant, accountant, or counsel shall be full and complete authorization and protection in respect of any action taken or suffered by Trustee under this Indenture in good faith and in accordance therewith. The Trustee shall be under no duty to make any investigation or inquiry into any statements contained or matters referred to in any such instrument. Any request, direction, authority or consent given by the Holders of any Bond shall be conclusive and binding upon all Holders of the same Bond and any Bond issued in its place.

Section 9.15. Trustee's Liability. (a) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith, in accordance with the provisions of this Indenture, in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Bonds, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or, except for its negligence or willful misconduct, exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Bonds. In no event shall the Trustee be liable for incidental, indirect, special, consequential or punitive loss or damage of any kind whatsoever (including, but not limited to, lost profits), even if Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(b) The Trustee shall not be deemed to have knowledge of an Event of Default except for those Events of Default in Sections 8.1(a) and (b) unless a Responsible Officer of the Trustee shall have actual knowledge of such Event of Default. As used herein, "actual knowledge" shall mean the actual fact or statement of knowing without any independent duty to make any investigation with regard thereto.

(c) The Trustee's rights to immunities and protection from liability hereunder and its rights to payment of its fees and expenses shall survive its resignation or removal and final payment or defeasance of the Bonds. All rights, benefits, indemnifications and releases from liability granted herein to the Trustee shall extend to the directors, officers, employees and agents of the Trustee.

(d) Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking

or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate of the Issuer, and such Written Certificate shall be full warrant to the Trustee for any action taken or suffered in good faith under the provisions of this Indenture in reliance upon such Written Instrument, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as it may deem reasonable.

(e) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in connection with the performance or exercise of any of its duties hereunder, or in the exercise of any of its rights or powers hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(f) The Trustee shall not be responsible for any recital in this Indenture or on the Bonds (except with respect to the certificate of the Trustee endorsed on the Bonds) or for insuring any property conveyed or collecting any insurance monies, or for the validity of the execution by the Issuer of this Indenture or of any supplements hereto, or instruments of further assurance, or for the sufficiency of the security for the Bonds, or for the investment of monies as herein permitted (except that no investment shall be made except in compliance with Section 6.02 and Section 6.03 hereof), or for the recording or re-recording, filing or re-filing of this Indenture, or any supplement or amendment thereto, or of any Supplemental Indentures or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of the property herein conveyed or otherwise as to the maintenance of the security hereof. Except as specifically provided in this Indenture, the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions, or agreements on the part of the Issuer, but the Trustee may require of the Issuer full information and advice as to the performance of such covenants. The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers. Under no circumstances shall the Trustee in any of its capacities hereunder be liable in its individual capacity for the obligations evidenced by the Bonds or be subject to any personal liability or accountability by reason of the issuance of this Bond or in respect of any undertakings by the Trustee under this Indenture. In accepting the trust hereby created, the Trustee acts solely as Trustee for the holders of the Bonds and not in its individual capacity, and all persons, including without limitation the holders of the Bonds and the Issuer, having any claim against the Trustee arising from this Indenture shall look only to the Funds and Accounts held by the Trustee hereunder for payment except as otherwise provided herein.

(g) To the extent permitted by law, the Issuer shall indemnify the Trustee for, and hold it harmless against, any loss, damage, claim, liability or expense incurred by it, arising out of or in connection with the acceptance or administration of this Indenture or the trusts hereunder or the performance of any of its duties hereunder, except to the extent that any such loss, damage, claim, liability or expense was due to Trustee's own negligence or willful misconduct.

(h) The Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or other disclosure material prepared or distributed with respect to the Bonds.

Section 9.16. Trustee's Agents or Attorneys. The Trustee may execute any of its trusts or powers under this Indenture or perform any of its duties hereunder either directly or by or through agents, attorneys, custodians or nominees appointed with due care, and shall not be responsible for any willful misconduct or negligence on the part of any agent, attorney, custodian or nominee so appointed.

