Dear Mayor and Councilmembers,

We are looking forward to the approval of Item 2.10 MOU with the County of Santa Clara to fund an additional TRUST team for the city of San Jose.

Showing Up for Racial Justice (SURJ) Santa Clara County, along with the almost 1,000 community members who have signed our petition, want family members, friends, and community members to be met with appropriate responders for their needs. Non-police crisis response IS public safety.

We look forward to further expansion of non-police crisis response in matters for which a different type of responder would be more effective, such as welfare checks and unhoused related events. This is greatly needed based on the city's own 911 Call Analysis Report. Community care IS public safety.

Thank you!

Lori Katcher for SURJ Santa Clara County
