

# Memorandum

**TO:** HONORABLE MAYOR  
AND CITY COUNCIL

**FROM:** Lori Mitchell

**SUBJECT:** SEE BELOW

**DATE:** April 6, 2020

Approved

Date

4/7/2020

## SUPPLEMENTAL

**SUBJECT: POWER PROCUREMENT, ACCEPTANCE OF CARBON-FREE  
ALLOCATIONS, AND INTEGRATED RESOURCE PLAN TIME CHANGE**

## REASON FOR THE SUPPLEMENTAL

This supplemental memorandum is to provide an update on the San José Clean Energy's (SJCE) 2020 Integrated Resource Plan report to City Council.

## BACKGROUND

After the staff memorandum and draft resolution was posted on March 27, 2020, the California Public Utilities Commission (CPUC) issued a decision further delaying its issuance of final templates necessary for the 2020 Integrated Resource Plan.

## ANALYSIS

The staff memorandum states on page 7 that SJCE would present its 2020 Integrated Resource Plan to City Council in June 2020. Because the CPUC has delayed issuance of critical templates to May 2020, SJCE will not be able to meet the June schedule. SJCE will present the 2020 Integrated Resource Plan to City Council prior to final submission to the CPUC.