Section 9.17. Notice of Lien Filings. Notwithstanding anything to the contrary contained in this Indenture, the Trustee shall not be responsible for any initial filings of any financing statements or the information contained therein (including the exhibits thereto), the perfection of any such security interests, or the accuracy or sufficiency of any description of collateral in such initial filings or for filing any modifications or amendments to the initial filings required by any amendments to Article 9 of the Uniform Commercial Code, if applicable. In addition, unless the Trustee shall have received Written Notice from the Issuer that any such initial filing or description of collateral was or has become defective, the Trustee shall be fully protected (i) in relying on such initial filing and descriptions in filing any financing or continuation statements or modifications thereto pursuant to this Section 9.17 and (ii) in filing any continuation statements in the same filing offices as the initial filings were made. If applicable, the Trustee shall, upon the prior Written Direction of the Issuer, cause to be filed, in accordance with such instructions, a continuation statement with respect to each Uniform Commercial Code financing statement relating to the Bonds which was filed at the time of the issuance thereof, for which the Issuer has directed a continuation statement to be filed, in such manner and in such places as the initial filings were made, provided that a copy of the filed original financing statement is timely delivered with such Written Direction of the Issuer to the Trustee. The Issuer shall be responsible for the reasonable costs incurred by the Trustee in the preparation and filing of all continuation statements hereunder, including payment of any filing fees, and shall give the Trustee any assistance it reasonably requests in order to enable the Trustee to file continuation statements for the lien established by this Indenture.

ARTICLE X

SUPPLEMENTAL INDENTURES

The Issuer and the Trustee may from time to time, subject to the conditions and restrictions in this Indenture contained, enter into a Supplemental Indenture or Indentures, in form satisfactory to the Trustee, which shall thereafter form a part hereof, without the consent of the Bondholders for any one or more of the following purposes:

Each Supplemental Indenture authorized by this Section shall become effective as of the date of its execution and delivery by the Issuer and the Trustee or such later date as shall be specified in such Supplemental Indenture.

A Supplemental Indenture will be deemed to not materially adversely affect the Holders of any Bonds that are subject to mandatory tender on or before the effective date of the Supplemental Indenture.

Section 10.02. Supplemental Indentures Effective With Consent of Bondholders. At any time or from time to time, subject to Section 10.03(e) and Section 11.05(b), a Supplemental Indenture may be entered into by the Issuer and the Trustee subject to notice to and consent by Bondholders in accordance with and subject to the provisions of Article XI, which Supplemental Indenture, upon compliance with the provisions of said Article XI, shall become fully effective in accordance with its terms as provided in said Article XI.

Section 10.03. General Provisions. (a) This Indenture shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article X and Article XI. Nothing contained in this Article X or Article XI shall affect or limit the right or obligation of the Issuer to adopt, make, do, execute, acknowledge or deliver any resolution, act or other instrument pursuant to the provisions of Section 7.04 or the right or obligation of the Issuer to execute and deliver to any Fiduciary any instrument which elsewhere in this Indenture it is provided shall be delivered to said Fiduciary.

(b) Any Supplemental Indenture referred to and permitted or authorized by Section 10.01 may be entered into between the Issuer and the Trustee without the consent of any of the Bondholders, but shall become effective only on the conditions, to the extent and at the time provided in said Section. A copy of every Supplemental Indenture shall be accompanied by an Opinion of Counsel stating that such Supplemental Indenture is authorized or permitted by this Indenture, and is valid and binding upon the Issuer; provided, that such Opinion of Counsel may take customary exceptions, including as to the effect of, or for restrictions or limitations imposed by or resulting from, bankruptcy, insolvency, receivership, debt adjustment, moratorium, reorganization, arrangement, fraudulent conveyance or other similar laws relating to or affecting creditors' rights generally, the application of equitable principles, the exercise of judicial discretion, limitations on legal remedies against public entities in the State, and the valid exercise of the sovereign police powers of the State and of the constitutional power of the United States of America and may state that no opinion is being rendered as to the availability of any particular remedy.

