**SUBJECT: REPORT ON BIDS AND AWARD OF CONTRACT FOR THE 10277 - PARK:
THE BEAUTIFUL WAY (HANCHETT) PARK PROJECT**

RECOMMENDATION

- (a) Report on bids and award of a contract for the construction of 10277 - Park: The Beautiful Way (Hanchett) Park Project to the lowest responsive, responsible bidder Robert A. Bothman Inc., in the amount of \$1,365,991; and
- (b) Approve a 10% contingency in the amount of \$136,599.

SUMMARY AND OUTCOME

This memorandum summarizes the bids received and requests award of a construction contract for the 10277 - Park: The Beautiful Way (Hanchett) Park Project (Project).

Award of the construction contract to Robert A. Bothman Inc. will enable the Project to proceed into construction. Approval of a 10% contingency will provide funding for any unanticipated work necessary for the proper construction or completion of the Project.

BACKGROUND

The future 0.17-acre park site is located at 1343 The Alameda in the Shasta Hanchett Park neighborhood. The site is currently a parking lot at the corner of The Alameda and Hanchett Avenue (**Attachment – Location Map - 10277 - Park: The Beautiful Way (Hanchett) Park**). The City of San José (City) purchased the site on July 27, 2018, to develop a park and enhance public life within The Alameda Urban Village.

There are four existing neighborhood-serving parks within a three-fourths of a mile radius of the site: Theodore Lenzen Park, Cahill Park, Hester Park, and the Municipal Rose Garden. The existing parks offer a range of recreational amenities, including basketball courts, picnic areas with barbeques, large turf areas, and youth and tot lots. The Project park - Beautiful Way Park - is designed to include features that are not found in nearby parks.

The site will be developed into a pocket park. A pocket park is a small outdoor space defined as a space no more than one-fourth acre in size. The Project area is approximately 9,900 square feet, which includes off-site improvements for the adjacent sidewalk. The Project scope includes game tables, musical play elements, permeable pavers, site furnishings, fencing, shade structures, lighting, a pollinator garden, and landscape areas.

Construction is anticipated to begin in spring 2024 and be completed in fall 2024.

ANALYSIS

Bids were opened on December 7, 2023, with the following results:

<u>Contractor</u>	<u>Bid Amount</u>	<u>Variance Amount</u>	<u>Over/(Under) Percent</u>
QLM, Inc. (San José) <i>(non-responsive)</i>	\$1,317,659	(\$272,341)	(17)
ASG Builders (Mountain View) <i>(non-responsive)</i>	\$1,358,522	(\$231,478)	(15)
Robert A. Bothman, Inc. (Santa Clara)	\$1,365,991	(\$224,009)	(14)
Redgwick Construction Co. (Oakland) <i>(non-responsive)</i>	\$1,407,482	(\$182,518)	(11)
Guerra Construction Group (Santa Clara) <i>(non-responsive)</i>	\$1,436,264	(\$153,736)	(10)
Suarez & Munoz Construction, Inc. (Hayward)	\$1,476,545	(\$113,455)	(7)
Joseph J. Albanese, Inc. (Santa Clara) <i>(non-responsive)</i>	\$1,518,009	(\$71,991)	(4)
Granite Rock Company (San José)	\$1,567,737	(\$22,263)	(1)
Engineer's Estimate	\$1,590,000	---	---
W.E. Lyons Construction Co. (Walnut Creek)	\$1,665,461	\$75,461	5

Redwood Construction and Equipment, Inc. (Redwood City)	\$1,716,900	\$126,900	8
--	-------------	-----------	---

The bids submitted by QLM, Inc., ASG Builders, Redgwick Construction Co., Guerra Construction Group, and Joseph J. Albanese, Inc., were deemed non-responsive for failing to provide specific bidder's experience information required by the City.

The low bid submitted by Robert A. Bothman Inc. is 14% under the Engineer's Estimate. Staff considers this reasonable for the work involved. The lower than estimated bid can be attributed to a competitive bidding environment as well as the contractor's familiarity with this type of work.

The contractor has successfully performed work for the City, including several San José park projects. An example of a recent project is the 4211 - Roosevelt Skatepark.

Contingency

San José Municipal Code Section 27.04.050 provides for a standard contingency of 10% on all public works contracts except those involving the renovation of a building or buildings. The standard 10% contingency is appropriate for this Project.

Wage Theft Prevention Policy Check

The Office of Equality Assurance reviewed bidders for compliance with the City's Wage Theft Prevention Policy on December 7, 2023 and again on December 14, 2023. No wage theft issues were identified.

Project Labor Agreement Applicability

The City's Project Labor Agreement is applicable to this Project because the Engineer's Estimate is over \$1.22 million.

Local and Small Business Analysis

The recommended contractor is a local but not a small business enterprise. In addition, European Paving Designs and Bear Electrical Solution are both local business enterprise listed as subcontractors on the Project. European Paving Designs is located in San José and will be providing paver work valued at approximately \$107,000. Bear Electrical Solution is located in Alviso and will be providing electrical work valued at approximately \$135,000.

EVALUATION AND FOLLOW-UP

No additional follow up action with the City Council is expected at this time.
