

# Memorandum

**TO:** HONORABLE MAYOR  
AND CITY COUNCIL

**FROM:** Rick Bruneau  
Jill Bourne

**SUBJECT: APPROVAL TO INCREASE THE  
LIBRARY PARCEL TAX RATES  
FOR FISCAL YEAR 2024-2025**

**DATE:** May 20, 2024

Approved

Date

5/30/24

## **RECOMMENDATION**

Adopt a resolution increasing the Library Parcel Tax rates for fiscal year 2024-2025 by 2.37% over the fiscal year 2023-2024 rates and approving the placement of the Library Parcel Tax on the fiscal year 2024-2025 Santa Clara County Property Tax Roll.

## **SUMMARY AND OUTCOME**

The increase in Library Parcel Tax rates will continue to provide funding to maintain and enhance Citywide library services and facilities through the acquisition of materials, development and delivery of education and digital literacy programs, and to repair, equip, and staff libraries.

## **BACKGROUND**

In August 2004, the City Council adopted Resolution No. 72268 placing a Library Parcel Tax, as provided in the San José Library and Reading Protection Ordinance, on the November 2004 general municipal election ballot. The Library Parcel Tax was approved by the required two-thirds vote of the electorate. The Library Parcel Tax took effect on July 1, 2005, with an expiration date of June 30, 2015.

In August 2005, the City Council adopted Resolution No. 72844, approving the placement of the Library Parcel Tax on the fiscal year 2005-2006 Santa Clara County Property Tax Roll. Library Parcel Tax rates for fiscal year 2005-2006 were set at the same rates that had been charged through the Library Benefit Assessment District: \$25 per single-family or condominium/townhome parcel, and varying rates for other residential, industrial, and vacant parcels.

In March 2014, the City Council adopted Resolution No. 76935, placing a 25-year extension of the existing Library Parcel Tax on the June 2014 special municipal election ballot. The Library Parcel Tax was approved by the required two-thirds vote of the electorate. The passage of the measure extends the Library Parcel Tax for the period beginning July 1, 2015 through June 30, 2040.

Per the San José Library and Reading Protection Ordinance (Chapter 4.79 of the San José Municipal Code), commencing with fiscal year 2006-2007 and by resolution of the City Council, the City Council may increase the Library Parcel Tax rates if the City Council finds that the cost of living in the City of San José as shown on the Consumer Price Index (CPI) has increased over the preceding base period, but in no event shall the increase exceed 3.00%. The base period for calculating the CPI adjustment is the February to February reporting period. The specific CPI required to be used for the calculation is the All Urban Consumers for the San Francisco-Oakland-San José area, with all items included as published by the United States Department of Labor, Bureau of Labor Statistics. The Bureau of Labor Statistics discontinued the San Francisco-Oakland-San José index in 2018. Starting in fiscal year 2019-2020, the Finance Department has used the Bureau of Labor Statistics San Francisco-Oakland-Hayward CPI index to calculate the Library Parcel Tax cost of living adjustment, as the geographical area covered by this index is comparable to San José.

**Table 1** below shows the last 10 years of annually approved percentage increases for the Library Parcel Tax per Chapter 4.79 of the San José Municipal Code.

<b>Table 1 – Annual Increases in Library Parcel Tax Rate</b>	
<b>Fiscal Year</b>	<b>Percentage Increase</b>
2015-2016	2.53%
2016-2017	3.00%
2017-2018	3.00%
2018-2019	3.00%
2019-2020	3.00%
2020-2021	2.91%
2021-2022	1.57%
2022-2023	3.00%
2023-2024	3.00%
2024-2025	2.37%

## **ANALYSIS**

Following the methodology used since fiscal year 2006-2007 for the CPI adjustment to the Library Parcel Tax rate, staff recommends an increase of 2.37% for fiscal year 2024-2025. Specifically, as outlined in **Table 2** below, the CPI for All Urban Consumers for the San Francisco-Oakland-Hayward area, as published by the United States Department of Labor

Bureau of Labor Statistics, increased by 2.37% during the period from February 2023 to February 2024.

<b>Table 2 – CPI All Urban Consumers</b>	
CPI February 2024	345.151
Less: CPI February 2023	337.173
Index Point Change	7.978
Divided by previous period CPI	337.173
Percent Change	2.37%
Proposed 2024-2025 Library Parcel Tax Rate Increase	2.37%

The proposed 2.37% increase in the Library Parcel Tax rate will increase the Library Parcel Tax for a single-family or condominium/townhome parcel from \$39.11 for fiscal year 2023-2024 to \$40.03 for fiscal year 2024-2025, reflecting an increase of \$0.92 per parcel. The complete Library Parcel Tax schedule is **attached** to this memorandum (Exhibit – Library Parcel Tax Rates – FY 2023-2024 Actual and FY 2024-2025 Proposed Library Tax Rates). The exhibit shows the current tax schedule and the proposed tax schedule to be placed on the Santa Clara County Property Tax Roll for fiscal year 2024-2025 for all types of parcels. Assuming the same land use classifications and number of parcels as in fiscal year 2023-2024, the approximate tax collection for all land use classifications in fiscal year 2024-2025 will be approximately \$11.0 million, reflecting an increase of approximately \$250,000 over the fiscal year 2023-2024 collections of approximately \$10.7 million.

The collection of the Library Parcel Tax for fiscal year 2024-2025 represents the tenth year of the extended 25 year term of the Library Parcel Tax scheduled to end on June 30, 2040. Currently, the Library Parcel Tax provides approximately 17% of the San José Public Library System's 2023-2024 Operating Budget and 2% of the 2023-2024 Capital Budget.

### **EVALUATION AND FOLLOW-UP**

The Library Parcel Tax is adjusted each year based on the CPI. No follow-up is required.

### **BUDGET REFERENCE**

The Fiscal Year 2024-2025 Proposed Operating Budget includes the estimated increase of 2.37% in revenue for Library Parcel Tax. Additional details can be found in the Library Parcel Tax Source and Use of Funds on page 870 of the 2024-2025 Proposed Operating Budget.