(c) The Trustee is hereby authorized to enter into any Supplemental Indenture referred to and permitted or authorized by Section 10.01 or Section 10.02 and to make all further agreements and stipulations which may be therein contained, and the Trustee, in taking such action, shall be fully protected in relying on an Opinion of Counsel that such Supplemental Indenture is authorized or permitted by the provisions of this Indenture.

(d) No Supplemental Indenture shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto; *provided, however* this section shall not affect the rights of the Holders or the Issuer to remove the Trustee as provided in Section 9.08 herein.

(e) Notwithstanding anything in this Article X to the contrary, no Supplemental Indenture (or other amendment to this Indenture) shall change or modify (i) the order of priority of deposits set forth in Section 5.05(a), (ii) the priority of the application of funds following an Event of Default as set forth in Section 8.03, (iii) the definition of Operating Expenses, (iv) any of the rights or interests of the Commodity Swap Counterparties, the Interest Rate Swap Counterparty (if any) or the Energy Supplier, as purchaser under the Receivables Purchase Provisions, granted herein or in the Commodity Swap, the Interest Rate Swap or the Receivables Purchase Provisions, as the case may be or (v) the provisions of Section 5.04(b) regarding the sale by the Trustee of Put Receivables (A) in each case unless the prior written consent of the Commodity Swap Counterparties has been obtained, and the Commodity Swap Counterparties shall have full right to enforce this provision, and (B) in the case of clause (iv) of this Section 10.03(e), unless the prior written consent of the Interest Rate Swap Counterparty and/or the Energy Supplier, as applicable, has been obtained.

ARTICLE XI

AMENDMENTS

Section 11.01. Mailing. Any provision in this Article XI for the mailing of a notice or other paper to Bondholders shall be fully complied with if it is mailed postage prepaid only (a) to each registered owner of Bonds then Outstanding at its address, if any, appearing upon the registry books of the Issuer, and (b) to the Trustee.

Section 11.02. Powers of Amendment. Any modification or amendment of this Indenture and of the rights and obligations of the Issuer and of the Holders of the Bonds thereunder may be made by a Supplemental Indenture, subject to Section 10.03(e), with the written consent given as provided in Section 11.03(a) of the Holders of not less than a majority in principal amount of Outstanding Bonds, and (b) in case the modification or amendment changes the terms of any Sinking Fund Installment, of the Holders of not less than a majority in principal amount of Outstanding Bonds of the particular maturity entitled to such Sinking Fund Installment; *provided, however*, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like maturity remain Outstanding (or have become subject to mandatory purchase) the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section; and *provided further, however*, that if such modification or amendment would adversely affect the Interest Rate Swap Counterparty, such modification or amendment shall be subject to the prior written consent of the Interest Rate Swap Counterparty. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent

of the Holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto. For the purposes of this Section, the Bonds shall be deemed to be affected by a modification or amendment of this Indenture if the same adversely affects or diminishes the rights of the Holders of Bonds in any material respect. The Trustee may in its discretion determine whether or not in accordance with the foregoing powers of amendment Bonds would be materially affected by any modification or amendment of this Indenture and any such determination shall be binding and conclusive on the Issuer and all Holders of Bonds. For purposes of this Section, the Holders of any Bonds may include the initial Holders thereof, regardless of whether such Bonds are being held for resale.

