RECOMMENDATION

Approve grant for Ida Price Middle School for their Home and School Club to help equip their core classrooms with chromebooks to support student education programs. To be paid by Council District 9 funds.

Ida Price Middle School \$1,000.00

BACKGROUND

Pursuant to City Council Expenditure and Reimbursement Policy, Policy Number 0-38, Section K "Grants", Item 6, "Any contribution to an organization proposed by a Council member who is a member of that organization must be approved in advance by the City Council."

Approval is requested to expend \$1,000.00 from my Council District office appropriation to support student education programs and activities.

My office supports various schools in the City of San Jose. Currently, I have a child who attends Ida Price Middle School. Because of my relationship with this organization, it is appropriate for the full Council to approve this grant.
