BACKGROUND

The City Manager oversees and manages the day-to-day operations of the City and its 14 departments, nine offices within the City Manager's Office, and 6,600 employees. In addition, the City Manager's Office directs the development and implementation of the City's Operating and Capital Budgets, which combined, total \$4.8 billion annually.

The former City Manager's last day of employment with the City is July 24, 2021. On June 22, 2021, the City Council appointed Jennifer Maguire as Interim City Manager effective July 25, 2021. A City employee for 30 years in multiple capacities, Jennifer has served as Assistant City Manager since 2017 serving as Chief Operating Officer ensuring effective and efficient delivery of services.

We are fortunate that Jennifer was willing to step up and lead our City as we begin to transition from a once-in-a-lifetime pandemic into recovery.

My recommendation for an annual salary of \$347,600 is slightly less than the maximum of the authorized range of compensation for the position of City Manager. In addition to this salary, the Interim City Manager will receive an approximate five percent (5%) ongoing non-pensionable pay for a total annual salary of approximately \$364,980, effective July 25, 2021.