Section 11.03. Consent of Bondholders. The Issuer and the Trustee may at any time enter into a Supplemental Indenture making a modification or amendment permitted by the provisions of Section 11.02 to take effect when and as provided in this Section 11.03. A copy of such Supplemental Indenture (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to Bondholders for their consent thereto in form satisfactory to the Trustee, shall be mailed by the Issuer to Bondholders (but failure to mail such copy and request shall not affect the validity of the Supplemental Indenture when consented to as in this Section 11.03 provided). Such Supplemental Indenture shall not be effective unless and until there shall have been filed with the Trustee (a) the written consents of Holders of the percentages of Outstanding Bonds specified in Section 11.02, subject to Section 11.05(b), (b) the written consent of the Interest Rate Swap Counterparty if required by Section 11.02, and (c) an Opinion of Counsel stating that such Supplemental Indenture has been duly and lawfully executed by the Issuer in accordance with the provisions of this Indenture, is authorized or permitted by this Indenture, and is valid and binding upon the Issuer; *provided, that* such Opinion(s) of Counsel may take customary exceptions, including as to the effect of, or for restrictions or limitations imposed by or resulting from, bankruptcy, insolvency, receivership, debt adjustment, moratorium, reorganization, arrangement, fraudulent conveyance or other similar laws relating to or affecting creditors' rights generally, the application of equitable principles, the exercise of judicial discretion, limitations on legal remedies against public entities in the State, and the valid exercise of the sovereign police powers of the State and of the constitutional power of the United States of America and may state that no opinion is being rendered as to the availability of any particular remedy. For purposes of clause (a) of the preceding sentence, the written consent of the Bondholder shall be deemed to have been received if the amendment is expressly referred to in the Supplemental Indenture authorizing such Bonds and in the text of such Bonds and such Bonds recite that such Bondholder shall be deemed to have consented to such amendments by accepting such Bonds. Otherwise, each such consent shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 12.02. A certificate or certificates executed by the Trustee and filed with the Trustee and the Issuer stating that it has examined such proof and that such proof is sufficient in accordance with Section 12.02 shall be conclusive that the consents have been given by the Holders of the Bonds described in such certificate or certificates of the Trustee. Any such consent shall be irrevocable and shall be binding upon the Holder of the Bonds giving such consent and, anything in Section 12.02 to the contrary notwithstanding, upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice of such consent). At any time after the Holders of the

required percentages of Bonds shall have filed their consents to the Supplemental Indenture (or have deemed to have consented to such Supplemental Indenture), the Trustee shall make and file with the Trustee and the Issuer a written statement that the Holders of such required percentages of Bonds have consented to, such Supplemental Indenture. Such written statements shall be conclusive that such consents have been received. At any time thereafter, notice stating in substance that the Supplemental Indenture (which may be referred to as a Supplemental Indenture entered into by the Issuer and the Trustee on a stated date, a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentages of Bonds and will be effective as provided in this Section 11.03, may be given to Bondholders by the Trustee by mailing such notice to Bondholders (but failure to mail such notice shall not prevent such Supplemental Indenture from becoming effective and binding as in this Section 11.03 provided). A record, consisting of the certificates or statements required or permitted by this Section 11.03 to be made by the Trustee, shall be proof of the matters therein stated.

Section 11.04. Notifications by Unanimous Consent. The terms and provisions of this Indenture and the rights and obligations of the Issuer and of the Holders of the Bonds thereunder may be modified or amended in any respect upon the execution of a Supplemental Indenture by the Trustee and the Issuer, the consent of the Holders of all of the Bonds then Outstanding (such consent to be given as provided in Section 11.03), and the consent of the Interest Rate Swap Counterparty if required by Section 11.02; *provided, however,* that no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary or any of the provisions referenced in Section 10.03(e) without the filing with the Trustee of the written assent thereto of such Fiduciary or the Commodity Swap Counterparties, respectively, in addition to the consent of the Bondholders.

Section 11.05. Exclusion of Bonds. (a) Bonds owned or held by or for the account of the Issuer shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article XI, and the Issuer shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article XI. At the time of any consent or other action taken under this Article XI, the Issuer shall furnish the Trustee a certificate of an Authorized Officer, upon which the Trustee may rely, describing all Bonds so to be excluded.

(b) Bonds for which a Bondholder has submitted a notice of abstention in response to a request for consent received pursuant to Section 11.03 shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article XI with respect to any Supplemental Indenture to be entered into by the Issuer and the Trustee; *provided,* that, such notice of abstention shall not apply with respect to any proposed amendments of Section 8.01.

Section 11.06. Notation on Bonds. Bonds authenticated and delivered after the effective date of any action taken as provided in Article X or this Article XI may, and, if the Trustee so determines, shall, bear a notation by endorsement or otherwise in form approved by the Issuer and the Trustee as to such action, and in that case upon demand of the Holder of any Bond Outstanding at such effective date and presentation of its Bond for the purpose at the principal corporate trust office of the Trustee or upon any transfer or exchange of any Bond Outstanding at such effective

date, suitable notation shall be made on such Bond or upon any Bond issued upon any such transfer or exchange by the Trustee as to any such action. If the Issuer or the Trustee shall so determine, new Bonds so modified as in the opinion of the Trustee and the Issuer to conform to such action shall be prepared, authenticated and delivered, and upon demand of the Holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds of the same maturity then Outstanding, upon surrender of such Bonds.

ARTICLE XII

MISCELLANEOUS

Section 12.01. Defeasance. (a) If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of all Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated in the Bonds and in this Indenture and shall pay or cause to be paid all amounts due or to become due to the Interest Rate Swap Counterparty under the Interest Rate Swap, then the pledge of all covenants, agreements and other obligations of the Issuer to the Bondholders, shall thereupon cease, terminate and be discharged and satisfied except for remaining rights of registration of transfer and exchange of Bonds; *provided, however*, that this Indenture shall not be discharged until (i) the Issuer shall have paid and satisfied all claims, charges and expenses that constitute Operating Expenses hereunder, (ii) the Trustee shall have received an Opinion of Counsel to the effect that all conditions precedent to the satisfaction and discharge of this Indenture have been fulfilled and (iii) receipt by the Trustee of a Rating Confirmation. In such event, the Trustee shall cause an accounting for such period or periods as shall be requested by the Issuer to be prepared and filed with the Issuer and, upon the request of the Issuer, shall execute and deliver to the Issuer all such instruments as may be desirable to evidence such discharge and satisfaction, and the Fiduciaries shall pay over or deliver to the Issuer all moneys or securities held by them pursuant to this Indenture which are not required for the payment of principal or Redemption Price, if applicable, on Bonds not theretofore surrendered for such payment or redemption. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of any Outstanding Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under this Indenture, and all covenants, agreements and obligations of the Issuer to the Holders of such Bonds shall thereupon cease, terminate and be discharged and satisfied except for remaining rights of registration of transfer and exchange of Bonds.

(b) Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Paying Agents (through deposit by the Issuer of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in subsection (a). In addition, any Outstanding Bonds shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in subsection (a) upon compliance with the provisions of subsection (c).

(c) Subject to the provisions of subsection (d) of this Section, any Outstanding Bonds shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section if (i) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Issuer shall have given to the Trustee irrevocable written instructions accepted in writing by the Trustee to mail as provided in Article IV notice of redemption of such Bonds (other than Bonds which have been purchased by the Trustee at the direction of the Issuer or purchased or otherwise acquired by the Issuer and delivered to the Trustee as hereinafter provided prior to the mailing of such notice of redemption) on said date, (ii) there shall have been deposited with the Trustee either moneys (including moneys withdrawn and deposited pursuant to Section 5.07(g)) in an amount which shall be sufficient, or Defeasance Securities (including any Defeasance Securities issued or held in book entry form on the books of the Department of the Treasury of the United States) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds (with such interest being calculated at the Maximum Rate with respect to any Bonds with interest rates that are not fixed to their redemption or maturity date, as applicable) on or prior to the redemption date or maturity date thereof, as the case may be, and (iii) in the event said Bonds are not by their terms subject to redemption within the next succeeding 60 days, the Issuer shall have given the Trustee in form satisfactory to it irrevocable written instructions to mail, as soon as practicable, a notice to the Holders of such Bonds at their last addresses appearing upon the registry books at the close of business on the last Business Day of the month preceding the month for which notice is mailed that the deposit required by (ii) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Section 12.01 and stating such maturity or redemption date upon which moneys are expected, subject to the provisions of subsection (d) of this Section 12.01, to be available for the payment of the principal or Redemption Price, if applicable, on said Bonds (other than Bonds which have been purchased by the Trustee at the direction of the Issuer or purchased or otherwise acquired by the Issuer and delivered to the Trustee as hereinafter provided prior to the mailing of the notice of redemption referred to in clause (i)). Any notice of redemption mailed pursuant to the preceding sentence with respect to Bonds which constitute less than all of the Outstanding Bonds of any maturity shall specify the letter and number or other distinguishing mark of each such Bond. The Trustee shall, as and to the extent necessary, apply moneys held by it pursuant to this Section 12.01 to the retirement of said Bonds in amounts equal to the unsatisfied balances (determined as provided in Section 5.10(c)) of any Sinking Fund Installments with respect to such Bonds, all in the manner provided in this Indenture. The Trustee shall, if so directed by the Issuer (A) prior to the maturity date of Bonds deemed to have been paid in accordance with this Section 12.01 which are not to be redeemed prior to their maturity date or (B) prior to the mailing of the notice of redemption referred to in clause (i) above with respect to any Bonds deemed to have been paid in accordance with this Section 12.01 which are to be redeemed on any date prior to their maturity, apply moneys deposited with the Trustee in respect of such Bonds and redeem or sell Defeasance Securities so deposited with the Trustee and apply the proceeds thereof to the purchase of such Bonds and, the Trustee shall immediately thereafter cancel all such Bonds so purchased; *provided, however*, that the moneys and Defeasance Securities remaining on deposit with the Trustee after the purchase and cancellation of such Bonds (or the deemed cancellation thereof) shall be sufficient to pay when due the Principal Installment or Redemption Price, if applicable, and interest due or to become due on all Bonds (calculated as

described above), in respect of which such moneys and Defeasance Securities are being held by the Trustee on or prior to the redemption date or maturity date thereof, as the case may be. If, at any time (1) prior to the maturity date of Bonds deemed to have been paid in accordance with this Section 12.01 which are not to be redeemed prior to their maturity date or (2) prior to the mailing of the notice of redemption referred to in clause (i) with respect to any Bonds deemed to have been paid in accordance with this Section 12.01 which are to be redeemed on any date prior to their maturity, the Issuer shall purchase or otherwise acquire any such Bonds and deliver such Bonds to the Trustee prior to their maturity date or redemption date, as the case may be, the Trustee shall immediately cancel all such Bonds so delivered; such delivery of Bonds to the Trustee shall be accompanied by written directions from the Issuer to the Trustee as to the manner in which such Bonds are to be applied against the obligation of the Trustee to pay or redeem Bonds deemed paid in accordance with this Section 12.01. The directions given by the Issuer to the Trustee referred to in the preceding sentences shall also specify the portion, if any, of such Bonds so purchased or delivered and cancelled or deemed cancelled to be applied against the obligation of the Trustee to pay Bonds deemed paid in accordance with this Section 12.01 upon their maturity date or dates and the portion, if any, of such Bonds so purchased or delivered and cancelled or deemed cancelled to be applied against the obligation of the Trustee to redeem Bonds deemed paid in accordance with this Section 12.01 on any date or dates prior to their maturity. In the event that on any date as a result of any purchases, acquisitions and cancellations or deemed cancellations of Bonds as provided in this Section 12.01 the total amount of moneys and Defeasance Securities remaining on deposit with the Trustee under this Section 12.01 is in excess of the total amount which would have been required to be deposited with the Trustee on such date in respect of the remaining Bonds in order to satisfy clause (ii) of this subsection (c) of Section 12.01, the Trustee shall, if requested by the Issuer in writing, pay the amount of such excess to the Issuer free and clear of any trust, lien, security interest, pledge or assignment securing said Bonds or otherwise existing under this Indenture. Except as otherwise provided in subsections (c) and (d) of this Section 12.01, neither Defeasance Securities nor moneys deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on said Bonds; *provided* that any cash received from such principal or interest payments on such Defeasance Securities deposited with the Trustee, (x) to the extent such cash will not be required at any time for such purpose, shall be paid over to the Issuer as received by the Trustee, free and clear of any trust, lien or pledge securing said Bonds or otherwise existing under this Indenture, and (y) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Qualified Investments maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on said Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the Issuer, as received by the Trustee, free and clear of any trust, lien, security interest, pledge or assignment securing said Bonds or otherwise existing under this Indenture. Notwithstanding anything contained herein to the contrary, the Issuer shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against Defeasance Securities or the principal and interest received on Defeasance Securities.

(d) Anything in this Indenture to the contrary notwithstanding, any moneys held by a Fiduciary in trust for the payment and discharge of any of the Bonds which remain unclaimed for

six years (or, if shorter, one Business Day before such moneys would escheat to the State under then applicable State law) after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Fiduciary at such date, or for six years after the date of deposit of such moneys if deposited with the Fiduciary after the said date when such Bonds became due and payable, shall, at the Written Request of the Issuer, be repaid by the Fiduciary to the Issuer, as its absolute property and free from trust, and the Fiduciary shall thereupon be released and discharged with respect thereto and the Bondholders shall look only to the Issuer for the payment of such Bonds; *provided, however*, that before being required to make any such payment to the Issuer the Fiduciary shall, at the expense of the Issuer, cause to be published at least twice, at an interval of not less than seven days between publications, in the Authorized Newspaper, a notice that said moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than 30 days after the date of the first publication of such notice, the balance of such moneys then unclaimed will be returned to the Issuer.

Section 12.02. Evidence of Signatures of Bondholders and Ownership of Bonds. (a) Any request, consent, revocation of consent or other instrument which this Indenture may require or permit to be signed and executed by the Bondholders may be in one or more instruments of similar tenor, and, except as otherwise provided in Section 11.03, shall be signed or executed by such Bondholders in person or by their attorneys appointed in writing. Proof of (1) the execution of any such instrument, or of an instrument appointing any such attorney, or (2) the holding by any Person of the Bonds shall be sufficient for any purpose of this Indenture (except as otherwise therein expressly provided) if made in the following manner, or in any other manner satisfactory to the Trustee, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

(i) The fact and date of the execution by any Bondholder or its attorney of such instruments may be proved by a guarantee of the signature thereon by a bank or trust company or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the Person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such signature, guarantee, certificate or affidavit shall also constitute sufficient proof of its authority.

(ii) The amount of Bonds transferable by delivery held by any Person executing any instrument as a Bondholder, the date of holding such Bonds, and the numbers and other identification thereof, may be proved by a certificate, which need not be acknowledged or verified, in form satisfactory to the Trustee, executed by the Trustee or by a member of a financial firm or by an officer of a bank, trust company, insurance company, or financial corporation or other depository wherever situated, showing at the date therein mentioned that such Person exhibited to such member or officer or had on deposit with such depository the Bonds described in such certificate. Such certificate may be given by a member of a financial firm or by an officer of any bank, trust company, insurance company or financial corporation or depository with respect to Bonds owned by it, if acceptable to the Trustee.

In addition to the foregoing provisions, the Trustee may from time to time make such reasonable regulations as it may deem advisable permitting other proof of holding of Bonds transferable by delivery.

(b) The ownership of Bonds registered other than to bearer and the amount, numbers and other identification, and date of holding the same shall be proved by the registry books.

(c) Any request or consent by the owner of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done by the Issuer or any Fiduciary in accordance therewith.

Section 12.03. Moneys Held for Particular Bonds. The amounts held by any Fiduciary for the payment of the interest, principal or Redemption Price due on any date with respect to particular Bonds shall, on and after such date and pending such payment, be set aside on its books and held in trust by it for the Holders of the Bonds entitled thereto.

Section 12.04. Preservation and Inspection of Documents. All documents received by any Fiduciary under the provisions of this Indenture shall be retained in its possession and shall at all times during regular business hours (upon reasonable prior written notice) be subject to the inspection of the Issuer, any other Fiduciary, and any Bondholder and their agents and their representatives, any of whom may make copies thereof, subject to such reasonable regulations as such Fiduciary may from time to time determine to be advisable or required by law.

Section 12.05. Parties Interested Herein. Nothing in this Indenture expressed or implied, except for the rights and interests of the Commodity Swap Counterparties, the Interest Rate Swap Counterparty (if any) and the Energy Supplier, as purchaser under the Receivables Purchase Provisions, as described in Section 10.03(e), and the pledge of the Commodity Swap Payment Fund granted to the Commodity Swap Counterparties, is intended or shall be construed to confer upon, or to give to, any Person or corporation, other than the Issuer, the Fiduciaries, the Holders of the Bonds, any right, remedy or claim under or by reason of this Indenture or any covenant, condition or stipulation thereof; and, except as provided in Section 10.03(e), all the covenants, stipulations, promises and agreements in this Indenture contained by and on behalf of the Issuer shall be for the sole and exclusive benefit of the Issuer, the Fiduciaries, the Holders of the Bonds and the Interest Rate Swap Counterparty.

Section 12.06. No Recourse on the Bonds; Non-Liability of the Issuer. No recourse shall be had for the payment of the principal of or interest on the Bonds or for any claim based thereon or on this Indenture against any source other than the Trust Estate as provided in this Indenture, including against any member of the board or officer of the Issuer, the Project Participant or any Person executing the Bonds. The Issuer shall not be obligated to pay the principal or Redemption Price or Purchase Price of or interest on the Bonds, the Interest Rate Swap Payments or the Commodity Swap Payments, except from the Trust Estate as provided in this Indenture. Neither the faith and credit nor the taxing power of the State or any political subdivision thereof, including the Issuer, is pledged to the payment of the principal or Redemption Price of or interest on the Bonds, the Interest Rate Swap Payments or Commodity Swap Payments. The Issuer shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any

conceivable theory, under or by reason of or in connection with the Bonds, this Indenture, the Interest Rate Swap or the Commodity Swap except only to the extent of the Trust Estate as provided in this Indenture.

Section 12.07. Publication of Notice; Suspension of Publication. (a) Any publication to be made under the provisions of this Indenture in successive weeks or on successive dates may be made in each instance upon any Business Day of the week and need not be made in the same Authorized Newspaper for any or all of the successive publications but may be made in a different Authorized Newspaper.

Section 12.08. Publication of Notice; Suspension of Publication. (a) Any publication to be made under the provisions of this Indenture in successive weeks or on successive dates may be made in each instance upon any Business Day of the week and need not be made in the same Authorized Newspaper for any or all of the successive publications but may be made in a different Authorized Newspaper.

(b) If, because of the temporary or permanent suspension of the publication or general circulation of any Authorized Newspaper or for any other reason, it is impossible or impractical to publish any notice pursuant to this Indenture in the manner herein provided, then such publication in lieu thereof as shall be made by the Issuer with the written approval of the Trustee shall constitute a sufficient publication of such notice.

Section 12.09. Severability of Invalid Provisions. If any one or more of the covenants or agreements provided in this Indenture on the part of the Issuer or any Fiduciary to be performed should be contrary to law, then such covenant or covenants or agreement or agreements shall be deemed severable from the remaining covenants and agreements, and shall in no way affect the validity of the other provisions of this Indenture.

Section 12.10. Holidays. If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in this Indenture, shall not be a Business Day, such payment may be made or act performed or right exercised on the next succeeding Business Day with the same force and effect as if done on the nominal date provided in this Indenture, and no interest shall accrue for the period after such nominal date.

Section 12.11. Notices. (a) Except as otherwise provided herein, all notices, requests, demands and other communications required or permitted under this Indenture shall be deemed to have been duly given if delivered or mailed, first class, postage prepaid (or sent by Electronic Means, confirmed by mail, as aforesaid), as follows:
